all know the kind of person married forever connected with their family and strong friendships that have stood the test of time from all stages of life The people who make friends easily who have someone utterly devoted to them and for whom many would do anything What do they know and do that the rest of us could learn from That s what you ll find in this book If you study people who are so good at relationships you discover it s not about their personality or gender or how self sacrificing they are Those who are great in all relationships usually do have to work at it The secret is that they know exactly where to put their efforts They know the Rules of Love Now updated and expanded with 10 brand new rules The Rules of Love helps you benefit from the simple principles of forming and sustaining strong enduring and ultimately life enhancing relationships
