Miss Anne In Harlem The White Women Of Black Renaissance Carla Kaplan

Miss Anne in Harlem Carla Kaplan, 2013-09-10 Celebrated scholar Carla Kaplan's cultural biography *Miss Anne in Harlem The White Women of the Black Renaissance* focuses on white women collectively called Miss Anne who became Harlem Renaissance insiders The 1920s in New York City was a time of freedom experimentation and passion with Harlem at the epicenter White men could go uptown to see jazz and modern dance but women who embraced black culture too enthusiastically could be ostracized *Miss Anne in Harlem* focuses on six of the unconventional free thinking women some from Manhattan high society many Jewish who crossed race lines and defied social conventions to become a part of the culture and heartbeat of Harlem Ethnic and gender studies professor Carla Kaplan brings the interracial history of the Harlem Renaissance to life with vivid prose extensive research and period photographs Zora Neale Hurston Carla Kaplan, Ph.D., 2007-12-18 I mean to live and die by my own mind Zora Neale Hurston told the writer Countee Cullen Arriving in Harlem in 1925 with little more than a dollar to her name Hurston rose to become one of the central figures of the Harlem Renaissance only to die in obscurity Not until the 1970s was she rediscovered by Alice Walker and other admirers Although Hurston has entered the pantheon as one of the most influential American writers of the 20th century the true nature of her personality has proven elusive Now a brilliant complicated and utterly arresting woman emerges from this landmark book Carla Kaplan a noted Hurston scholar has found hundreds of revealing previously unpublished letters for this definitive collection she also provides extensive and illuminating commentary on Hurston's life and work as well as an annotated glossary of the organizations and personalities that were important to it From her enrollment at Baltimore's Morgan Academy in 1917 to correspondence with Marjorie Kinnan Rawlings Langston Hughes Dorothy West and Alain Locke to a final query letter to her publishers in 1959 Hurston's spirited correspondence offers an invaluable portrait of a remarkable irrepressible talent *Kind of Kin* Rilla Askew, 2013-01-08 In *Kind of Kin* by award winning author Rilla Askew when a church going community loved family man is caught hiding a barn full of illegal immigrant workers he is arrested and sent to prison This shocking development sends ripples through the town dividing neighbors causing rifts amongst his family and spurring controversy across the state Using new laws in Oklahoma and Alabama as inspiration *Kind of Kin* is a story of self serving lawmakers and complicated lawbreakers Christian principle and political scapegoating Rilla Askew's funny and poignant novel explores what happens when upstanding people are pushed too far and how an ad hoc family and ultimately an entire town will unite to protect its own **Girl in Black and White: The Story of Mary Mildred Williams and the Abolition Movement** Jessie Morgan-Owens, 2019-03-12 An engrossing narrative history Joanna Scutts The Lily of the enslaved girl whose photograph transformed the abolition movement When a decades long court battle resulted in her family's freedom in 1855 seven year old Mary Mildred Williams unexpectedly became the face of American slavery Due to

generations of sexual violence Mary's skin was so light she passed as white a fact abolitionist Senator Charles Sumner knew would be the key to his white audience's sympathy *Girl in Black and White* restores Mary to her rightful place in history probing issues of colorism and racial politics New York Times Book Review that still affect us profoundly today **The Erotics of Talk** Carla Kaplan, 1996 African American women's texts she demonstrates often dramatize their distrust of their readers their lack of faith in the cultural conversation through strategies of self-silencing and self-talk At the same time she argues the homoerotics of women's writing has too often gone unremarked Not only does longing for an ideal listener draw women's texts into a romance with the reader but there is an erotic excess which is part of feminist critical recuperation itself **Passing** Nella Larsen, 2022 Harlem Renaissance author Nella Larsen 1891-1964 published just two novels and three short stories in her lifetime but achieved lasting literary acclaim Her classic novel *Passing* first appeared in 1926

Zora Neale Hurston's Final Decade Virginia Lynn Moylan, 2011 Moylan founding member of the Fort Pierce Fla Annual Zora Festival draws heavily on two texts Valerie Boyd's biography *Wrapped in Rainbows* and Carla Kaplan's edition of Hurston's letters *Zora Neale Hurston: A Life in Letters* supplemented by a number of interviews with the employers acquaintances and friends of Hurston's last decade After a brief biographical sketch of Hurston's early years Moylan addresses the false child molestation charges that even after they were recanted left Hurston's reputation in tatters and her very controversial in Moylan's words eccentric objections to *Brown v Board of Education* and desegregation on the grounds that in her perspective racial uplift would come by individual effort alone Hurston's final creative projects her development of an anthropologically correct black baby doll and planned biography of King Herod attest to how the famously idiosyncratic and iconoclastic writer remained deeply unpredictable and fascinating and that her lost years merit a thoughtful and thorough biography **Wrapped in Rainbows** Valerie Boyd, 2003 Traces the career of the influential African American writer citing the historical backdrop of her life and work while considering her relationships with and influences on top literary intellectual and artistic figures **Black No More** George S. Schuyler, 2012-03-08 A satirical approach to debunking the myths of white supremacy and racial purity this 1931 novel recounts the consequences of a mysterious scientific process that transforms black people into whites **Women of the Harlem Renaissance** Cheryl A. Wall, 1995-09-22 Wall's writing is lively and exuberant She passes her enthusiasm for these writers' works on to the reader She captures the mood of the times and follows through with the writers' evolution sometimes to success other times to isolation *Women of the Harlem Renaissance* is a rare blend of thorough academic research with writing that anyone can appreciate Jason Zappe Copley News Service By connecting the women to one another to the cultural movement in which they worked and to other early 20th century women writers Wall deftly defines their place in American literature Her biographical and literary analysis surpasses others by following up on diverse careers that often ended far past the end of the movement Highly recommended Library Journal Wall offers a wealth of information and insight on their work lives and

interaction with other writers strong critiques Publishers Weekly The lives and works of women artists in the Harlem Renaissance Jessie Redmon Fauset Nella Larsen Zora Neale Hurston Bessie Smith and others Their achievements reflect the struggle of a generation of literary women to depict the lives of Black people especially Black women honestly and artfully

The "Pet Negro" system Zora Neale Hurston,2019-04-18 SOC031000 **Zora and Langston: A Story of Friendship and Betrayal** Yuval Taylor,2019-03-26 A Finalist for the 2019 Los Angeles Times Book Prize in Biography A complete pleasure to read Lisa Page Washington Post Novelist Zora Neale Hurston and poet Langston Hughes two of America s greatest writers first met in New York City in 1925 Drawn to each other they helped launch a radical journal Fire Later meeting by accident in Alabama they became close as they traveled together Hurston interviewing African Americans for folk stories Hughes getting his first taste of the deep South By illuminating their lives work competitiveness and ambitions Yuval Taylor savvily details how their friendship and literary collaborations dead ended in acrimonious accusations **Gilded Age Cocktails** Cecelia Tichi,2021-05-04 A delightful romp through America s Golden Age of Cocktails The decades following the American Civil War burst with invention they saw the dawn of the telephone the motor car electric lights the airplane but no innovation was more welcome than the beverage heralded as the cocktail The Gilded Age as it came to be known was the Golden Age of Cocktails giving birth to the classic Manhattan and martini that can be ordered at any bar to this day Scores of whiskey drinks cooled with ice chips or cubes that chimed against the glass proved doubly pleasing when mixed shaken or stirred with special flavorings juices and fruits The dazzling new drinks flourished coast to coast at sporting events luncheons and balls on ocean liners and yachts in barrooms summer resorts hotels railroad train club cars and private homes From New York to San Francisco celebrity bartenders rose to fame inventing drinks for exclusive universities and exotic locales Bartenders poured their liquid secrets for dancing girls and such industry tycoons as the newspaper mogul William Randolph Hearst and the railroad king Commodore Cornelius Vanderbilt Cecelia Tichi offers a tour of the cocktail hours of the Gilded Age in which industry innovation and progress all take a break to enjoy the signature beverage of the age Gilded Age Cocktails reveals the fascinating history behind each drink as well as bartenders formerly secret recipes Though the Gilded Age cocktail went underground during the Prohibition era it launched the first of many generations whose palates thrilled to a panoply of artistically mixed drinks **In Search of Nella Larsen** George Hutchinson,2009-07-01 Born to a Danish seamstress and a black West Indian cook in one of the Western Hemisphere s most infamous vice districts Nella Larsen 1891 1964 lived her life in the shadows of America s racial divide She wrote about that life was briefly celebrated in her time then was lost to later generations only to be rediscovered and hailed by many as the best black novelist of her generation In his search for Nella Larsen the mystery woman of the Harlem Renaissance George Hutchinson exposes the truths and half truths surrounding this central figure of modern literary studies as well as the complex reality they mask and mirror His book is a cultural biography of the color line as it was lived by one person who truly embodied all of its ambiguities and complexities

Author of a landmark study of the Harlem Renaissance Hutchinson here produces the definitive account of a life long obscured by misinterpretations fabrications and omissions He brings Larsen to life as an often tormented modernist from the trauma of her childhood to her emergence as a star of the Harlem Renaissance Showing the links between her experiences and her writings Hutchinson illuminates the singularity of her achievement and shatters previous notions of her position in the modernist landscape Revealing the suppressions and misunderstandings that accompany the effort to separate black from white his book addresses the vast consequences for all Americans of color line culture s fundamental rule race trumps family

Quicksand Nella Larsen,2020 Noted Harlem Renaissance scholar Carla Kaplan here offers a new edition of Nella Larsen s Quicksand with an acute introduction comprising both biography and critical survey With its careful scholarly scaffolding this superbly useful edition will benefit teacher and student alike

RAFIA ZAFAR Washington University in Saint Louis

Going Clear Lawrence Wright,2013-01-17 NATIONAL BESTSELLER NATIONAL BOOK AWARD AND NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST From the Pulitzer Prize winning author of The Looming Tower comes an utterly necessary story The Wall Street Journal that pulls back the curtain on the church of Scientology one of the most secretive organizations at work today The Basis for the HBO Documentary Scientology presents itself as a scientific approach to spiritual enlightenment but its practices have long been shrouded in mystery Now Lawrence Wright armed with his investigative talents years of archival research and more than two hundred personal interviews with current and former Scientologists uncovers the inner workings of the church We meet founder L Ron Hubbard the highly imaginative but mentally troubled science fiction writer and his tough driven successor David Miscavige We go inside their specialized cosmology and language We learn about the church s legal attacks on the IRS its vindictive treatment of critics and its phenomenal wealth We see the church court celebrities such as Tom Cruise while consigning its clergy to hard labor under billion year contracts Through it all Wright asks what fundamentally comprises a religion and if Scientology in fact merits this Constitutionally protected label

The Devil That Never Dies Daniel Jonah Goldhagen,2013-09-03 A groundbreaking and terrifying examination of the widespread resurgence of antisemitism in the 21st century by the prize winning and 1 internationally bestselling author of Hitler s Willing Executioners Antisemitism never went away but since the turn of the century it has multiplied beyond what anyone would have predicted It is openly spread by intellectuals politicians and religious leaders in Europe Asia the Arab world America and Africa and supported by hundreds of millions more Indeed today antisemitism is stronger than any time since the Holocaust In The Devil that Never Dies Daniel Jonah Goldhagen reveals the unprecedented global form of this age old hatred its strategic use by states its powerful appeal to individuals and groups and how technology has fueled the flames that had been smoldering prior to the millennium A remarkable work of intellectual brilliance moral stature and urgent alarm The Devil that Never Dies is destined to be one of the most provocative and talked about books of the year No other writer has held mass murderers deniers of truth and propagators of hate to a higher

standard of moral accountability than Daniel Jonah Goldhagen *The Devil That Never Dies* doubtlessly will shatter the way people think about antisemitism [Huffington Post](#) **The Cambridge Companion to the Harlem Renaissance** George Hutchinson, 2007-06-14 This 2007 Companion is a comprehensive guide to the key authors and works of the African American literary movement [Imitation of Life](#) Fannie Hurst, 2004-12-07 A reprint of the 1933 classic novel the basis for two film versions with a new introduction *The Peabody Sisters* Megan Marshall, 2006-05-11 Pulitzer Prize Finalist A stunning work of biography about three little known New England women who made intellectual history *The New York Times* Elizabeth Mary and Sophia Peabody were in many ways the American Brontës The story of these remarkable sisters and their central role in shaping the thinking of their day has never before been fully told Twenty years in the making Megan Marshall's monumental biography brings the era of creative ferment known as American Romanticism to new life Elizabeth Peabody the oldest sister was a mind on fire influence on the great writers of the era Emerson Hawthorne and Thoreau among them who also published some of their earliest works it was she who prodded these newly minted Transcendentalists away from Emerson's individualism and toward a greater connection to others Middle sister Mary Peabody was a passionate reformer who finally found her soul mate in the great educator Horace Mann And the frail Sophia an admired painter among the preeminent society artists of the day married Nathaniel Hawthorne but not before Hawthorne threw the delicate dynamics among the sisters into disarray Casting new light on a legendary American era and on three sisters who made an indelible mark on history Marshall's unprecedented research uncovers thousands of never before seen letters as well as other previously unmined original sources A massive enterprise *The Peabody Sisters* is an event in American biography *The New York Times Book Review* Marshall's book is a grand story where male and female minds and sensibilities were in free fruitful communion even if men could exploit this cultural richness far more easily than women *The Washington Post* Marshall has greatly increased our understanding of these women and their times in one of the best literary biographies to come along in years *New England Quarterly*
