A Load of Balls Dec 31 2023 As former England striker and television pundit Jimmy Greaves famously said, football is 'a funny old game'. In *A Load of Balls: Football's Funny Side*, John Scally confirms the truth of his statement by providing a potpourri of double entendres, timeless quips and amusing anecdotes from the tongues of football's elite. Hundreds of silly stories and priceless nuggets have been sourced to recreate the unique excitement, drama and unpredictability of football in the words of the sport's practitioners. The result is a wry, quirky and sometimes outlandish catalogue of comic creations. For lovers of the absurd, outrageous and totally bizarre, this selection of stories and quotes will amuse and delight. Packed with priceless gaffes from the likes of David Beckham ('My parents have been there for me since I was about seven'), Bobby Robson ('We didn't underestimate them; they were just a lot better than we thought') and Paul Gascoigne ('I've never made any predictions about anything and I never will'), this hilarious collection is guaranteed to tickle the funny bone of even the most casual sports fan.

A Load of Old Tripe Oct 29 2023 For eleven-year old James Joseph Johnson (or Jimmy for short) life is not always straightforward. In fact, things

can be quite complicated, and don't always turn out as he'd planned . . . Born in 1946, Jimmy lives with his Mum and Dad in a shiny red brick terraced house in South Yorkshire near the steel works. Sometimes the air is thick and metallic tasting, with bits of soot floating around like little black snowflakes. Despite all this, Jimmy wouldn't want to live anywhere else. His very best friend, Ignatius Plunkett, is a scrawny boy with a sharp beak of a nose, ears like jug handles and a mop of jet black hair. Micky is his rather 'posh' friend from the big houses down the road. The boys get into a few scrapes in the year leading up to the eleven-plus exams, but will they come out on top in the end? Will Jimmy survive a week looking after Butch, the temperamental, barrel-bodied bull terrier? Will the truth about the trip to buy Dad's tripe ever come out? What really happens to Jimmy's Mum's coffee and walnut cake, and will the mystery of the missing locket ever get solved?

Cop a Load of This: The Life Story of a Met Cop Feb 01 2024 An honest and true reflection of a life from childhood to retirement. An account of growing up in the 1950's and 1960's on the borders of Middlesex and Hertfordshire. Remembering School times at a tough all boy's school in Enfield with good and bad experiences. A career in the police. A look at life in the Hertfordshire Constabulary Police cadet corps in the late 60's and as a constable in the early 70's with some funny and traumatic tales. Time spent on the Tactical Patrol Group. Getting married and transferring to the Metropolitan Police. Experiences of dealing with the public in a variety of situations. Attending riot situations in Brixton, Tottenham, Finsbury Park and central London at demonstrations. Promotion to Sergeant and experiences at Holloway and Highbury Police Stations. More riot situations and the Miners dispute. Responsibilities for training new recruits on the streets. Times as a trainer at Hendon Police training school in a variety of roles and subsequently at an Area training unit. Working for the National Blood Service and an agency trainer at other police forces. Training manager at two major suppliers of training courses. Amateur dramatics, tap dancing and being Santa.

Complete Handy Atlas of the World and City Guide Feb 26 2021

A Load of Old Bones Apr 03 2024 All the Reverend Francis Oughterd had ever wanted was some peace and quiet, instead he becomes entangled in a nightmare world of accidental murder, predatory female parishioners, officious policemen and a drunken bishop. As the vicar's life spirals out of control it is his supercilious cat, Maurice, and bone obsessed hound, Bouncer, who save the day. *A Load of Old Bones* is a charming and farcical romp through a 1950's mythical Surrey. Praise for Suzette A. Hill: 'Perfect one-sitting summer read.' Laura Wilson, Guardian 'E F Benson crossed with Jerome K Jerome' The Times audiobooks review 'Quite why this series should be charming, astringent and witty, instead of emetically twee, I am not sure, but it is entirely delightful' Guardian 'This dry, funny British gem, with its eccentric cast of characters, will have readers laughing and eagerly awaiting the next episode' Publishers Weekly

Take a Load Off Your Heart Mar 22 2023 Provides practical guidelines for improving one's cardiac health, covering such topics as exercise, stress management, nutrition, weight loss, aspirin therapy, and cholesterol and other cardiac disease markers.

A Load of Old Balls Mar 02 2024 SHORTLISTED FOR THE CHARLES TYRWHITT SPORTS BOOK AWARDS ' Top Bins! A personal best, a lap record and a hole in one for when rain has stopped play.' ALAN DAVIES 'The trivia book of the season . . . magnificent.' SPECTATOR Did you know that Henry VIII owned the first pair of football boots? Or that David Attenborough is responsible for yellow tennis balls? A Load of Old Balls is the curious story of us and sport. It's about our mind-blowingly determined attempts to be the fastest, the strongest, the most skilful. In this endlessly entertaining tale of play and belonging, astonishing violence and jaw-dropping cheating, we learn what led ancient Egyptian athletes to have their spleens removed and discover why Michael Palin was disqualified from a conker tournament. Crossing millennia, continents and cultures, Harkin and Ptaszynski - the brainy researchers for BBC's QI and co-hosts of No Such Thing As A Fish -show us sport as we've never seen it before. ** Published in hardback as Everything to Play For. ** For more from the team behind QI's hit TV show, check out the QI FACTS series of books, @wikipedia, their weekly podcast at nosuchthingasafish.com or visit qi.com.

The Man with a Load of Mischief Jun 05 2024 From bestselling author Martha Grimes, Detective Chief Inspector Richard Jury is back on the case in an installment in the Richard Jury Mystery series. Long Piddleton had always been wary of newcomers. But the quiet town was stunned when the first stranger was found dead, upended in a butt of ale in the cellar of the Men with a Load of Mischief. Then the second body appeared, swinging in place of the mechanical man above the door of the Jack and Hammer. Suddenly Long Piddleton had good reason to be wary of everyone! Its cozy pubs and inns with their polished pewter and blazing hearths had become scenes of the most bizarre crimes. Who were the victims? And who was the murderer? A stranger? A maniac? Or the disarmingly friendly man next door?

A Load of Bullshit Jul 14 2022

a Load of Toss Sep 27 2023 Volume one of the comic writings of Toss, contains plays, musicals, and performance poetry that was the very rude comedy group Mr.Parrott.Includes the complete 'Gospels According to Parrott'Most definately not suitable for children

About Three Bricks Shy of a Load Apr 30 2021 Now celebrating its fortieth anniversary, Roy Blount Jr.'s classic account of the 1973 Pittsburgh Steelers—a team on the cusp of once-in-a-generation greatness The Pittsburgh Steelers of the 1970s are mentioned in any conversation about the greatest dynasties in NFL history. A year before Pittsburgh's first Super Bowl victory launched a decade of domination, Roy Blount Jr. spent a season traveling with the team, recording the ups and downs, both large and small, in the lives of men who would soon reach the pinnacle of success in their sport. He covers everything from the birth of the "Steel Curtain" defense to the unique connection the people of Pittsburgh had with their hard-nosed team. Interspersed with vivid depictions of players like Terry Bradshaw, "Mean" Joe Greene, and Ernie "Fats" Holmes, as well as the team owners, the Rooney clan, About Three Bricks Shy of a Load harks back to a bygone era when offensive linemen could weigh about the same as the backs they blocked for, when the highest-paying team's highest-paid player—Bradshaw—made \$400,000, and when one team was able to win four Super Bowls in six years—a feat that remains unrivaled today. Uproariously funny and brilliantly written, About Three Bricks Shy of a Load was named one of the Top 100 Sports Books of All Time by Sports Illustrated.

Automotive Industries Aug 03 2021 Vols. for 1919- include an Annual statistical issue (title varies).

A Load of Hooley Jul 06 2024 Bob Odenkirk is a legend in the comedy-writing world, winning Emmys and acclaim for his work on Saturday Night Live, Mr. Show with Bob and David, and many other seminal TV shows. This book, his first, is a spleen-bruisingly funny omnibus that

ranges from absurdist monologues (“Martin Luther King, Jr’s Worst Speech Ever”) to intentionally bad theater (“Hitler Dinner Party: A Play”); from avant-garde fiction (“Obituary for the Creator of Madlibs”) to free-verse poetry that’s funnier and more powerful than the work of Calvin Trillin, Jewel, and Robert Louis Stevenson combined. Odenkirk’s debut resembles nothing so much as a hilarious new sketch comedy show that’s exclusively available as a streaming video for your mind. As Odenkirk himself writes in “The Second Coming of Jesus and Lazarus,” it is a book “to be read aloud to yourself in the voice of Bob Newhart.”

Practical Load Balancing Mar 10 2022 The emergence of the cloud and modern, fast corporate networks demands that you perform judicious balancing of computational loads. Practical Load Balancing presents an entire analytical framework to increase performance not just of one machine, but of your entire infrastructure. Practical Load Balancing starts by introducing key concepts and the tools you’ll need to tackle your load-balancing issues. You’ll travel through the IP layers and learn how they can create increased network traffic for you. You’ll see how to account for persistence and state, and how you can judge the performance of scheduling algorithms. You’ll then learn how to avoid performance degradation and any risk of the sudden disappearance of a service on a server. If you’re concerned with running your load balancer for an entire network, you’ll find out how to set up your network topography, and condense each topographical variety into recipes that will serve you in different situations. You’ll also learn about individual servers, and load balancers that can perform cookie insertion or improve your SSL throughput. You’ll also explore load balancing in the modern context of the cloud. While load balancers need to be configured for high availability once the conditions on the network have been created, modern load balancing has found its way into the cloud, where good balancing is vital for the very functioning of the cloud, and where IPv6 is becoming ever more important. You can read Practical Load Balancing from end to end or out of sequence, and indeed, if there are individual topics that interest you, you can pick up this book and work through it once you have read the first three chapters.
