The Ocean Challenge Badge Food and Agriculture Organization of the United Nations,2018-05-08 The ocean covers 70 percent of the Earth s surface and is essential for life on our planet even for those of us who live nowhere near the sea It provides us all with food and other materials that we need regulates our climate and provides half of the oxygen we breathe The ocean also offers us various means of transport and opportunities for recreation People have long thought that the ocean was so wide and bountiful that it would go on supplying our needs forever but this is not the case human activities are causing significant damage to life in the ocean People are often unaware of the problems created by this heavy reliance as few of us have the opportunity to look beneath the surface of the sea and see the damage that our actions have caused This is where the Ocean Challenge Badge comes in let it take you on a journey to discover the ocean It is packed with activities to help you learn about how the ocean works the creatures that live in it and just how important it is in our everyday lives You will also discover how YOU can play a role in protecting our ocean for future generations We hope you will be inspired to take the challenge and celebrate our ocean So dive in and begin your aquatic discoveries

Soils Challenge Badge Food and Agriculture Organization of the United Nations,2018-05-04 Soil is essential for life it provides nutrients water and minerals to plants and trees and is home to millions of insects bacteria and small animals Without soil we would not be able to grow any crops or other useful plants support any livestock or have materials for building shelter soil really is a life giver Healthy soils also store and filter water recycle nutrients and help us to deal with the negative effects of climate change by storing large amounts of carbon But our soils are at risk negative actions such as pollution and bad agricultural

practices leave our soils exposed and damaged We need healthy soils to support human well being and a healthy planet This is where the Soils Challenge Badge comes in let it take you on a journey to discover the ground beneath your feet This booklet is packed with activities to help you learn about soil and how it is formed the creatures that live in it and just how important it is in our everyday lives You will also discover how YOU can play a role in protecting soils for future generations We hope you will be inspired to take the challenge and celebrate our planet s soils Dig in

want **The Challenge of Slums** United Nations Human Settlements Programme,2012-05-23 The Challenge of Slums presents the first global assessment of slums emphasizing their problems and prospects Using a newly formulated operational definition of slums it presents estimates of the number of urban slum dwellers and examines the factors at all level from local to global that underlie the formation of slums as well as their social spatial and economic characteristics and dynamics It goes on to evaluate the principal policy responses to the slum challenge of the last few decades From this assessment the immensity of the challenges that slums pose is clear Almost 1 billion people live in slums the majority in the developing world where over 40 per cent of the urban population are slum dwellers The number is growing and will continue to increase unless there is serious and concerted action by municipal authorities governments civil society and the international community This report points the way forward and identifies the most promising approaches to achieving the United Nations Millennium Declaration targets for improving the lives of slum dwellers by scaling up participatory slum upgrading and poverty reduction programmes The Global Report on Human Settlements is the most authoritative and up to date assessment of conditions and trends in the world s cities Written in clear language and supported by informative graphics case studies and extensive statistical data it will be an essential tool and reference for researchers academics planners public authorities and civil society organizations around the world *Marine and Coastal Protected Areas* Rodney V. Salm,John R. Clark,Erkki Siirila,2000 This is a new edition of the classic textbook on marine protected area MPA management in the tropics originally produced as an output of the Bali World Parks Congress in 1982 Approaches to planning and managing MPAs have evolved considerably Major advances include innovative financing mechanisms partnerships with the private sector and NGOs and collaborative management between government and coastal communities These advances have brought new approaches for MPA establishment and management that are more participatory involving communities through interaction and collaboration rather than prescription With new case studies and illustrations the guide comes in a water resistant cover for field use It is intended for those who plan individual and or national MPA systems and gives philosophical context for MPAs along with some basic principles and approaches *The Diaries of Adam and Eve* Mark Twain,2015-09-28 What if Adam and Eve Had a Diary He talks very little Perhaps it is because he is not bright and is sensitive about it and wishes to conceal it It is such a pity that he should feel so for brightness is nothing It is in the heart that the values lie I wish I could make him understand that a loving good heart is riches and riches is enough and that without it intellect is poverty Mark Twain Eve s Diary Mark Twain s short stories aren t about his religious beliefs In fact the Diaries of Adam and Eve should be taken with a grain of salt as they are humorous and witty and describe in a unique way the relationship between two human beings man and woman who eventually end up falling in love with each other Xist Publishing is a digital first publisher Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading no matter what form it takes *The Risk Mitigation Value of the Transportation*
