**The Widow Ching--Pirate** Jorge Luis Borges, 2011-02-15 On days of combat the crew would mix gunpowder with their liquor. Borges became famous as a writer of short stories that contained new realities elaborately conceived, ingenious and gamesome, precise of impossible worlds or imaginary books. In these five stories there is danger on the high seas, an ungracious teacher of etiquette and an encyclopaedia of an unknown planet, and Borges's unique imagination and intellect plays throughout. This book includes *The Widow Ching*, *Pirate Monk*, *Eastman Purveyor of Iniquities*, *The Uncivil Teacher of Court Etiquette*, *K tsuk Tin*, *Uqbar*, *Orbis Tertius*, *Pierre Menard*, and *Author of the Quixote*

*The Sound of Things Falling* Juan Gabriel Vasquez, 2013-08-01 National Bestseller and winner of the 2014 International IMPAC Dublin Literary Award. Hailed by Edmund White as a brilliant new novel on the cover of the New York Times Book Review. Lauded by Jonathan Franzen, E L Doctorow and many others. From a global literary star comes a prize-winning tour de force, an intimate portrayal of the drug wars in Colombia. Juan Gabriel Vasquez has been hailed not only as one of South America's greatest literary stars but also as one of the most acclaimed writers of his generation. In this gorgeously wrought award-winning novel, Vasquez confronts the history of his home country, Colombia. In the city of Bogotá, Antonio Yammará reads an article about a hippo that had escaped from a derelict zoo once owned by legendary Colombian drug kingpin Pablo Escobar. The article transports Antonio back to when the war between Escobar's Medellín cartel and government forces played out violently in Colombia's streets and in the skies above. Back then, Antonio witnessed a friend's murder, an event that haunts him still. As he investigates, he discovers the many ways in which his own life and his friend's family have been shaped by his country's recent violent past. His journey leads him all the way back to the 1960s and a world on the brink of change, a time before narco trafficking trapped a whole generation in a living nightmare. Vasquez is one of the most original new voices of Latin American literature, according to Nobel Prize winner Mario Vargas Llosa, and *The Sound of Things Falling* is his most personal, most contemporary novel to date, a masterpiece that takes his writing and will take his literary star even higher.

*In the Metro* Marc Augé, 2002 Tourists climb the Eiffel Tower to see Paris. Parisians know that to really see the city, you must descend into the metro. In this revelatory book, Marc Augé takes readers below Paris in a work that is both an ethnography of the city and a personal narrative. Guiding us through history, memory, and physical space, Augé juxtaposes the romance of the metro with the reality of multiethnic urban France. His work is part autobiography with impressions from a lifetime riding the trains, part meditation on self and memory reflected in the people and places underneath Paris, part analysis of a place where the third world and the first world meet, where remnants of cultures move and press together, and part a reflection on anthropology in an era of

globalization and urban development Although he is a pillar of French thought In the Metro is Auge s first major critical and creative work translated into English It shows him to be firmly rooted in a tradition of literary ethnography that reaches back to Claude Levi Strauss and Michel de Certeau but also engaged in current theoretical debates in literary and cultural studies In Auge s idiosyncratic and innovative approach the act of observing the quotidian is elevated to an art The writer and his history become part of the field he observes and anthropology interacts with a site urban life usually reserved for sociology and cultural studies Throughout Auge reveals a passion for his milieu seeing the metro as a place rich with history and literature an eclectic egalitarian society [The Smoke Thieves](#) Sally Green,2019-05-28 Unforgiveable betrayals devious motives and forbidden love collide in the first installment of internationally bestselling author Sally Green s epic new fantasy series perfect for Game of Thrones fans In a land tinged with magic and a bustling trade in an illicit supernatural substance destiny will intertwine the fates of five players A visionary princess determined to forge her own path An idealistic soldier whose heart is at odds with his duty A streetwise hunter tracking the most dangerous prey A charming thief with a powerful hidden identity A loyal servant on a quest to avenge his kingdom Their lives intersect with a stolen bottle of demon smoke As war approaches they must navigate a tangled web of political intrigue shifting alliances and forbidden love in order to uncover the dangerous truth about the strangely powerful smoke that intertwines their fates ["Con tanto tiempo encima"](#) Elizabeth Monasterios Pérez,Pedro Lastra,1997
