*Critical Curriculum Leadership* Rose M. Ylimaki, 2011-01-03 Although traditional curriculum and instructional leadership frameworks have dominated educational administration training for almost thirty years it has become increasingly clear that even the most recent frameworks have failed today's leaders who struggle with the politics of curriculum decisions on a daily basis *Critical Curriculum Leadership* is an examination of curriculum leadership in the wake of U S testing mandates and school reforms all of which seem to support a particular set of conservative ideologies Drawing from her own longitudinal ethnographic study and from existing literature and research in the field Ylimaki explores the formation of curriculum leadership in relation to broader cultural and political shifts She shows how traditional leadership frameworks have come up short and makes the case for an alternative leadership theory at the intersection of educational leadership and curriculum studies She provides analytical tools that inspire progressive education and offers critical theories strategies research examples problem posing cases and research ideas essential for curriculum leadership in the present conservative era *Critical Curriculum Leadership* will appeal to the many educational leadership scholars and practitioners who are interested in developing effective and socially just curricula in their schools and districts as well as curriculum scholars who are interested in leadership issues

*Curriculum Leadership* Allan A. Glatthorn, Floyd Boschee, Bruce M. Whitehead, 2006 *Curriculum Leadership Development and Implementation* is a one of a kind resource written for educational leaders who want to successfully restructure and enhance curriculum in schools today This book provides a plethora of innovative and successful curriculum ideas including reflective case studies Keys to Leadership sections curriculum tips and Challenge sections with key issues and questions in every chapter Also interspersed throughout the book are tried and true strategies that arm administrators with innovative ideas on meeting state and national standards Rarely has there been a curriculum book that is so useful in today's changing educational scene

***Transformative Curriculum Leadership*** James George Henderson, Rosemary Gornik, 2007 From one of the best known scholars in the curriculum field who worked closely with an experienced assistant superintendent of instruction comes an important revision of *Transformative Curriculum Leadership* This edition provides concrete guidance on how to practice a curriculum problem solving that integrates constructivist learning with democratic understanding The book is organized around the leadership experiences of the assistant superintendent and it contains a wealth of guiding rubrics figures images and illustrations The text is organized into three

easy to follow sections and concludes with an historical narrative that clarifies the book's theoretical underpinnings

**Educational Leadership. Leading educational curriculum** Mompoti Dennis Balebetse, 2021-04-19 Essay from the year 2020 in the subject Pedagogy The Teacher Educational Leadership grade A University of Botswana Gaborone BOTSWANA course Educational Leadership language English abstract I have realized that Curriculum Leadership is a complex and demanding practice which goes beyond the research and disciplinary expertise of the curriculum leader In this course I examined the diverse and often contentious field of curriculum studies I have learned about curriculum theory and practice within the broader sociopolitical context drawing upon real case studies from across the world I was able to examine the work of educators and curriculum theorists both past and present which have contributed and or continue to knowledge within the field Through this course I was encouraged to adopt a creative viewpoint examining key issues and past reforms efforts through new and alternative vantage point I also gained fundamental skills and knowledge towards curriculum theory and practice with my professional environment It is against this background that this paper reflects on the course reflection activities will be used to show my reflections
