Top Priority Cara Dee,2019-08-22 In a perfect world Lucas West would meet someone in one of the BDSM communities he was active in someone who ached for a Daddy Dom as much as Lucas longed for a Little to care for They would date play build something that was just for them and share a future together In a perfect world Colt Carter would get through his next deployment and then move closer to DC where he could create at least a semblance of a personal life He wanted something outside of the Air Force something kinky something worth leaving everything behind for eventually For years he d kept his inner Sadist and Daddy Dom locked up only letting him out to play on rare occasions In a perfect world In reality Lucas and Colt met each other Top Priority is the first novella in The Game Series a BDSM series where romance meets the reality of kink Sometimes we fall for someone we don t match with sometimes vanilla business gets in the way of kinky pleasure and sometimes we have to compromise and push ourselves to overcome trauma and insecurities No matter what two things are certain This is not a perfect world and life never turns out the way you planned

When Forever Ended Cara Dee,2017-06-26 At ten years old Kelly and I were two rambunctious boys who carved our initials into a tree in the forest We promised to be best friends forever and bumped our fists to seal the deal I never should ve kissed him that summer before college It was a day that buried me in shame a day I spent the next twenty four years regretting a day I never told anyone about At forty three depression was suffocating me Not even my wife and two children could lift the heavy fog I was riddled with guilt and self hatred and I was starting to realize that I would slowly fade away until nothing remained Then one day Kelly was back in town

thought flew out the window Their dynamic grabbed hold of Anthony and reeled him in before he even heard the magic word Daddy
