Falling For My Mate's Alpha Summers,2023-05-19 I was torn from my shattered life claimed by someone who referred to me as their mate only to find myself falling for another The one I should fear and hide from the Alpha But how could I resist when the very monster that haunted my nightmares turned out to be my mate I used to take pride in my self control but now with this growing mate bond inside me restraint seemed impossible The desperation in my core became an unwinnable battle and I grew tired of the constant fight I was weary of keeping this hidden part of myself locked away Leaning back I searched his gaze for something a response to a question I couldn't articulate Despite my yearning to push him away to long for the Alpha's touch instead it was my mate's caress that brought me back to the present Electric tingles danced across my skin and anticipation caused my core to tighten waiting for what would come next In a moment I never anticipated I uttered the one thing I never wanted to say Don't stop Never my mate growled in response *Falling for My Mate's Alpha* is a dark fantasy romance that explores deep desires and complex emotions while also containing multiple triggers This is book 1 of the werewolf story
