Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our

emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. *No More Faking Fine* is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same. Now with bonus journaling space! A twenty-day prayerful walk to spiritual well-being from the author of the bestsellers *The Power of a Praying Wife* and *The Power of a Praying Parent*. *Praying God's Will for Your Life* is not a book about finding the right person to marry or deciding on a career. It is a book about a way of life and a heart attitude that are God's will for everyone who knows Him. That way of life encompasses three important components: An intimate relationship with God A solid foundation in God's truth A commitment to obedience As she has in previous bestselling books—*The Power of a Praying Wife* and *The Power of a Praying Parent*—Stormie invites you

to discover the power of prayer, this time encouraging you to pray for yourself as you deepen your walk with God. Accept her challenge to pray for yourself in these areas every day for twenty days, and watch how God changes your life as you move into the center of His will. As you experience the power of God's will in your daily faith journey, take advantage of the bonus Prayer Journal, which offers Stormie's own words of encouragement and plenty of space for reflection and listing prayer requests and answered prayers. Be inspired to pray boldly, pray powerfully, pray with passion, and trade ineffective prayers and lukewarm faith for raw, daring prayers that will transform your daily life. Do you ever wonder if God answers your prayers? Do you wish you could see the evidence that prayer changes lives? Do you long for more than playing it safe in your faith? Join New York Times bestselling author Craig Groeschel as he helps you discover the power of authentically communicating with God, breaking out of the restrictive spiritual safety bubble, and expanding your ideas about what's possible with God. The Bible tells us that prayer has the power to move God's heart, but some prayers move him more than others. He wants more for us than a tepid faith and half-hearted routines at the dinner table. God called you to a life of courage, not comfort. In Dangerous Prayers, Groeschel will show you how to pray the prayers that search your soul, break your habits, and send you out to pursue the calling God has for you. But be warned: If you're fine with settling for what's easy, or if you're okay with staying on the sidelines, this book isn't for you. You'll be challenged. You'll be tested. You'll be moved to take a long, hard look at your heart. But you'll be inspired, too. Dangerous Prayers will give you the encouragement and tools you need to: Transform the patterns around your daily prayer life Truly embrace and believe in the power of intentional prayer Start to pray daring, faith-filled, God-honoring, life-changing, world-

transforming prayers You'll discover the secret to overcoming fears of loss, rejection, failure, and the unknown, and you'll welcome the blessings God has for you on the other side. But best of all, you'll gain the courage it takes to pray dangerous prayers. USA Today Bestseller Learn how to work your way through life's unexpected challenges with grace and find a deeper faith while on your journey. In this biblical and conversational book by Dr. Tony Evans and his four adult children—Chrystal Evans Hurst, Priscilla Shirer, Anthony Evans, and Jonathan Evans—you will hear five insightful perspectives on what it means to hold on to faith when life breaks your heart. We have all been through difficult seasons and times in life when it seems like the hits keep coming and you can barely catch your breath. The Evans family knows what this is like, as they've experienced the deep grief of losing eight loved ones in less than two years' time, including the devastating passing of Lois Evans, the matriarch of the family. In Divine Disruption, Dr. Tony Evans and his children pull back the curtain on their faith-shaking experiences, in order to provide biblical wisdom and practical encouragement for how to deal with the hard, unexpected things we all inevitably face. You'll walk away with insights on: Why bad things happen despite a good and powerful God Persevering in difficult times and experiencing God's peace What causes distress in your life—and how to move past it How to keep your faith from being damaged during tough times Join the Evans Family in this unique Kingdom Legacy partnership as they candidly share honest questions they've asked, raw emotions they've felt, and solutions they've learned. Your life may have been interrupted, but you can use that to grow closer to God—and find peace. Beloved pastor Steve Poe helps Christians identify and break free from the destructive patterns that are keeping them from the joy-filled, flourishing life Jesus promised. We all have both good and bad habits in

our life. *Creatures of Habit* reveals how to remove bad habits and replace them with godly ones. But it's not a matter of working hard, of "pulling ourselves up by our bootstraps." That approach simply doesn't work. True transformation is God's work--our job is to listen, obey, and put into practice what he's already directing us to do. Steve Poe has pastored large, growing churches for more than thirty-four years, and during that time he has counseled hundreds of people. He's seen that poor choices often become bad habits that in turn cause people a lot of problems. Hundreds of things can become a bad habit in our lives, but Poe focuses on the most common, among them: anger, lust, worry, cynicism, pride, self-centeredness, and greed. Each chapter provides insights, biblical examples, and tangible tools that will help you break the bad habits that can become spiritual strongholds in your life. James Edwards believes God is in the business of interrupting lives and changing them forever. He shows how the stories of eight biblical characters are paradigms for the ways God intrudes in our lives today, leading us to do His will and become the people He wants us to be. Through creatively told Bible stories and intriguing anecdotes of personal experiences, Edwards creates an interplay between the historical and the contemporary that allows you to discover God afresh. You'll observe how God interrupts people's lives in times of disillusionment, inadequacy, grief, and even opposition. As you join these conversations, you'll understand God's character in a new, intimate way. And, you may see clues to God's interruptions in your own life. *Where Can You Turn for Hope When the Hurt Runs Deep?* At some point in life, every one of us will face the dark pain of heartache and despair, a hurt that pierces so deep we're left gasping with questions: Why me? Why now? What have I done to deserve this? Will the pain ever go away? How can God just stand by and let this happen? What do I have left to hope for? Writing

from insights gained not only through her own valleys of deep hurt but also from years of study and counseling others through life's heartaches, Kay Arthur shows how pain can be the doorway that leads you to deeper understanding, renewed purpose, and greater intimacy with God. Without glossing over the realities of sorrow, she will guide you through twelve pivotal truths about healing and hurt. These key principles will become anchors for your soul, reminding you that your pain does have purpose, that difficult times can make you more like Jesus, and that there is always hope for the future.

Because no matter how deep the hurt, God's love runs deeper still. Includes a Study Guide and Prayer Journal to help you draw closer to God. God can break through without your prayers... but then again, a breakthrough may not come until you pray, in more than a superficial way. What if God is waiting for you to come to Him in dependent prayer and ask for His help before He brings a much-needed breakthrough your way? Jesus' disciples learned that lesson the hard way. After an embarrassing failure that left them baffled, the Lord frankly told them the hoped-for miracle would come only by prayer. Could you, a friend, or your church be in the same situation? In need of a God-sized breakthrough? One that God is waiting to make happen... but only by prayer. Jesus' disciples learned that lesson the hard way. If we're honest, most of us feel bored, distracted, or discouraged in prayer. We look for resources to give us the "right" words or teach us the "right" technique and are disappointed when they don't seem to help. What we fail to realize is that prayer isn't a place for us to be good or right, and it isn't a place for us to perform or prove our worth. It's a place for us to be honest, present, and known--a place for us to offer ourselves and receive God. Spiritual formation experts Kyle Strobel and John Coe want to show you what you've been missing when it comes to prayer. In this down-to-earth book, they show you how to fearlessly draw near to a holy God, pray without ceasing (and without posturing), and delight in the experience of being fully known and fully loved. Each chapter ends with prayer projects or practices to help you see a difference in your prayer life, starting now. Volume three in a three-part series that functions as a pastoral tool for sharing the word of God; focuses on Cycle C and emphasizes using the lectionary in catechesis throughout the year.

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for

yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life. Since the days of the early church, Christians have struggled to understand the relationship between two seemingly contradictory concepts in the Bible: law and gospel. If, as the apostle Paul says, the law cannot save, what can it do? Is it merely an ancient relic from Old Testament Israel to be discarded? Or is it still valuable for Christians today? Helping modern Christians think through this complex issue, seasoned pastor and theologian Sinclair Ferguson carefully leads readers to rediscover an eighteenth-century debate that sheds light on this present-day doctrinal conundrum: the Marrow Controversy. After sketching the history of the debate, Ferguson moves on to discuss the theology itself, acting as a wise guide for walking the path between legalism (overemphasis on the law) on the one side and antinomianism (wholesale rejection of the law) on the other. For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a

changed life, because a positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. *Unsinkable Faith* is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way you feel, and in turn you can change your life completely. Everyone knows the God who keeps the rules, and tells us to keep them, too. But most have never met the God who breaks the rules, and breaks them to bring us close. Religion needs an updated understanding of God. We have defined God and put Him in a box—when it is God who wants to define us. God is not satisfied with our living a limited life with a limited view of Him, full of confusion, hampered by doubt, and clouded despite the hundreds of thousands of churches, pastors, and sermons. Whether your rules are personal, religious, environmental, or societal, if He has to break them to get to you, He will. God will do whatever it takes to clarify you, call you, prepare you, and promote you. He broke the rules for David, for Abraham, for Moses, for Joshua, for Rahab, and He will break them for you too, if you let Him. Because when you're ready to rediscover God, there's not a single rule that can get in the way. Pull away from the things that pull you down and find lasting

Imagine life with unlimited possibility, where fear, misconceptions, and insecurities don't have the power to rob us of our potential or our dreams. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. As a child this woman's heart is broken into many pieces. As she allows God to break her heart in every area of her life, she is learning how to navigate any storm thrust upon her. Although the process is painstaking, it is worth every hurt and every experience to be able to share God's plan for her life. She gives detailed accounts of how God's sustaining love is carrying her through.

Even though she cant understand why God is allowing such humiliation, she is persevering. Thus, shes dying because God is breaking her heart! No part of the Bible goes unstudied in this book's search for God's hidden nature. FROM THE INTRODUCTION BY TRANSLATOR GEOFFREY W. BROMILEY: Helmut Thielicke "has a vivid awareness of the actual needs of actual people living in this age of supreme storm and stress. He sees how the biblical message, how Jesus Christ Himself as the living message, answers powerfully and sufficiently to these needs. He appreciates that faith in Him is not an easy thing, and yet that true faith carries us to victory even in doubt, anxiety, distress and the terrors of conflict and destruction. He attains almost an apocalyptic stature in his depiction of our shattered world and in his proclamation of the message of God's salvation and judgements within it. Here are sermons to put into the hands of contemporaries who suffer from the fears and anxieties which Thielicke so graphically describes but who do not yet perceive the true meaning and relevance of what God did for man in the giving of His only Son. Here are sermons from which to learn how the old Gospel, first given in a very different world, may come with all the living comfort and the regenerative force of truth and reality to our own age too, made relevant by the Holy Spirit on the lips of the sensitive and dedicated preacher." If you feel empty or in one of life's storms that seem to get more turbulent with each passing day, then a rededication to prayer maybe what is missing in your life. Prayer is the most powerful tool we have to connect with God. It is one of the first methods of communication we are taught, as a child, to talk with God. Most of us were taught to ask God to "take our soul" if we were to die before we woke. While many of us devote time to prayer, sadly, most of us never experience more than the surface of its power. Many never break through the heavenly realm where God reigns and the impossible

happens. This devotional encourages you to develop an intentional prayer life"" the kind that will cause God to perform mountain-moving miracles, increase your faith in prayer, fill your emptiness, and even help you see where God is taking you while in that storm. It is my prayer that you will be inspired to step out on a newfound faith in prayer and join the many believers who are experiencing the ultimate joy of the power of prayer, even when God's perfect will breaks our heart. Licensed to preach at the age of twelve and ordained at fifteen, Havner spent a lifetime calling people to repentance. A popular revivalist known for his homespun storytelling and memorable wordplay, Havner boldly proclaimed the Word of God for seventy-three years. The author of more than thirty books, Havner's sermons are favorites among pastors who find his style refreshing, his quotes memorable, and his message convincing. In this collection of ten revival sermons, Havner's hard-hitting words proclaim the biblical message of heaven, hell, sin, repentance, sacrifice, holiness, prayer, and the lordship of Christ--themes that resonate with as much relevance today as when Havner first preached them.

A Gospel-Rich, Reproducible Model for Making Disciples as Jesus Intended Biblical discipleship emphasizes encouragement, repentance, and spiritual growth—essential parts of the Christian life. However, well-meaning believers often struggle to follow Jesus, unaware their views are too legalistic, licentious, or individualistic. How can churches and Christians develop a healthy, successful path to disciple-making? In this second edition of Gospel-Centered Discipleship, Jonathan Dodson presents an effective, Spirit-led model for sanctification. Reminding readers that real discipleship is imperfect yet transformational, Dodson encourages Christians to engage more authentically with others as they grow in faith. Landmark Text Now Revised and Expanded for a New Generation We all face hard times and obstacles in life--whether physically, emotionally, spiritually, financially, creatively, or relationally. Yet we have a God who is with us and for us. A God who, as Micah 2:13 says, is a "Breaker" who goes before us. Now revised and expanded, this new edition of Barbara Yoder's best-selling book will help you discover that the same God who led Moses and broke open the way for his people is leading the church today--and he will break open any way or route he has ordained for us to go through. Yet he does not do it alone. You are part of the breakthrough. Every believer filled with the Spirit has access to God's breaker anointing. We can move forward, therefore, with faith,

confidence, and bold, courageous action. He is waiting for us to step out and change our lives, cities, and nations. God the Breaker goes before us--and where he goes, nothing can hold us back. Written by United Methodist Bishop Debra Wallace-Padgett, *God Broke Through at Christmas* is a resource to assist both individuals and small groups in spiritual preparation for Christmas. Each chapter starts with a meditation and study session guide, followed by daily devotionals for the week. Each chapter includes a study session guide designed for small groups, classes, or personal reflection. *God Breaks Through at Christmas* focuses on four different aspects of life transformed by Jesus Christ's birth, ministry, and resurrection: Silence? Nights of the soul? Seemingly impossible situations? Chaos The book concludes with a Christmas Eve meditation, reminding us of the most remarkable breakthrough of all, as God breaks through our hopelessness with hope. As readers reflect upon the meditations, daily devotionals, and session guides in this book, they will experience God breaking into their lives in fresh ways. *God Broke Through at Christmas* is sure to be a blessing to you during this season of preparation and expectation of God breaking through at Christmas. Do you long for something more in your relationship with God? The good news is that "something more" does not mean "doing more." God is not waiting for you to get your spiritual life "right." He wants to be with you right where you are. The real question is not "What does God want from you?" but "What does God want for you?" Sharon Jaynes understands what it's like to have a "glory ache"—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your "spiritual life" and your

“daily life” as you enter the sanctuary of God’s presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide. “Furtick shows us how Jesus’s last words offer mile markers for our journey in relationship with God. It’s a lifelong journey and it’s not always easy.
