The Four Tendencies Gretchen Rubin, 2017-09-12 NEW YORK TIMES BESTSELLER Are you an Upholder a Questioner an Obliger or a Rebel From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that will immediately improve every area of your life Melissa Urban co founder of the Whole30 During her multibook investigation into human nature Gretchen Rubin realized that by asking the seemingly dry question How do I respond to expectations we gain explosive self knowledge She discovered that based on their answer people fit into Four Tendencies Upholders meet outer and inner expectations readily Discipline is my freedom Questioners meet inner expectations but meet outer expectations only if they make sense If you convince me why I'll comply Obligers the largest Tendency meet outer expectations but struggle to meet inner expectations therefore they need outer accountability to meet inner expectations You can count on me and I'm counting on you to count on me Rebels the smallest group resist all expectations outer and inner alike They do what they choose to do when they choose to do it and typically they don't tell

themselves what to do You can't make me and neither can I Our Tendency shapes every aspect of our behavior so using this framework allows us to make better decisions meet deadlines suffer less stress and engage more effectively It's far easier to succeed when you know what works for you With sharp insight compelling research and hilarious examples The Four Tendencies will help you get happier healthier more productive and more creative
