*Imagine Heaven* Jan 30 2024 It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they

live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Heaven Is for Real Jul 24 2023 A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. *Heaven Is for Real* is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how "reaaaally big" God and his chair are, and how the Holy Spirit "shoots down power" from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

**Heaven and Hell** Oct 15 2022 Over half of Americans believe in a literal heaven, in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. Ehrman shows that eternal rewards and punishments are found nowhere in the Old Testament, and are not what Jesus or his disciples taught. He recounts the long history of the afterlife, ranging from *The Epic of Gilgamesh* up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. Ehrman shows that competing views were intimately connected with the social, cultural, and historical worlds out of which they emerged. -- adapted from jacket

**Heaven and Hell** Dec 17 2022 In his most popular and influential work,

*Paradise Mislaid* Jan 06 2022 The Christian concept of heaven flourished for almost two millennia, but it has lost much of its power in the last hundred years. Indeed today even theologians tend to avoid the topic. But heaven has always been a central tenet of the Christian faith, writes Jeffrey Burton Russell. If there is no heaven, no resurrection of the dead, the entire Christian story makes no sense. In this stimulating book, Russell sets out to rehabilitate heaven by forcefully attacking a series of ideas that have made belief in heaven, not to mention belief in God,

increasingly difficult for modern people. Russell provides elegant and persuasive refutations of arguments ranging from the idea that science has disproved the existence of the supernatural, to the notion that biblical criticism has emptied the scripture of meaning. Along the way, as Russell looks at the ideas of Charles Darwin and Herbert Spencer, Mark Twain and Alfred Lord Tennyson, Marx and Freud, and a host of others, he sheds light not only on the history of Christian thought, but on the process of secularization in the West. One by one, Russell refutes these anti-religious ideologies, pinpointing the deficiencies of their reasoning. Throughout the book, Russell invites the reader, whatever his or her beliefs, to take the concept of heaven seriously both as a worldview in itself and as one with enormous influence on the world. It is a book that will be welcomed by thinking Christians, who often feel beleaguered by the forces of modernity and sometimes find it hard to defend their own beliefs.

The Book of Heaven Dec 29 2023 From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if "a woman's point of view" were also God's? Patricia Storace's *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

**The Millennium Heaven on Earth** Dec 05 2021 The title of this book is based on Bible prophecies in the Old and New Testaments. Daniel 7:13-14 and Isaiah 2:4 are two of the many prophecies in the Old Testament. In the New Testament in Matthew 6:10, Jesus taught his

disciples to pray for God's will "to be done on earth as it is in heaven." In Revelation 20:4 states about the reign of JESUS CHRIST for a 1000 years THE MILLENNIUM. In Revelation 20:1-3, the scriptures say God is going to lock Satan, the devil, up for a thousand years. This is when the millennium will come to the planet Earth-Paradise Restored. From this verse, we get the word millennium, Latin for "one thousand," the kingly rule of God by Jesus and the resurrected saints, the kingdom of heaven on planet Earth. In the millennium, crime, sickness, pain, and suffering are gone. Poverty and corruption and even prisons and funeral homes will be eventually eliminated during this one thousand years (Rev. 21:4-5).

*The Eclipse of Heaven* Nov 15 2022 "We live in a World no longer under heaven. At least in most people's minds and imaginations that vision of reality has become little more than a caricature, conjuring up the saints and angels of baroque frescoes. And in the church only a hint remains of the power it once exercised in the hearts of believers". So begins A. J. Conyers in this provocative book, and suggests that the eclipse of heaven has resulted in a shallower view of life and death, in a loss of cultural and individual purpose, and in moral disarray.
