Chosen People from the Caucasus Michael Bradley,1992 Contends the people calling themselves Jews exhibited Neanderthal aggressive traits in the history of the conquest of the Americas and in the transatlantic slave trade *The History of White People* Hama Mirwaisi,2018-02-26 Who are the Caucasian or White People The Lord of the Abrahamic religions successfully divided the Caucasians into American Canadian British German French Kurdish Russian and others This book is using the terminology of the Caucasians for the original peoples from India to Europe and from Egypt to Mongolia and includes the Americans and Australians as whites from across the globe The terminology Caucasian and White are used to denote the original people throughout the Asian steppes south throughout the sub continent of today s India and throughout the Middle East that was once the Median Empire as well as Egypt and the Levant These original people were members of the religion of Mithraism begun more than 12 000 years ago The Aryan Zoroastrian religion was established by the Prophet Zarathustra Zoroaster 7600 years ago to reform the ancient Mithraism religion Most of the Caucasian peoples became members of the Aryan religion while many of the Europeans remain as members of Mithraism The Lord Jesus of Nazareth established Christianity more than 2000 years ago The Lord of Judaism used the Roman Empire to kill Jesus of Nazareth and then after three centuries they changed his original religion at the Council of Nicea into the new so called Christianity meaning for it to be used to eliminate Mithraism in its various forms throughout Europe The Lord of Judaism established Islam to also act to eliminate the Aryan religion also Abkhasians: the Long-living People of the Caucasus Sula Benet,1974 **Legends of the Caucasus** David Hunt,2012-05-28 The Caucasus has an extremely rich folk literature almost unknown among English speakers which includes myths legends magical tales anecdotes and proverbs The one hundred and one legends included in this book reflect the cultures of fourteen different ethnic groups their dynamism and the matters that concerned them survival against external dangers the risk of starvation and the persistence of the family or clan as a coordinated group Descended from an oral tradition much of their knowledge was retained in memories and passed down the generations Yet with the introduction of the alphabet the way of life they portray is rapidly becoming extinct An incomparable collection Legends of the Caucasus conveys the poetry and romance of these swiftly vanishing tribes This book has brought into light some of the hidden treasures of the Caucasus A major contribution not only to the study of the Caucasus but also to world folklore John Colarusso McMaster University Canada Inventive and meticulous in rendering the extraordinary folk poetry of the many nations of the Caucasus This is essential reading for anyone seeking an insight into the cultures of the Caucasus Donald Rayfield Queen Mary University of London UK **The Caucasus and Its People** Louis Moser,1856 The Caucasus and Its People; with a Brief History of Their Wars, and a Sketch of the Achievements of the Renowned Chief Schamyl Ludwig MOSER (of the Peninsular and Oriental Steam Navigation Company.),1856 *Twelve*

*Secrets in the Caucasus* Essad Bey, 2008-01-01 Essad Bey the sickly son of an oil millionaire from Baku Azerbaijan receives permission from his father to spend the summer with his milk brother Ali Khan passing the holiday in his home village in the wild Caucasus So the two set out under the custody of a wise attendant into an archaic world in which chivalry counted more than buying power and poets were more highly regarded than princes into a country in which as a kind of curiosity shop of world history all that is outlived and forgotten was loyally preserved This is Essad Bey s second book which was first published in 1930 In it the author draws upon his Oriental imaginative powers conjuring a vast panorama of the Caucasus its people and customs The result is a fresh and densely atmospheric work even if not always laying claim to scientific accuracy Often adding a touch of imagination the author succeeds in bringing the heart and soul of this archaic world to life which he had himself experienced and learned to love as a child

**Constellations of the Caucasus** Michael A. Reynolds, Sean Pollock, Hirotake Maeda, Ronald Grigor Suny, Michael Kemper, Sh. Sh Shikhaliev, 2015-11 Caucasia marks the meeting place of East and West Europe and Asia Christendom and Islam Indeed the Caucasus Mountains are home to a bewildering diversity of languages and ethnicities In the imaginations of multiple cultures and civilisations Greek Slavic Arabic Turkic and Persian to name a few the region has served as a realm of legend and myth Yet at the same time Caucasia can also serve as a mirror to the outside a site where one can trace the unfolding of processes that have shaped the broader world Five leading scholars from around the globe explore the interaction of empires peoples and faiths in Caucasia throughout the centuries

*Let Our Fame Be Great* Oliver Bullough, 2011 Two centuries ago the Russians pushed out of the cold north towards the Caucasus Mountains the range that blocked their access to Georgia Turkey Persia and India They were forging their colonial destiny and the mountains were in their way The Caucasus had to be conquered and for the highlanders who lived there life would never be the same again If the Russians expected it to be an easy fight however they were mistaken Their armies would go on to defeat Napoleon and Hitler as well as lesser foes but no one resisted them for as long as these supposed savages To hear the stories of the conquest I travelled far from the mountains I wandered through the steppes of Central Asia and the cities of Turkey I

squatted outside internment camps in Poland and drank tea beneath the gentle hills of Israel The stories I heard amplified the outrages I saw in the mountains themselves As I set out in my mind was a Chechen woman I had met in a refugee camp She lived in a ragged khaki tent in a field of mud and stones but she welcomed me with laughter and kindness Like the mountains of her homeland her spirit had soared upwards gleaming and pure Throughout my travels I met the same generosity from all the Caucasus peoples Their stories have not been told and their fame is not great but truly it deserves to be

**The Important Events About White (Caucasian) People** Hamma Mirwaisi,2020-08-14 Ask yourself why I want to read this book The answer is simple If you are from White Caucasian People you will gain knowledge about your root and hopefully making you be a knowledgeable and productive human being If you are not from White Caucasian People you will gain knowledge about the root of the White Caucasian People and hopefully making you be a knowledgeable and productive human being too Every human should read and gain knowledge about where you come from and treat others with respect while going through the lifetime journey Life is so short The world is full of people who want to hurt others for self interest And those who want to live in peace with others The knowledge with more information will lead you to avoid those who want you to hurt others and join those who want to live in peace This book is a piece of information about the White Caucasian People It is informing you about their struggle to live in peace But the conflict started more than 12 000 years ago never let them live in peace How that conflict started with other groups and what happened

**God's Chosen People: Israel** Adamuel Ben Israel,2008-03-25 My title is Elder Hawthorne Smith I have been a minister for over 40 years in The Spiritual Israel Church And Its Army located in Detroit Michigan

**The Insurgency in Chechnya and the North Caucasus** Robert W. Schaefer,2010-10-22 For the first time a military expert on both Russia and insurgency offers the definitive guide on activities in Southern Russia explaining why the Russian approach to counter terrorism is failing and why terrorist and insurgent attacks in Russia have sharply increased over the past three years The Insurgency in Chechnya and the North Caucasus From Gazavat to Jihad is an comprehensive treatment of this 300 year old conflict Thematically organized it cuts through the rhetoric to provide a contextual framework with which readers can truly understand the why and how of one of the world s longest running contemporary insurgencies despite Russia s best efforts to eradicate it A fascinating case study of a counterinsurgency campaign that is in direct contravention of U S and Western strategy the book also examines the differences and linkages between insurgency and terrorism the origins of conflict in the North Caucasus and the influences of different strains of Islam of al Qaida and of the War on Terror A critical examination of never before revealed Russian counterinsurgency COIN campaigns explains why those campaigns have consistently failed and why the region has seen such an upswing in violence since the conflict was officially declared over less than two years ago

The Invention of the Jewish People Shlomo Sand,2020-08-04 A historical tour de force that demolishes the myths and taboos that have surrounded Jewish and Israeli history The Invention of the

Jewish People offers a new account of both that demands to be read and reckoned with Was there really a forced exile in the first century at the hands of the Romans Should we regard the Jewish people throughout two millennia as both a distinct ethnic group and a putative nation returned at last to its Biblical homeland Shlomo Sand argues that most Jews actually descend from converts whose native lands were scattered far across the Middle East and Eastern Europe The formation of a Jewish people and then a Jewish nation out of these disparate groups could only take place under the sway of a new historiography developing in response to the rise of nationalism throughout Europe Beneath the biblical back fill of the nineteenth century historians and the twentieth century intellectuals who replaced rabbis as the architects of Jewish identity The Invention of the Jewish People uncovers a new narrative of Israel s formation and proposes a bold analysis of nationalism that accounts for the old myths After a long stay on Israel s bestseller list and winning the coveted Aujourd hui Award in France The Invention of the Jewish People is finally available in English The central importance of the conflict in the Middle East ensures that Sand s arguments will reverberate well beyond the historians and politicians that he takes to task Without an adequate understanding of Israel s past capable of superseding today s opposing views diplomatic solutions are likely to remain elusive In this iconoclastic work of history Shlomo Sand provides the intellectual foundations for a new vision of Israel s future

**The Caucasus and Its People** ,2020-03-09 **Composition of the Population of the Caucasus** N. J. Marr,1920 **The Balkans and Caucasus** Ivan Biliarsky,Ovidiu Cristea,Anca Oroveanu,2012-01-17 The overall character of the Black Sea region has been defined over time in various ways For specialists in economy and trade it has represented a region at the crossroads of the trade routes between Europe and Asia for political scientists and historians it has been a space of confrontation between the great terrestrial and naval powers for the scholars attentive to its cultural dimensions it has been a contact zone a space of interaction between different peoples religions and cultures These attempts at a definition all revolve around an essential and ambivalent feature of the Black Sea as a factor of connection a bridge and

at the same time a border a dividing line between Europe and Asia between the Baltic and the Mediterranean region In this fluctuation between the two the predominance of one over the other bridge or border has depended on a number of factors first among them the distribution of power relations in the region This volume which originated in a symposium hosted by the New Europe College Institute for Advanced Study in Bucharest brings together contributions coming from scholars within the Black Sea region and outside it in an attempt to look at the Balkans and Caucasus from a comparative and multi disciplinary perspective highlighting their differences as well as their common features The overarching question this volume and the papers included in it address and leave open is to what extent we are dealing with a coherent zone whose past present and future can legitimately be considered as being traversed by meaningful interrelations suggesting a shared destiny
