Presentation Silence the highest region of our soul Of all languages silence is that of perfection because it is the expression of our spirit that prompts us to review our life to reflect on it and to learn from it All this work of detachment simplification and synthesis leads us to the true understanding of things which is the essential goal of all spiritual practice How wrong we are to think that silence denotes emptiness nothingness the absence of all activity or creation In reality there is more than one kind of silence the silence of death and the silence of a higher degree of life It is this silence that of the higher degree of life that concerns us here and that we must try to understand This is not the silence of inertia on the contrary it is the stillness that surrounds a work of great intensity taking place in a climate of perfect harmony Nor is it emptiness or absence on the contrary it is fullness a fullness comparable to that experienced by two human beings who love each other very deeply and share something that cannot be expressed in words or gestures Silence is a quality of the inner life Omraam Mikhaël Aïvanhov Table of contents 1 Noise and Silence 2 Achieving Inner Silence 3 Leave Your Cares at the Door 4 Make Your Meals an Exercise in Silence 5 Silence a Reservoir of Energies 6 The Inhabitants of Silence 7 Harmony the Essential Condition for Inner Silence 8 Silence the Essential Condition for Thought 9 The Quest for Silence is the Quest for the Centre 10 Speech and the Logos 11 A Master Speaks in Silence 12 The Voice of Silence is the Voice of God 13 The Revelations of a Starry Sky 14 A Silent Room
