Get swept away to the Oregon coast in the final novel in #1 New York Times bestselling author Nora Roberts' Donovan Legacy series. Their family shares the Donovan Gift. Each cousin has special powers that set them apart from ordinary mortals. But while their gifts bring great responsibilities, they bring even greater rewards... Liam Donovan finds himself drawn to lovely, guileless schoolteacher Rowan Murray. But before he trusts her with his heart, he must trust her with the truth about his family—and his own incredible ability. Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. Honor Donovan is a shrewd businesswoman, yet she has been shut out of Donovan International by her father and four brothers. When her favorite brother Kyle vanishes, along with a fortune in stolen amber, Honor's questions are ignored by the Donovan males. Defying them, she heads to the San Juan Islands of the Pacific Northwest in search of answers. Honor needs a guide because she knows nothing about running a boat -- and she knows nothing about Jake Mallory until he answers her ad. One of the things she doesn't know is that Jake is much more than a fishing guide. Until Kyle disappeared, Jake was brokering amber deals in the Baltic for Donovan International. Honor is completely unaware of the old wars, new politics, greed, and stolen amber that have lured ruthless, high-stakes players from around the globe. Jake wants no part of the intrigue, or of a Donovan woman in his life, but he

suspects the Donovans have set him up to take the fall for Kyle's treachery. The way Jake sees it, some Donovan is going to pay for his troubles, and it just may turn out to be Honor Jake and Honor cast off on a journey moldering with distrust, betrayal, vengeance... and temptation. A hunger grows between them that is as dangerous as the secrets they keep. Alone at sea, they pursue the stubborn mystery of the Amber Room, flee from relentless enemies, and fight against trusting each other. Yet when Honor and Jake dare to confide in one another, they face a final truth: the penalty for betrayal is death; the reward is a lifetime...together. Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD -- and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, Ungifted is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way. The second paranormal romance novel in the compelling Donovan Legacy series from #1 New York Times bestselling author Nora Roberts. Their family shares the Donovan Gift. Each cousin has special powers that set them apart from ordinary mortals. But while their gifts bring great responsibilities, they bring even greater rewards... When her friend's child is kidnapped, private investigator Mary Ellen Sutherland does everything within her power to find the missing baby. Sebastian Donovan's extraordinary gifts might be able to help, but only if

skeptical Mel can put her faith in the sexy psychic—and start listening to her heart. #1 New York Times bestselling author Nora Roberts presents the third captivating novel in the Donovan Legacy series. Their family shares the Donovan Gift. Each cousin has special powers that set them apart from ordinary mortals. But while their gifts bring great responsibilities, they bring even greater rewards... Though she comes from a family with extraordinary “talents,” empath and healer Anastasia Donovan has always tried to hide her gifts. Then widowed father Boone Sawyer and his six-year-old daughter move in next door and create a different kind of magic, one that has Ana wanting to reveal all her secrets. This book is for men whose anger is a serious problem for themselves and others. The author presents techniques and case studies to teach men how to control their anger, how to remove the risk of violence, and how to accept responsibility for managing their anger. A practical guide to preventing violence by healing the pain and fear that fuel it. “Romantic suspense is her true forte.” —Minneapolis Star-Tribune New York Times bestselling author Elizabeth Lowell creates suspense and emotional intensity with her classic *Midnight in Ruby Bayou*, a riveting romantic thriller in her popular four-book series featuring the remarkable Donovan family. A recipient of the Romance Writers of America Lifetime Achievement Award, Lowell delivers a treasure of a story that seamlessly blends passion and peril as a beautiful artist and a dashing adventurer join forces on a hunt for a legendary fortune in gems. *Midnight in Ruby Bayou* is a treat for Linda Howard, Nora Roberts, and Jayne Ann Krentz fans. “A sharp, wise, and hilarious novel. . . . We loved it!” — Lucy Sykes & Jo Piazza, authors of *The Knockoff* An addictively readable romantic comedy, drama, and mystery rolled into one, about two very different strangers whose lives become intertwined when they receive an unusual proposition. *The Decent Proposal* is a funny, tender, and enchanting story about love, attraction, and

friendship: Jane Austen in Los Angeles. A struggling Hollywood producer, Richard Baumbach is twenty-nine, hung-over, and broke. Ridiculously handsome with an innate charm and an air of invincibility, he still believes good things will come his way. For now he contents himself with days at the Coffee Bean and nights with his best friend Mike (that's a woman, by the way). At thirty-three, Elizabeth Santiago is on track to make partner at her law firm. Known as "La Máquina" The Machine—to her colleagues, she's grown used to avoiding anything that might derail her quiet, orderly life. And yet recently she befriended a homeless man in her Venice neighborhood, surprised to find how much she enjoys their early-morning chats. Richard and Elizabeth's paths collide when they receive a proposal from a mysterious, anonymous benefactor. They'll split a million dollars if they agree to spend at least two hours together—just talking—every week for a year. Astonished and more than a little suspicious, they each nevertheless say yes. Richard needs the money and likes the adventure of it. Elizabeth embraces the challenge of shaking up her life a little more. Both agree the idea is ridiculous, but why not? What ensues is a delightful journey full of twists, revelations, hamburgers, classic literature, poppy music, and above all love, in its multitude of forms. The Decent Proposal is a heartfelt and often hilarious look at the ties that bind not just a guy and a girl but an entire, diverse cast of characters situated within a modern-day Los Angeles brought to full and irrepressible life. "Getting the job done" for one single mom takes on a whole new meaning in Finlay Donovan is Killing It. A USA Today bestseller! One of Suspense Magazine's "Best Thrillers of 2021" One of New York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty Award for the Best Humorous Mystery "Finlay Donovan is irresistible!"—Janet Evanovich Finlay Donovan is killing it . . . except, she's really not. She's a stressed-out single-mom of two and struggling novelist, Finlay's life is in chaos: the new book she promised her literary agent isn't written, her ex-

husband fired the nanny without telling her, and this morning she had to send her four-year-old to school with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she's mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moment, *Finlay Donovan Is Killing It* is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.

Sir Francis Walsingham's official title was principal secretary to Queen Elizabeth I, but in fact this pious, tight-lipped Puritan was England's first spymaster. A ruthless, fiercely loyal civil servant, Walsingham worked brilliantly behind the scenes to foil Elizabeth's rival Mary Queen of Scots and outwit Catholic Spain and France, which had arrayed their forces behind her. Though he cut an incongruous figure in Elizabeth's worldly court, Walsingham managed to win the trust of key players like William Cecil and the Earl of Leicester before launching his own secret campaign against the queen's enemies. Covert operations were Walsingham's genius; he pioneered techniques for exploiting double agents, spreading disinformation, and deciphering codes with the latest code-breaking science that remain staples of international espionage. "[A] timely book...*It's All a Game* provides a wonderfully entertaining trip around the board, through 4,000 years of game history."—*The Wall Street Journal*

Board games have been with us longer than even the written word. But what is it about this pastime that continues to captivate us well into the age of smartphones and instant gratification? In *It's All a Game*, British journalist and renowned games expert Tristan Donovan opens the box on the incredible and often

surprising history and psychology of board games. He traces the evolution of the game across cultures, time periods, and continents, from the paranoid Chicago toy genius behind classics like Operation and Mouse Trap, to the role of Monopoly in helping prisoners of war escape the Nazis, and even the scientific use of board games today to teach artificial intelligence how to reason and how to win. With these compelling stories and characters, Donovan ultimately reveals why board games--from chess to Monopoly to Settlers of Catan, and more--have captured hearts and minds all over the world for generations. If you're dead already, can you die again? Elspeth's been summoned from limbo. Her new assignment? Track down the culprit in the mysterious death of a student at Clearwell High. And incidentally, uncover the identity of the new drug dealer prowling the halls. Only one problem--the body she has to co-inhabit has a different agenda. Elizabeth just wants to be prom queen, marry Prince Charming, and graduate with perfect posture. Both girls, alive and dead, will have their separate worlds rocked before the killer is unveiled. Nothing is as it seems. No one can be trusted. Being dead has never been so dangerous. Captain William Langley knows the ocean well, but nothing could prepare him for what he discovers adrift on the cold Irish Sea. The tiny boat carries two passengers: a child--and Meg Donovan, Will's long-lost love. Meg's disappearance at sea eight years ago was a devastating blow. Now she's back, as beautiful as ever, and with secrets as deep as Will's own . . . After years held captive by a cold-blooded pirate, Meg has finally escaped with little Jake, the boy she's come to love as if he were her own. But the pirate wants his revenge--and Meg must do whatever it takes to shield Jake from the madman. Determined not to lose Meg again, Will vows to protect them both, yet Meg can't risk putting the only man she's ever loved in danger. With the threat to her safety growing, and her passion for Will burning brighter every day, surrendering herself to Will might be a pleasure too tempting to resist . . . The SF classic

novel of the terror that lurked in DONOVAN'S BRAIN.

DEAD...Doomed by disease, then mangled in a plane crash, there was no doubt that Donovan was dead. YET...floating in a tank of nutrient, linked to complex apparatus, Donovan's brain still lived... ALIVE...someone walked with Donovan's gait, wrote his signature, knew his foulest secrets—and carried out his last, weirdest plan! "Donovan's Brain is terrific!"—THE NEW YORK TIMES Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. He might help her...if the price is right. Surrounded by potential enemies, Hannah McGarry faces the mystery of her husband's suspicious death, the prospect of bankruptcy...and the disappearance of the fabulous Black Trinity necklace that was to be her financial security. Desperate, she calls Archer Donovan, a silent partner in Pear Cove, her late husband's pearl farm venture. He might help her...if the price is right. Archer Donovan would rather forget he'd ever heard of Pearl Cove...its memories of living on the dark side, the soul-numbing certainty that there was no law, no justice, no mercy; just hunters and the hunted. That life taught him to trust no one but family. But when Hannah McGarry calls in an old debt Archer is back in the game. And at his side in pursuit of the stolen fortune is a woman he shouldn't want, yet cannot resist...a woman who may know more than she's telling about her husband's death...and more than is safe to know about the dark and elusive black pearls. With deadly competitors on their tails, Archer and Hannah race through uncharted waters in search of the fabulous Black Trinity. And the closer they come to finding the coveted pearls, the closer they come to danger and

death...and to each other.
