*Blood Red Road* Moira Young, 2011-06-07 This fast-paced YA debut novel has it all: smart, savvy characters making their way through an eerily dystopian society with all the requisite action, adventure, and romance characteristic of the genre, vividly and at times chillingly portrayed. In a wild and lawless future where life is cheap and survival is hard, eighteen-year-old Saba lives with her father, her twin brother Lugh, her young sister Emmi, and her pet crow Nero. There's a hard and lonely life. The family resides in a secluded shed, their nearest neighbour living many miles away, and the lake, their only source of water and main provider of food, gradually dying from the lack of rain. But Saba's father refuses to leave the place where he buried his beloved wife Allis nine years ago. Allis died giving birth to Emmi, and Saba has never forgiven her sister for their mother's death. But while she despises Emmi, Saba adores her twin brother Lugh. Golden-haired and blue-eyed, loving and good, he seems the complete opposite to dark-haired Saba, who is full of anger and driven by a ruthless survival instinct. To Saba, Lugh is her light and she is his shadow; he is the day, she is the nighttime; he is beautiful, she is ugly; he is good, she is bad. So Saba's small world is brutally torn apart when a group of armed riders arrives five days after the twin's eighteenth birthday, snatching Lugh away. Saba's rage is so wild that she manages to drive the men away, but not before they have captured Lugh and killed their father. And here begins Saba's epic quest to rescue Lugh, during which she is tested by trials she could not have imagined, and one that takes the reader on a breathtaking ride full of romance, physical adventure, and unforgettably vivid characters, making this a truly sensational YA debut novel.

*The Real Rebecca* Anna Carey, 2012-07-01 My name is Rebecca Rafferty and my mother has ruined my life. Again. I didn't mind her writing boring books for grown-ups. But now she's written one about an awful girl my age, and everyone thinks it's me. Including the boy who delivers our newspapers, aka Paperboy, aka the most gorgeous boy in the whole world. Oh, the shame. And if that wasn't awful enough, the biggest pain in my class wants to use my fame to get herself on the reality show *My Big Birthday Bash*. I've just got to show everyone the REAL Rebecca. But how?

*The End of College* Kevin Carey, 2016-03 The rise of the internet, new technologies, and free and open higher education are radically altering college forever, and this book explores the paradigm changes that will affect students, parents, educators, and employers, as it explains how we can take advantage of the new opportunities ahead.
