[Modern Parents, Vintage Values](#) Sissy Goff, Melissa Trevathan, 2010-10-01 What do I do when my son learns phrases in school that he s not allowed to say at home How do I teach my daughter caution but not fear How do I teach my daughter about gratitude when she believes she is entitled to a cell phone and a laptop and everything else that not only she wants but that all of the kids around her already have Melissa Trevathan and Sissy Goff hear these types of questions and many other comments from parents on a daily basis in their counseling office and at ministry events Today more than ever before we live in a culture that is at war against our parenting Between the internet the media the sense of entitlement that kids are living with the disrespect it is almost too much We often wish we could move back to Mayberry where our biggest concern was who had set off the firecrackers in the neighbor s garage While those aren t the issues most parents are facing today Melissa and Sissy believe we can still raise children who value well values They provide a clear and possible path back to cultivating children who have a sense of character and groundedness who may not be as rampant across playgrounds and parks as they once were They paint the picture of how to raise children with manners and kindness and with a healthy sense of fear and respect both for their world and the adults around them and to do so without totally disengaging from the realities of today s world In short they believe it is still possible to instill vintage values in modern kids *Modern Parents Vintage Values* talks about the specific issues facing kids today helping parents to more fully understand the challenges being

face Yet Melissa and Sissy don't stop there. They focus in on nine values that are foundational for the character development of children: kindness, integrity, manners, compassion, forgiveness, responsibility, gratitude, patience, and confidence. Each chapter is broken down into a section for children and adolescents and specific ways to foster the specific value for the particular age.

Modern Parents Vintage Values offers parents timeless truths that can break through the chaos of today's culture and instill these truly vintage and important values in kids.

Modern Parents, Vintage Values, Revised and Updated Sissy Goff, Melissa Trevathan, 2020-06-09

Why is anxiety so rampant among kids today? What's the magic age for giving my child his first cell phone? Her first social media account? How do I teach my teenager things like gratitude and respect in such an entitled and disrespectful world? Melissa Trevathan and Sissy Goff hear these types of questions on a daily basis in their counseling offices and at parenting events across the country. Today more than ever before we live in a culture that is at war against our parenting. And today more than ever before we're meeting parents who feel lost as to how to help. This book does just that. It addresses the issues we hear parents struggling with the most when it comes to raising their children: technology, disrespect, entitlement, substance abuse, anxiety, depression, etc. but it doesn't stop there. Melissa and Sissy move through those modern-day troubles to get back to the vintage values we all deeply value in the lives of kids. They help you discover whether your child is a toddler or a teenager what it looks like to cultivate kindness, gratitude, integrity, responsibility, and more in the lives of the kids you love.

Modern Parents Vintage Values offers you a roadmap, a way through the hurdles you are facing today in your parenting, helping you discover more of how to instill those true foundational vintage values that will make a lasting difference in the lives of your kids: values that are built upon an unshakeable foundation of faith and hope. And that's ultimately where this map will lead: to Christ and to what it looks like for both you and your kids to have hope in Him in these changing times.

Pop Quiz: Have you ever woken up and felt bad about yourself for no reason whatsoever? Have you spent time trying to figure out how to get into the popular group at school? Have you ever been embarrassed by your dad singing in the car with your friends? Have you noticed that things are starting to feel different than ever before? Do you change your opinion or even your personality around different friends? Do you get overwhelmed with all of the thoughts and feelings bouncing around inside of you? If you answered yes to even one of these questions, you passed the quiz. That means you're a normal girl who is going through the confusing changes of growing up. Sometimes it might feel like you woke up in a whole new world, kind of like Dorothy in the Wizard of Oz. The good news is you're not alone. Melissa and Sissy, the authors of this book, think they can help you figure out some of the big questions in your life. Even if you haven't asked them out loud, chances are you've started to wonder: Who am I? What do I want? What should I do? Who do I want to be? While they're no longer teenagers, Melissa and Sissy remember a bit about what it was like to be 11 or 12, almost a teenager. But more than that, they talk with girls who are a lot like you every day: girls who are feeling confused or overwhelmed, who are feeling like they're changing in ways they don't understand, physically, emotionally.
