The inspiring, instructive, and ultimately triumphant memoir of a man who used hard work and a Master Plan to turn a life sentence into a second chance. Growing up in a tough Washington, D.C., neighborhood, Chris Wilson was so afraid for his life he wouldn't leave the house without a gun. One night, defending himself, he killed a man. At eighteen, he was sentenced to life in prison with no hope of parole. But what should have been the end of his story became the beginning. Deciding to make something of his life, Chris embarked on a journey of self-improvement--reading, working out, learning languages, even starting a business. He wrote his Master Plan: a list of all he expected to accomplish or acquire. He worked his plan every day for years, and in his mid-thirties he did the impossible: he convinced a judge to reduce his sentence and became a free man. Today Chris is a successful social entrepreneur who employs returning

citizens; a mentor; and a public speaker. He is the embodiment of second chances, and this is his unforgettable story. What an exam and class postmortem are and how they can help you. Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author. *If You Want a True Lifestyle Change, Start With Good Habits* #1 New Release in Crafts, Hobbies & Home, Organizational Learning, Time Management, and

This volume offers a compact introduction to one of the most daunting texts in the New Testament. The Letter to the Hebrews has inspired many readers with its encomium to faith, troubled others with its hard sayings on the impossibility of a second repentance, and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities. Long thought to be Paul, the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter's (or sermon's) vision of life in the light of the crucified Messiah, but one also finds distinctive perspectives in such areas as Christology, eschatology, and atonement. Gray and Peeler survey the salient historical, social, and rhetorical factors to be considered in the interpretation of this document, as well as its theological, liturgical, and cultural legacy. They invite readers to enter the world of one of the boldest Christian thinkers of the first century.
