Rose is a princess a Cinder and half human. She is the last one born of her kind and on her twenty first birthday she must enter the woods and travel to find her Prince as her sisters did before her. And we will all dance at the Grand Ball her sisters would always say. But the Human servants are keeping a secret that could prevent the Cinders from reaching their Happily Ever After. Hidden in Rose's dreams and vision are the answers of the past between Cinders and Humans and she is quickly running out of time trying to solve their hidden messages. She knows the answer lies in her first clue identifying an animal she has never seen before that persistent vision of a furry white animal holding a gold metal object and exclaiming Oh dear Oh dear I shall be too late.
