The Show Doctor Jeff McBride, 2015-06-05 The Show Doctor is the first full length book of magic from Jeff McBride one of the great magicians of our time The Show Doctor includes Eleven of Jeff s previously unpublished routines including stage illusions stand up routines manipulation close up magic cards and mentalism Revised versions of Jeff s celebrated advice column published in MAGIC Magazine Many interviews and additional writings that extend Jeff s thoughts on how magicians can improve their performances and have more successful careers Access to a website with over 30 minutes of new videos that supplement the book plus additional essays If you love magic if you want to perform excellent magic then the prescription is clear it is time to consult The Show Doctor If you only read one magic book this year make it The Show Doctor Lance Burton I truly believe that Jeff McBride is the best guide to improving your magic show in the world today Mac King Some magicians have asked me if I was going to write a sequel to my one and only book Maximum Entertainment In many ways I truly feel that sequel is what you are holding in your hands right now Ken Weber

Dream Doctor J.J. DiBenedetto, 2013-03-20 Between adjusting to life as a newlywed and trying to survive the first month of medical school Sara Alderson has a lot on her plate She definitely doesn t need to start visiting other people s dreams again Unfortunately for her it s happening anyway Every night she sees a different person and a different dream But every dreamer has one thing in common they all hate Dr Morris the least popular professor in the medical school and they re all dreaming about seeing him or making him dead Once again Sara finds herself in the role of unwilling witness to a murder before it happens But this time there are too many suspects to count and it doesn t help matters that she hates Dr Morris every bit as much as any of his would be murderers do Dream Doctor is the first book of the Dream Doctor Mysteries

Searching for the Family Doctor Timothy J. Hoff, 2022-03-01 With family doctors increasingly overburdened bureaucratized and burned out how can the field change before it s too late Over the past few decades as American medical practice has become increasingly specialized the number of generalists doctors who care for the whole person has plummeted On paper family medicine sounds noble in practice though the field is so demanding in scope and substance and the health system so favorable to specialists that it cannot be fulfilled by most doctors In Searching for the Family Doctor Timothy J Hoff weaves together the early history of the family practice specialty in the United States with the personal narratives of modern day family doctors By formalizing this area of practice and instituting specialist level training requirements the originators of family practice hoped to increase respect for generalists improve the pipeline of young medical graduates choosing primary care and in so doing have a major positive impact on the way patients receive care Drawing on in depth interviews with fifty five family doctors Hoff shows us how these medical professionals have had their calling transformed not only by the indifferent acts of an unsupportive health care system but by the hand of their own medical specialty a specialty that has chosen to pursue short over long term viability conformity over uniqueness and protectionism over collaboration A specialty unable to innovate to keep its membership cohesive and focused on fulfilling the generalist ideal The family doctor Hoff explains was conceived of as a powered up version of the country doctor idea At a time when doctor patient relationships are evaporating in the face of highly transactional fast food style medical practice this ideal seems both nostalgic and revolutionary However the realities of highly bureaucratic reimbursement and quality of care requirements educational debt and ongoing consolidation of the old fashioned independent doctor s office into corporate health systems have stacked the deck against the altruists and true believers who are drawn to the profession of family practice As more family doctors wind up working for big health care corporations their career paths grow more parochial balkanizing the specialty Their work roles and professional identities are increasingly niche oriented Exploring how to save primary care by giving family doctors a fighting chance to become the generalists we need in our lives Searching for the Family Doctor is required reading for anyone interested in the troubled state of modern medicine

Biscuit Visits the Doctor Alyssa Satin Capucilli,2008-08-26 How much has Biscuit grown Let s find out Join Biscuit and the little girl when they visit Dr Green s office for a checkup and meet new friends too Woof

Resident On Call Scott Rivkees,2014-04-01 In turn heartbreaking irreverent moving and at times raucously humorous one of the nation s leading pediatric researchers recounts his first years as a newly minted struggling and insecure doctor at Massachusetts General Hospital in Boston A graduate of a state university medical school Scott Rivkees was competing with elite students from some of the most prestigious schools in the country Nervous and uncertain he worked unholy hours with patients ranging from indigent street people to celebrity guests drawn to the reputation and care offered by Mass General Along the way he learned what medical school textbooks don t teach how to deal with immense pressure exhaustion unruly patients mysterious conditions the joy of saving a life and the wrenching suddenness of losing a patient more often than not a young child His resident education did not prevent him from losing his sense of irony and humor as he recounts bleary nights on the town the allure of young nurses substandard housing and the value of pricking an inflated ego

My Own Country Abraham Verghese,1998

The Digital Doctor: Hope, Hype, and Harm at the Dawn of Medicine's Computer Age Robert Wachter,2015-04-10 The New York Times Science Bestseller from Robert Wachter Modern Healthcare s 1 Most Influential Physician Executive in the US While modern medicine produces miracles it also delivers care that is too often unsafe unreliable unsatisfying and impossibly expensive For the past few decades technology has been touted as the cure for all of healthcare s ills But medicine stubbornly resisted computerization until now Over the past five years thanks largely to billions of dollars in federal incentives healthcare has finally gone digital Yet once clinicians started using computers to actually deliver care it dawned on them that something was deeply wrong Why were doctors no longer making eye contact with their patients How could one of America s leading hospitals give a teenager a 39 fold overdose of a common antibiotic despite a state of the art computerized prescribing system How could a recruiting ad for physicians tout the absence of an electronic medical record as a major selling point Logically enough we ve pinned the problems on clunky software flawed implementations absurd regulations and bad karma It was all of those things but it was also something far more complicated And far more interesting Written with a rare combination of compelling stories and hard hitting analysis by one of the nation s most thoughtful physicians The Digital Doctor examines healthcare at the dawn of its computer age It tackles the hard questions from how technology is changing care at the bedside to whether government intervention has been useful or destructive And it does so with clarity insight humor and compassion Ultimately it is a hopeful story We need to recognize that computers in healthcare don t simply replace my doctor s scrawl with Helvetica 12 writes the author Dr Robert Wachter Instead they transform the work the people who do it and their relationships with each other and with patients Sure we should have thought of this sooner But it s not too late to get it right This riveting book offers the prescription for getting it right making it essential reading for everyone patient and provider alike who cares about our healthcare system

Doctor Life Papeterie Bleu,2017-06 2018 GIFT IDEAS COLORING BOOKS FOR GROWN UPS HUMOROUS Nobody presents with a mandibular fracture who didn't deserve one The Snarky Mandala The path to doctorhood is nothing short of impressive paved with one impossible challenge right after another As a doctor you perform miracles daily and seeing the relief on a patient's face makes you smile knowing it was all worth it But let's face it Some days and nights push you to your limits and you need to destress Good news Doctor Life is just what the doctor ordered no script needed Grab your colored pencils and relive the most hilarious and snarky moments of medical school residency and doctorhood that only MDs can appreciate After all laughter is the best medicine Happy coloring Product Details Printed single sided on bright white paper Premium matte finish cover design Soothing seamless patterns on reverse pages Perfect for all coloring mediums Black background reverse pages to reduce bleed through High quality 60lb 90gsm paper stock Large format 8.5x11 0.22x28cm pages

Paper Dollhouse Lisa Masterson,2012-09-04 In this book Dr Lisa Masterson star of the hit daytime show The Doctors focuses on the life altering work she does as hands on head of a foundation called Maternal Fetal Care International through which she's established clinics in India and Africa devoted to helping ensure that mothers and babies survive in regions where resources are few and maternal mortality is high Here her fans along with the broader universe of readers drawn to the pathbreaking stories of role models like this accomplished woman of color will discover the vulnerable and very human side of the TV doc and the inspiring journey that has allowed her to become an advocate for so many Her book traces her inspiring life moving back and forth between her current work and her upbringing how her resourceful and resilient single mother broke away from family in the segregated South to find new opportunities Dr Masterson's mother is a woman of beauty and accomplishment as her daughter will be but in those early years the two of them face discrimination financial challenges and tumult moving every few months to avoid paying rent so there will be enough money for what's most important the child's education
