Masterclass: Writing Plays Lesley Bown, Lesley Hudswell, Ann Gawthorpe, 2014-11-28 Writing Plays is the invaluable and comprehensive guide to anyone who wants to write plays and get them performed. It covers the basics of the theatre: creating and working with characters, writing realistic speech and dialogue, constructing compelling plots, and creating a great ending. There are also separate chapters focused on writing for different genres, including pantomimes, musicals, radio, and television. And a final section looks at the practicalities of laying out, submitting, and staging your play.

Alan Ayckbourn Paul Allen, 2002 In this biography Paul Allen explores Ayckbourn's family background, looking at his unsettled and sometimes solitary childhood. There follows a hasty first marriage, the often farcical life of a frustrated young actor, and the setbacks and false dawns endured by the novice writer before he became the great comic hit maker of the 1970s. Audiences since have been literally falling into the aisles with laughter, even as they register the seriousness of his preoccupation with man's inhumanity to woman. With the first-hand testimony of scores of colleagues who have worked with Ayckbourn at length in Scarborough, as well as the more celebrated London collaborators, Allen traces the development of his more savagely comic critique of public life in the 1980s and 90s. **BOOK JACKET**

Grinning At The Edge Paul Allen, 2014-02-13 Now in paperback, the hugely acclaimed authorised biography of Britain's most popular playwright Alan Ayckbourn is Britain's most popular playwright and its most private. He has won numerous awards for his plays and has worked with some of theatre's most celebrated names, yet he spends most of his time away from the limelight in a Yorkshire seaside town, not writing at all but running a small repertory theatre. This is a portrait of a man who, from *Relatively Speaking* in 1965 to his double play *House and Garden* at the National Theatre in 2000, has chronicled human behaviour, our aspirations and insecurities while shaping the theatrical experience of millions. Mr Allen's book makes me want to start reading the entire Ayckbourn canon over again. **splendid stuff** Hugh Leonard *Sunday Independent*. Paul Allen has come up with a wise, well-informed book that not only persuades us of Ayckbourn's genius but also helps to explain this complex, driven man. **Michael Billington** *Country Life*. **Lucid**, meticulously researched, this impressively detailed account benefits from Paul Allen's rich inside knowledge of theatre. **Terry Eagleton** *Times Literary Supplement*. **Thorough and enjoyable** **Christopher Hirst** *Independent*.

Comic Potential Alan Ayckbourn, 2002 A play set in the foreseeable future when everything has changed except human nature: a future where TV daytime soaps are performed by android actors, emotionally programmed by the control room. One JC 31333 finds herself humanized as *Jacie Triplethree*, complete with a sense of humour, and Adam, a young scriptwriter, falls for her.

It's a Hit! David Sheward, 1994 Filled with absorbing theatre lore and vintage photos, *It's a Hit!* relates the history of the Broadway theatre through the story of its most popular and successful shows. Spanning more than a century of American theatre, this is the first book to survey all the musicals, comedies, dramas, and thrillers that have run 500 or more performances. In fact, filled profiles, author David Sheward, Managing Editor of *Back Stage*, tells all about the unique events surrounding the creation and staging of each show, the personalities involved, the press reactions, and the subsequent touring productions, motion pictures, and telecasts that were derived from the Broadway hits. **Trivia buffs will love the numerous behind-the-scenes anecdotes about the authors and songwriters, the producers and directors, and of course the performers, stars who captured the spotlight, burlesque and vaudeville veterans, hard-working chorus members, and scene-stealing unknowns.** Opening dates and venues, production teams, and original casts are listed. A final section is devoted to the hits of off-Broadway, and important awards like the Pulitzers and Tonys are highlighted as well.

Curtain Times Otis L. Guernsey, 1987 Applause Books *Curtain Times* is a uniquely comprehensive uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987 This is a collection of more than two decades of annual critical surveys originally published in the Best Plays series of yearbooks in a single volume Each of these surveys is a report and criticism of a whole New York theater season its hits and misses onstage and off its esthetic innards Each is a comprehensive overview which takes in every play musical specialty and revival foreign and domestic produced on and off Broadway during the theater season Hardcover
