

# Science Fair Written Report Outline

## Table of Contents

- Each section of the project is listed with the page numbers that they start on
- This will have to be done after the project is completed when you are sure of the page numbers.
- Do not include the bibliography in the table of contents.

## Abstract

- The abstract is a shortened version of your entire project.
- It should briefly mention the reason and ideas behind your project and what you learned from it.
- It may be easier to write the abstract after you have written the project.

## Purpose

- The purpose of your investigation should be a concise explanation of the reason for doing your project (i.e. what are you trying to find out and why?).
- It should not be more than three sentences.

## Question

- The question should end in a question mark.
- Only the question is posed.

## Hypothesis

- The hypothesis is a prediction or an educated guess of what the outcome of your project will be (in the attempt to predict the outcome of your investigation).
- The hypothesis must be clearly stated and reflect background readings.

## Materials List

- Make sure to keep an accurate record of what you used, how much you used and what kind of materials you used. **BE VERY SPECIFIC.**
- Quantities of materials are important.
- Be sure to use only metric measurements.
