Ziegler, Heather Streets Salter, 2020-11-12 This is History Book It explored the grand scheme of world history as a product of real life human beings pursuing their individual and collective interests It also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies It has combined a clear chronological framework with the twin themes of traditions and encounters which help to make the unwieldy story of world history both more manageable and more engaging From the beginning Traditions Encounters offered an inclusive vision of the global past one that is meaningful and appropriate for the interdependent world of contemporary times

Coming of Age in Mississippi Anne Moody, 2011-09-07 The unforgettable memoir of a woman at the front lines of the civil rights movement a harrowing account of black life in the rural South and a powerful affirmation of one person's ability to affect change Anne Moody's autobiography is an eloquent moving testimonial to her courage Chicago Tribune Born to a poor couple who were tenant farmers on a plantation in Mississippi Anne Moody lived through some of the most dangerous days of the pre civil rights era in the South The week before she began high school came the news of Emmet Till's lynching Before then she had known the fear of hunger hell and the Devil But now there was the fear of being killed just because I was black In that moment was born the passion for freedom and justice that would change her life A straight A student who realized her dream of going to college when she won a basketball scholarship she finally dared to join the NAACP in her junior year Through the NAACP and later through CORE and SNCC she experienced firsthand the demonstrations and sit ins that were the mainstay of the civil rights movement and the arrests and jailings the shotguns fire hoses police dogs billy clubs and deadly force that were used to destroy it A deeply personal story but also a portrait of a turning point in our nation's destiny this autobiography lets us see history in the making through the eyes of one of the footsoldiers in the civil rights movement Praise for *Coming of Age in Mississippi* A history of our time seen from the bottom up through the eyes of someone who decided for herself that things had to be changed a timely reminder that we cannot now relax Senator Edward Kennedy The New York Times Book Review Something is new here rural southern black life begins to speak It hits the page like a natural force crude and undeniable and against all principles of beauty beautiful The Nation Engrossing sensitive beautiful so candid so honest and so touching as to make it virtually impossible to put down San Francisco Sun Reporter

Born in New York, Richard Connell (1893-1949) went on to become an acclaimed author, screenwriter, and journalist. He is best remembered for the gripping novel *The Most Dangerous Game* and for receiving an Oscar nomination for the screenplay *Meet John Doe*.

The Presentation of Self in Everyday Life Erving Goffman, 2021-09-29. A notable contribution to our understanding of ourselves. This book explores the realm of human behavior in social situations and the way that we appear to others. Dr. Goffman uses the metaphor of theatrical performance as a framework. Each person in everyday social intercourse presents himself and his activity to others, attempts to guide and control the impressions they form of him, and employs certain techniques in order to sustain his performance, just as an actor presents a character to an audience. The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions.
