Official ACT Prep Guide 2018 by ACT Inc The Black Book is a clear concise roadmap to the ACT See the selected highlights below It explains exactly how every ACT question works and how to beat it in the least time possible Selected Highlights from the ACT Prep Black Book The important differences between the ACT and a normal high school test and how they influence every aspect of the proper approach to ACT preparation Why every ACT question can only have one valid answer no matter how much it might seem otherwise sometimes How to look at ACT questions the same way ACT Inc does when it writes them Why it s so important to work with real test questions from ACT Inc and why you shouldn t pay much attention to the official written explanations for those questions What you re actually supposed to do when the ACT asks you about an author s attitude The important implications of viewing time as an investment on test day Why focusing on the wrong answers can be just as important as finding the right one and how to do it effectively The simple formula that allows you to crank out a top scoring essay that is if you even need to take the ACT Writing test in the first place The special grammatical rules tested on the ACT English section which may differ from what s commonly accepted in a high school or college classroom The unwritten rules for every kind of ACT question The many ways to approach an ACT Math question and which ones are likely to work best for you Why every real ACT Math question can potentially be answered in under 30 seconds And much much more than we can fit in this space

The Master Key to Act Science Hugh Hung Vo,2019-06-15 Why is ACT Science often considered the most frustrating and chaotic section on the ACT What kind of science does it actually test The Master Key to ACT Science is systematically designed to thoroughly crack this dreaded chaos and provide both motivated and frustrated self studiers with a crystal clear roadmap to mastering the science section of the ACT and maximizing their ACT Science scores FEATURES include The big picture of ACT Science what s actually tested what to focus on for the best results The strategic MASTER KEY FORMULA the shortest way to reach correct answers with speed and accuracy outsmarting the test s overwhelming rush and chaos All QUESTION PATTERNS on ACT Science Your key to beating the clock ACT Science questions follow consistent patterns With the whole science section broken down into repeated patterns mastering these patterns you master the test Recognizing which pattern the question at hand belongs to and knowing how to handle it allow you to think much less about what to do and answer it far faster with a minimal amount of reading Tips skills and strategies specifically designed for every question pattern each pattern is described in depth in a separate sub chapter with detailed examples to walk you through so you will be able to recognize and master each and eventually all of the patterns there are on ACT Science Sound strategies for swiftly reading and tackling the Debating Scientists or Conflicting Viewpoints passage to help you ace what many students consider the hardest one 20 drills 4 chapter tests full length to apply each and every pattern learned to real test style questions for total familiarity 3 full length science practice tests formatted just like the real ACT Science Test to exercise what you ve acquired from this guide to master ACT Science and raise your score A comprehensive review of outside science knowledge that covers all of the content pertaining to biology chemistry
