Hot Lights, Cold Steel Michael J. Collins, 2007-04-01 When Michael Collins decides to become a surgeon he is totally unprepared for the chaotic life of a resident at a major hospital A natural overachiever Collins' success in college and medical school led to a surgical residency at one of the most respected medical centers in the world the famed Mayo Clinic But compared to his fellow residents Collins feels inadequate and unprepared All too soon the euphoria of beginning his career as an orthopedic resident gives way to the feeling he is a counterfeit impostor who has infiltrated a society of brilliant surgeons This story of Collins' four-year surgical residency traces his rise from an eager but clueless first-year resident to accomplished Chief Resident in his final year With unparalleled humor he recounts the disparity between people's perceptions of a doctor's glamorous life and the real thing a succession of run-down cars that are towed to the junk yard long weekends moonlighting at rural hospitals a family that grows larger every year and a laughable income Collins' good nature helps him over some of the rough spots but cannot spare him the harsh reality of a doctor's life Every day he is confronted with decisions that will change people's lives or end them forever A young boy's leg is mangled by a tractor risk the boy's life to save his leg or amputate immediately A woman diagnosed with bone cancer injures her hip go through a painful hip operation even though she has only months to live Like a jolt to the system he is faced with the reality of suffering and death as he struggles to reconcile his idealism and aspiration to heal with the recognition of his

own limitations and imperfections Unflinching and deeply engaging Hot Lights Cold Steel is a humane and passionate reminder that doctors are people too This is a gripping memoir at times devastating others triumphant but always compulsively readable *Med School Confidential* Robert H. Miller, Dan Bissell, M.D., 2007-04-01 Med School Confidential from Robert H Miller and Daniel M Bissell uses the same chronological format and mentor based system that have made Law School Confidential and Business School Confidential such treasured and popular guides It takes the reader step by step through the entire med school process from thinking about applying to and choosing a medical school and program through the four year curriculum internships residencies and fellowships to choosing a specialty and finding the perfect job With a foreword by Chair of the Admissions Committee at Dartmouth Medical School Harold M Friedman M D Med School Confidential provides what no other book currently does a comprehensive chronological account of the full medical school experience **Biographical and Portrait Cyclopedia of Schuylkill County, Pennsylvania** Samuel T.
