Scott,2016-07-11 For the first time get all five Club X novels Temptation Surrender Possession Satisfaction and Acceptance in one set Temptation Club X 1 Cassian March the public face of Tampa s most exclusive nightclub Club X has a great life Women sex and money are his for the taking and no man indulges his desires more Life is short and he plays hard He lives by only one rule never let a woman get close Olivia Lucas needs a job and if that means working at a club that specializes in making members wildest fantasies come true then that s what she ll do A girl s got to pay the rent right She never expected to fall for the gorgeous owner of Club X though but a man like him would never go for someone like her Or would he Surrender Club X 2 Stefan March lives for a good time Born into wealth he sees everything in terms of what he can have especially women So far life has denied him nothing and no one When he meets his newest bartender he instantly knows who his next conquest will be but Shay s not like the usual women he collects To get her he ll have to be more than just the player he s always been Shay Callahan is beautiful determined and intelligent She s got plans for her life and they don t include getting sidetracked by a man and certainly not her wealthy player boss Her job at Club X is for one thing money to fund her education but if she can make Stefan March see he s not God s gift to women all the better

She never expects to find out there's more to him than meets the eye. As different as day and night, can these two see past who they think they are to find love?

Possession Club X 3 Kane Jackson, the ruler of the fantasy section of Club X, has always been different from his brothers. The bastard son of Cassian March III, he grew up without the money and privilege Cassian and Stefan enjoyed from the March name, instead only knowing his father as the man who abandoned him and seeing himself as unloved and unwanted. He let love in once, and like everything else in his life, all that came from it was pain. His heart, hidden behind the walls he's built since then, Kane is now just the dark figure who rules over the fantasies of others but has none himself. Abbi Linde can't seem to get a break. Too many bad men and bad choices have left her bruised and broken, but the opportunity to dance at Club X could change everything. For the first time, she might be able to make a life for herself and find the happiness she longs for. After what feels like a lifetime of heartbreak, Abbi still believes one day her dreams will come true and she'll find the love that's eluded her. Even the darkest heart craves the light, but will the darkness be too much for love to overcome with these two souls?

Satisfaction Club X 4 Cassian March finally found a reason to give up his player ways. Crazy in love, he and Olivia are ready to take the next step and make it official, but just when life is perfect is exactly when everything can slip away. Stefan March has lived in the shadow of his two older brothers for too long. With Shay, he sees a chance to finally be the man nobody thinks he can be. But old family wounds have a way of opening up, and sometimes love may not be enough to heal them. Kane Jackson knows a good man would be by Abbi's side as she prepares to give birth to their child, but he's not a good man. Or, at least, that's what he thinks. Willing to do anything to protect her, he hides himself away so he can't hurt her. Abbi still believes in him, but will her love be able to overcome years of him being told he's only meant to hurt?

The three brothers of Club X have all that money can buy, but will they find the happiness each of them wants more than anything else in the world?

Acceptance Club X 5 Life after Club X has been good for the three brothers who used to run Tampa's most exclusive fantasy club. Cassian and Kane run one of the city's up-and-coming restaurants, CK, and Stefan has his own successful bar in the old Club X building. Two marriages, three kids, and three happy couples make up one big happy family. But there's another son of Cassian March III out there, another illegitimate child who never knew his father. The three brothers don't agree that they should find him, and even more importantly, what they don't know about Sebastian could risk everything they cherish so dearly.
