## Moon Underfoot Jake Crosby 2 Bobby Cole

*Moon Underfoot* Bobby Cole, Robert Cole, 2013-01-15 Eighteen months ago stockbroker Jake Crosby and his daughter Katy narrowly survived a living nightmare at a remote Alabama hunting camp To save Katy Jake killed two men men who were friends and business associates of notorious outlaw and drug runner Ethan Moon Pie Daniels That night Moon Pie made a blood promise of revenge And in Moon Pie s dark world of violence such promises are always kept Jake Crosby doesn t regret what he did that night he knows it was kill or be killed But he can t shake the feeling that the horror isn t over that Katy and his wife Morgan aren t yet safe and that retribution is coming All he knows for sure is that he will do anything everything to protect his family That s a vow the dangerous Moon Pie will put to the ultimate test on a cold moonless night deep in the heart of a river swamp This riveting follow up to Bobby Cole s heart stopping thriller *The Dummy Line* deftly explores the perils of revenge and the profound power of a husband and father s love [The Dummy Line](#) Bobby Cole, 2011 This book was originally published in a slightly different form by Context Publishing Company LLC in 2008 T p verso **Still Here** Alexandra Jacobs, 2019-10-22 One of *The New Yorker* s favorite nonfiction book of 2019 A *New York Times* Book Review Editors Choice Named one of *Vogue* s 17 Books We Can t Wait to Read This Fall Compulsively readable ravenously consuming manna from heaven If ever someone knew how to put a genuinely irresistible book together it s Jacobs in *Still Here* Jeff Simon *The Buffalo News* *Still Here* is the first full telling of Elaine Stritch s life Rollicking but intimate it tracks one of Broadway s great personalities from her upbringing in Detroit during the Great Depression to her fateful move to New York City where she studied alongside Marlon Brando Bea Arthur and Harry Belafonte We accompany Elaine through her jagged rise to fame to Hollywood and London and across her later years when she enjoyed a stunning renaissance punctuated by a turn on the popular television show *30 Rock* We explore the influential and often fraught collaborations she developed with Noel Coward Tennessee Williams and above all Stephen Sondheim as well as her courageous yet flawed attempts to control a serious drinking problem And we see the entertainer triumphing over personal turmoil with the development of her Tony Award winning one woman show *Elaine Stritch at Liberty* which established her as an emblem of spiky independence and Manhattan life for an entirely new generation of admirers In *Still Here* Alexandra Jacobs conveys the full force of Stritch s sardonic wit and brassy charm while acknowledging her many dark complexities Following years of meticulous research and interviews this is a portrait of a powerful vulnerable honest and humorous figure who continues to reverberate in the public consciousness **This is Your Brain on Music** Daniel Levitin, 2019-07-04 From the author of *The Changing Mind* and *The Organized Mind* comes a *New York Times* bestseller that unravels the mystery of our perennial love affair with music What do the music of Bach Depeche Mode and John Cage fundamentally have in common Music is an obsession at the heart of human nature even more fundamental to our species than language From Mozart to the Beatles

neuroscientist psychologist and internationally bestselling author Daniel Levitin reveals the role of music in human evolution shows how our musical preferences begin to form even before we are born and explains why music can offer such an emotional experience In *This Is Your Brain On Music* Levitin offers nothing less than a new way to understand music and what it can teach us about ourselves Music seems to have an almost wilful evasive quality defying simple explanation so that the more we find out the more there is to know Daniel Levitin's book is an eloquent and poetic exploration of this paradox Sting You'll never hear music in the same way again Classic FM magazine Music Levitin argues is not a decadent modern diversion but something of fundamental importance to the history of human development Literary Review

**Everything Man** Shana L. Redmond, 2020-01-10 From his cavernous voice and unparalleled artistry to his fearless struggle for human rights Paul Robeson was one of the twentieth century's greatest icons and polymaths In *Everything Man* Shana L. Redmond traces Robeson's continuing cultural resonances in popular culture and politics She follows his appearance throughout the twentieth century in the forms of sonic and visual vibration and holography theater art and play and the physical environment Redmond thereby creates an imaginative cartography in which Robeson remains present and accountable to all those he inspired and defended With her bold and unique theorization of antiphonal life Redmond charts the possibility of continued communication care and collectivity with those who are dead but never gone

**The Rented Mule** Bobby Cole, Robert Cole, 2014 Cooper Dixon should have it made with a beautiful wife Kelly two great kids and a thriving business the Tower Agency But for Cooper things aren't turning out how he expected He and Kelly are caught in a never ending cycle of arguments Cooper can't remember the last time they had sex And Cooper's troubled business partner Gates Ballenger is scheming to sell the Tower Agency out from under him When a gang of criminals is hired by a mysterious client to kidnap Kelly and set up Cooper to take the fall Cooper's life goes completely off the rails The cops quickly zero in on Cooper as the prime suspect and the combination of an attractive suburban mother workaholic husband and a million dollar insurance policy makes the case primetime television fodder Soon Cooper's face is plastered on every TV screen in the country Cooper races against time to find his wife before the gang turns her over to their client whose plan to take down Cooper is far more sinister than anyone could imagine

**Henry Mancini** John Caps, 2012-02-15 Through film composer Henry Mancini mere background music in movies became part of pop culture an expression of sophistication and wit with a modern sense of cool and a lasting lyricism that has not dated The first comprehensive study of Mancini's music *Henry Mancini Reinventing Film Music* describes how the composer served as a bridge between the Big Band period of World War II and the impatient eclecticism of the Baby Boomer generation between the grand formal orchestral film scores of the past and a modern American minimalist approach Mancini's sound seemed to capture the bright confident welcoming voice of the middle class's new efficient life interested in pop songs and jazz in movie and television in outreach politics but also conventional stay at home comforts As John Caps shows Mancini easily combined it all in his music Mancini wielded influence in Hollywood and

around the world with his iconic scores dynamic jazz for the noirish detective TV show Peter Gunn the sly theme from The Pink Panther and his wistful folk song Moon River from Breakfast at Tiffany s Through insightful close readings of key films Caps traces Mancini s collaborations with important directors and shows how he homed in on specific dramatic or comic aspects of the film to create musical effects through clever instrumentation eloquent musical gestures and meaningful resonances and continuities in his scores Accessible and engaging this fresh view of Mancini s oeuvre and influence will delight and inform fans of film and popular music John Caps is an award winning writer and producer of documentaries He served as producer writer and host for four seasons of the National Public Radio syndicated series The Cinema Soundtrack featuring interviews with and music of film composers He lives in Baltimore Maryland A volume in the series Music in American Life

Generations Neil Howe, William Strauss, 1992-09-30 Hailed by national leaders as politically diverse as former Vice President Al Gore and former House Speaker Newt Gingrich Generations has been heralded by reviewers as a brilliant if somewhat unsettling reassessment of where America is heading William Strauss and Neil Howe posit the history of America as a succession of generational biographies beginning in 1584 and encompassing every one through the children of today Their bold theory is that each generation belongs to one of four types and that these types repeat sequentially in a fixed pattern The vision of Generations allows us to plot a recurring cycle in American history a cycle of spiritual awakenings and secular crises from the founding colonists through the present day and well into this millenium Generations is at once a refreshing historical narrative and a thrilling intuitive leap that reorders not only our history books but also our expectations for the twenty first century

*National American Kennel Club Stud Book*, 1890

**Tom Waits on Tom Waits** Paul Maher, 2011-08-01 Tom Waits even with his barnyard growl and urban hipster yawp may just be what the Daily Telegraph calls him and There is no such thing as nonfiction People who really know what happened aren t talking And the people who don t have a clue you can t shut them up Tom Waits on Tom Waits is a selection of over fifty interviews from the more than five hundred available Here Waits delivers prose as crafted poetic potent and haunting as the lyrics of his best songs

Extended Play John Corbett, 1994 In Extended Play one of the country s most innovative music writers conducts a wide ranging tour through the outer limits of contemporary music Over the course of more than twenty five portraits interviews and essays John Corbett engages artists from lands as distant as Sweden Siberia and Saturn With a special emphasis on African American and European improvisers the book explores the famous and the little known from John Cage and George Clinton to Anthony Braxton and Sun Ra Employing approaches as diverse as the music he celebrates Corbett illuminates the sound and theory of funk and rap blues and jazz contemporary classical free improvisation rock and reggae Using cultural critique and textual theory Corbett addresses a broad spectrum of issues such as the status of recorded music in postmodern culture the politics of self censorship experimentation and alternativism in the music industry and the use of metaphors of space and madness in the work of African American musicians He follows these more theoretically oriented essays with a

series of extensive profiles and in depth interviews that offer contrasting and complementary perspectives on some of the world's most creative musicians and their work. Included here are more than twenty original photographs as well as a meticulously annotated discography. The result is one of the most thoughtful and most entertaining investigations of contemporary music available today. [Rushford and Rushford People](#) Helen Josephine White Gilbert, 1910 [Prophet Singer](#) Mark Allan Jackson, 2007 This intelligent and thoroughly researched text examines the cultural and political significance of the words and music of folk singer Woodrow Wilson Woody Guthrie [Copper Sun](#) Sharon M. Draper, 2012-06-19 A Time Best YA Book of All Time 2021 In this searing work of historical fiction Booklist Coretta Scott King Award winning author Sharon M Draper tells the epic story of a young girl torn from her African village sold into slavery and stripped of everything she has ever known except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a birthday present. Now survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away, and sometimes Amari wonders how far hopes and dreams can really take her. [The Thirteen American Arguments](#) Howard Fineman, 2008-04-22 Howard Fineman is one of our best known and most trusted political journalists. Mixing vivid scenes and figures from the campaign trail with forays into four hundred years of American history, Fineman shows that every debate from our nation's founding to the present day is rooted in one of thirteen arguments that thankfully defy resolution. It is the very process of never ending argument, Fineman explains, that defines us, inspires us, and keeps us free. At a time when most public disagreement seems shrill and meaningless, Fineman makes a cogent case for nurturing the real American dialogue. Shouting is not arguing, Fineman notes, but often hot button topics, media cross fires, and blogs reflect the deepest currents in American life. In an enlightening book that cuts through the din and makes sense of the headlines, Fineman captures the essential issues that have always compelled healthy and heated debate and must continue to do so in order for us to prosper in the twenty first century. [The Thirteen American Arguments](#) run the gamut from issues of individual identity to our country's role in the world, including Who is a Person, The Declaration of Independence says everyone but it took a Civil War and the Civil Rights and other movements to make that a reality. Presently, what about human embryos and unlawful enemy combatants? Who is an American? Only a nation of immigrants could argue so much about who should become

one There is currently added urgency when terrorists are at large in the world and twelve million undocumented aliens are in the country The Role of Faith No country is more legally secular yet more avowedly prayerful From Thomas Jefferson to Terri Schiavo we can never quite decide where God fits in government Presidential Power In a democracy leadership is all the more difficult and paradoxically all the more essential From George Washington to George W Bush we have always asked How much power should a president have America in the World Uniquely we perpetually ask ourselves whether we have a moral obligation to change the world or alternatively whether we must try to change it to survive in it Whether it s the environment international trade interpreting law Congress vs the president or reformers vs elites these are the issues that galvanized the Founding Fathers and should still inspire our leaders thinkers and citizens If we cease to argue about these things we cease to be Argument is strength not weakness says Fineman As long as we argue there is hope and as long as there is hope we will argue *Parallel Tracks* Lynne Kirby,1997 In wide ranging and provocative analyses of dozens of silent films icons of film history like *The General* and *The Great Train Robbery* as well as many that are rarely discussed Kirby examines how trains and rail travel embodied concepts of spectatorship and mobility grounded in imperialism and the social sexual and racial divisions of modern Western culture **Led Zeppelin** Alan Clayson,2006 Esteemed music historian Alan Clayson traces every session recording and live appearance made by each future member of Led Zeppelin and woven the results into a rich and insightful text containing a factually accurate family tree of the future band and all their musical and professional colleagues A fascinating view of the influences absorbed by the four musicians who would go on to form the greatest rock band of all time and a detailed insight into the workings of the industry at a time when it was producing some of the most famous groups in music history **The Encyclopedia of Dead Rock Stars** Jeremy Simmonds,2012-11-01 The bible of music s deceased idols Jeff Buckley Sid Vicious Jimi Hendrix Tupac Elvis this is the ultimate record of all those who arrived rocked and checked out over the last 40 odd years of fast cars private jets hard drugs and reckless living The truths behind thousands of fascinating stories such as how Buddy Holly only decided to fly so he d have time to finish his laundry are coupled with perennial questions including Which band boasts the most dead members and Who had the bright idea of changing a light bulb while standing in the shower as well as a few tales of lesser known rock tragedies Updated to include all the rock deaths since the previous edition including Ike Turner Dan Fogelberg Bo Diddley Isaac Hayes Eartha Kitt Michael Jackson Clarence Clemons Amy Winehouse and many many more this new edition has been comprehensively revised throughout An indispensable reference full of useful and useless information with hundreds of photos of the good the bad and the silly this collection is guaranteed to rock the world of trivia buffs and diehards alike **The Lonely Planet Boy** Barney Hoskyns,1995 A romance in England between a music critic and a rock singer He is Kip a nobody from the provinces she is Mina an international vamp and her nihilism fascinates him When Mina undergoes a conversion to the straight and narrow Kip nearly goes crazy By the author of *Across the Great Divide* *Kind of Blue* Ashley Kahn,2002 Now in paperback and

illustrated with vintage photos Kind of Blue is a small treasure The New Yorker and the bestselling account of the creation of a jazz classic 50 photos
