Female Chauvinist Pigs Women And The Rise Of Raunch Culture Ariel Levy

Female Chauvinist Pigs Ariel Levy, 2006-10-03 In this passionate report from the front lines a New York magazine writer examines the enormous cultural impact of the newest wave of post feminism *Female Chauvinist Pigs (Large Print 16pt)* Ariel Levy, 2010-10-19 Meet the female chauvinist pigs a new generation of empowered women If the male chauvinist pigs of yesteryear saw women as pieces of meat today's female chauvinist pigs go one better wearing the Playboy bunny with pride and making sex objects of themselves They think they're being brave they think they're being funny but Levy asks

Female Chauvinist Pigs Ariel Levy, 2005-09-13 A classic work on gender culture exploring how the women's movement has evolved to Girls Gone Wild in a new self-imposed chauvinism In the tradition of Susan Faludi's Backlash and Naomi Wolf's The Beauty Myth New York Magazine writer Ariel Levy studies the effects of modern feminism on women today Meet the Female Chauvinist Pig the new brand of empowered woman who wears the Playboy bunny as a talisman bares all for Girls Gone Wild pursues casual sex as if it were a sport and embraces raunch culture wherever she finds it If male chauvinist pigs of years past thought of women as pieces of meat Female Chauvinist Pigs of today are doing them one better making sex objects of other women and of themselves They think they're being brave they think they're being funny but in Female Chauvinist Pigs Ariel Levy asks if the joke is on them In her quest to uncover why this is happening Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants She examines a culture in which every music video seems to feature a stripper on a pole the memoirs of porn stars are climbing the bestseller lists Olympic athletes parade their Brazilian bikini waxes in the pages of Playboy and thongs are marketed to prepubescent girls Levy meets the high-powered women who create raunch culture the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be one of the guys And she traces the history of this trend back to conflicts between the women's movement and the sexual revolution long left unresolved Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity Irresistibly witty and wickedly intelligent Female Chauvinist Pigs makes the case that the rise of raunch does not represent

how far women have come it only proves how far they have left to go **Female Chauvinist Pigs** Ariel Levy, 2014-05-22 Today's young women seem to be outdoing the male chauvinist pigs of yesteryear applauding the pornification of other women and themselves This is a world where simulating sex for baying crowds of men on shows like Girls Gone Wild and going to lapdancing clubs as patrons is seen as a short cut to cool Ariel Levy says the joke's on the women if they think this is progress She tears apart the myth of this new brand of empowered woman and refuses a culture-wide obligation for women to act and look like porn stars This terrifically witty and wickedly intelligent book makes the case that the rise of raunch does not represent how far women have come it proves only how far women have left to go **How hard can love be?** Holly

Bourne,2016-02-01 All Amber wants is a little bit of love Her mum has never been the caring type even before she moved to America But Amber s hoping that spending the summer with her can change all that And then there s Prom King Kyle the serial heartbreaker Can Amber really be falling for him Even with best friends Evie and Lottie s advice there s no escaping the fact love is hard *The Pornification of America* Bernadette Barton,2023-03-07 An up close look at how porn permeates our culture Pictures of half naked girls and women can seem to litter almost every screen billboard and advertisement in America Pole dancing studios keep women fit Men airdrop their dick pics to female passengers on planes and trains To top it off the last American President has bragged about grabbing women by the pussy This pornification of our society is what Bernadette Barton calls raunch culture Barton explores what raunch culture is why it matters and how it is ruining America She exposes how internet porn drives trends in programming advertising and social media and makes its way onto our phones into our fashion choices and into our sex lives From twerking and breast implants to fake nails and push up bras she explores just how much we encounter raunch culture on a daily basis porn is the new normal Drawing on interviews television shows movies and social media Barton argues that raunch culture matters not because it is sexy but because it is sexist She shows how young women are encouraged to be sexy like porn stars and to be grateful for getting cat called or receiving unsolicited dick pics As politicians vote to restrict women s access to birth control and abortion *The Pornification of America* exposes the double standard we attach to women s sexuality **The Best American Essays 2015** Robert Atwan,2015 Presents an anthology of the best literary essays published in 2014 selected from American periodicals *The Nasty Woman and The Neo Femme Fatale in Contemporary Cinema* Agnieszka Piotrowska,2018-12-07 *The Nasty Woman and the Neo Femme Fatale in Contemporary Cinema* puts forward the theoretical notion of the nasty woman as a means of examining female protagonists in contemporary culture and cinema particularly films directed by women The phrase is taken from an insult thrown at Hillary Clinton during the 2016 Presidential election debates and reclaimed by the feminists worldwide The volume also draws from the figure of the femme fatale in film noir Piotrowska presents the nasty woman across cultural and mythical landscape as a figure fighting against the entitlement of the patriarchy The writer argues that in films such as *Zero Dark Thirty* *Red Road* *Stories We Tell* and even *Gone Girl* the nastiness of female characters creates a new space for reflection on contemporary society and its struggles against patriarchal systems The nasty woman or neo femme fatale is a figure who disrupts stable situations and norms she is pro active and self determining and at times unafraid to use dubious means to achieve her goals She is often single but when married she subverts and undermines the fundamental principles of this patriarchal institution For students and researchers in Cultural Studies Women s Gender and Sexuality Studies Film Studies and Psychoanalysis in Film Studies *The Nasty Woman and the Neo Femme Fatale in Contemporary Cinema* offers an original way of thinking about female creativity and subjectivity It is also a proud celebration of feminist and female authorship in contemporary Hollywood *American Postfeminist Cinema* Michele Schreiber,2014-03-11 In light

of their tremendous gains in the political and professional sphere and their ever expanding options why is it that most contemporary American films aimed at women still focus almost exclusively on their pursuit of a heterosexual romantic relationship American Postfeminist Cinema explores this question and is the first book to examine the symbiotic relationship between heterosexual romance and postfeminist culture The book argues that since 1980 postfeminism's most salient tensions and anxieties have been reflected and negotiated in the American romance film Case studies of a broad range of Hollywood and independent films reveal how the postfeminist romance cycle is intertwined with contemporary women's ambivalence and broader cultural anxieties about women's changing social and political status *New Social Ties* Deborah Chambers,2006-10-12 Deborah Chambers draws on the metaphor of friendship as a strategy for exploring contemporary changes in informal social ties She traces the shift from fixed and permanent ties of family neighbourhood and community to fluid and transient ties typified by computer mediated communication **Manning Up** Kay S Hymowitz,2012-03-06 In *Manning Up* Manhattan Institute fellow and City Journal contributing editor Kay Hymowitz argues that the gains of the feminist revolution have had a dramatic unanticipated effect on the current generation of young men Traditional roles of family man and provider have been turned upside down as pre adult men stuck between adolescence and real adulthood find themselves lost in a world where women make more money are more educated and are less likely to want to settle down and build a family Their old scripts are gone and young men find themselves adrift Unlike women they have no biological clock telling them it's time to grow up Hymowitz argues that it's time for these young men to man up **The Purity Myth** Jessica Valenti,2010-02 The United States is obsessed with virginity from the media to schools to government agencies This panic is ensuring that young women's ability to be moral agents is absolutely dependent on their sexuality Jessica Valenti executive editor of Feministing.com and author of *Full Frontal Feminism* and *Yes Means Yes* addresses this poignant issue in her latest book *The Purity Myth* Valenti argues that the country's intense focus on chastity is extremely damaging to young women Through in depth analysis of cultural stereotypes and media messages Valenti reveals that powerful messages ranging from abstinence curriculum to *Girls Gone Wild* commercials place a young woman's worth entirely on her sexuality Morals are therefore linked purely to sexual behavior as opposed to values like honesty kindness and altruism Valenti approaches the topic head on shedding light on chastity in a historical context abstinence only education pornography and public punishments for those who dare to have sex among other critical issues She also offers solutions that pave the way for a future without a damaging emphasis on virginity including a call to rethink male sexuality and reframing the idea of losing it With Valenti's usual balance of intelligence and wit *The Purity Myth* presents a powerful and revolutionary argument that girls and women even in this day and age are overly valued for their sexuality and that this needs to stop **No Crueler Tyrannies** Dorothy Rabinowitz,2004-03-02 In *No Crueler Tyrannies* Pulitzer Prize winning journalist Dorothy Rabinowitz re frames the facts reconsiders the evidence and demystifies the proceedings of some of America's most harrowing cases of

failed justice Recalling the hysteria that accompanied the child sex abuse witch hunts of the 1980s and 1990s Rabinowitz's investigative study brings to life such alarming examples of prosecutorial terrors as the case against New Jersey nursery school worker Kelly Michaels absurdly accused of 280 counts of sexual assault the as yet unfinished story of Gerald Amirault's involvement in the Fells Acres scandal Patrick Griffin a respected physician whose life and reputation were destroyed by one false accusation of molestation and Miami policeman Grant Snowden's sentencing of five consecutive life terms for a crime that as proved in court eleven years later he did not commit By turns a shocking exposé a much needed postmortem and a required reading assignment for prosecutors and judges alike *No Crueler Tyrannies* is ultimately an inspiring book about the courage of ordinary citizens who believe in the American judicial system enough to fight for due process **Pornified** Pamela Paul,2007-04-01 Strips porn of its culture war claptrap *Pornified* may stand as a Kinsey Report for our time San Francisco Chronicle Porn in America is everywhere not just in cybersex and Playboy but in popular video games advice columns and reality television shows and on the bestseller lists Even more striking as porn has become affordable accessible and anonymous it has become increasingly acceptable and a big part of the personal lives of many men and women In this controversial and critically acclaimed book Pamela Paul argues that as porn becomes more pervasive it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality Based on more than one hundred interviews and a nationally representative poll *Pornified* exposes how porn has infiltrated our lives from the wife agonizing over the late night hours her husband spends on porn Web sites to the parents stunned to learn their twelve year old son has seen a hardcore porn film *Pornified* is an insightful shocking and important investigation into the costs and consequences of pornography for our families and our culture *Women on Screen* M. Waters,2011-02-08 A timely intervention into debates on the representation of feminist and feminine identities in contemporary visual culture The essays in this collection interrogate how and why certain formulations of feminism and femininity are currently prevalent in mainstream cinema and television offering new insights into postfeminist media phenomena *From Reverence to Rape* Molly Haskell,2016-10-05 The groundbreaking study of female representation in film now with a new introduction by the author New York Times Book Review A landmark of feminist cinema criticism Molly Haskell's *From Reverence to Rape* remains as insightful searing and relevant as it was when it first appeared in 1974 Ranging across time and genres from the golden age of Hollywood to films of the late twentieth century Haskell analyzes images of women in movies the relationship between these images and the status of women in society the stars who fit these images or defied them and the attitudes of their directors This new edition features both a new foreword by New York Times film critic Manohla Dargis and a new introduction from the author that discusses the book's reception and the evolution of her views *Expanding and Restricting the Erotic* ,2020-06-08 The contributors in *Expanding and Restricting the Erotic* offer a multidisciplinary perspective on the ways in which what is considered acceptable within the realm of the erotic has altered over time to the current situation where the erotic is being

both expanded and restricted **The Rules Do Not Apply** Ariel Levy,2017-03-16 Every deep feeling a human is capable of will be shaken loose by this short but profound book David Sedaris I wanted what we all want everything We want a mate who feels like family and a lover who is exotic surprising We want to be youthful adventurers and middle aged mothers We want intimacy and autonomy safety and stimulation reassurance and novelty coziness and thrills But we can t have it all Ariel Levy picks you up and hurls you through the story of how she lived believing that conventional rules no longer applied that marriage doesn t have to mean monogamy that aging doesn t have to mean infertility that she could be the kind of woman who is free to do whatever she chooses But all of her assumptions about what she can control are undone after a string of overwhelming losses I thought I had harnessed the power of my own strength and greed and love in a life that could contain it But it has exploded Levy s own story of resilience becomes an unforgettable portrait of the shifting forces in our culture of what has changed and what never can Yes Means Yes! Jaclyn Friedman, Jessica Valenti,2019-03-05 This groundbreaking feminist classic dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure In the original edition feminist political and activist writers alike presented their ideas for a paradigm shift from the No Means No model and the result was the groundbreaking shift to today s affirmative consent model Yes Means Yes as coined by this book With a timely new introduction refreshed cover and the timeless contributions of authors from Kate Harding to Jill Filipovic Yes Means Yes brings to the table a dazzling variety of perspectives and experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently and ending rape Yes Means Yes has radical and far reaching effects from teaching men to treat women as collaborators and not conquests encouraging men and women that women can enjoy sex instead of being shamed for it and ultimately that our children can inherit a world where rape is rare and swiftly punished Postfeminism and Contemporary Hollywood Cinema J. Gwynne, N. Muller,2013-06-28 By analyzing the negotiation of femininities and masculinities within contemporary Hollywood cinema Postfeminism and Contemporary Hollywood Cinema presents diverse interrogations of popular cinema and illustrates the need for a renewed scholarly focus on contemporary film production
