Because of Romek David Faber, James D. Kitchen, 2005 This is a nonfiction autobiographical narrative from the point of view of a teenager during the

Holocaust of World War II the riveting true story of a young boy's survival in the face of Nazi atrocities David Faber survived eight concentration camps between the ages of 13-18 including Auschwitz Buchenwald and Bergen Belsen Because of Romek fulfills his promise to his dead mother to tell the world what happened Reprint **The Mistress of Auschwitz** Terrance Williamson,2019-08-27 Based on the harrowing life of Eleonore Hody's *The Mistress of Auschwitz* follows the true story of a political prisoner detained in the notorious concentration camp While experiencing all the horrors of the holocaust Eleonore turns to friendship for survival Through companionship with another female prisoner Eleonore must decide if she has the courage to join the resistance movement which is planning the overthrow of their wicked oppressors Matters are only complicated when Eleonore unwittingly attracts the attention of the Commandant and she is forced to decide between her own comfort or her principles *From the Holocaust to Hogan's Heroes* Robert Clary,2007-12-17 Robert Clary is best known for his portrayal of the spirited Corporal Louis LeBeau on the popular television series *Hogan's Heroes* on the air from 1965 to 1971 and widely syndicated around the globe But it is Clary's experiences as a Jew during the Holocaust that infuse his compelling memoir with an honest recognition of life's often horrific reality a recognition that counters his glittering five decade career as an actor singer and artist and distinguishes this book from those by other entertainers **Schasm** Shari J. Ryan,2014 Chloe Valcourt drifts between two worlds the dark reality of her domineering mother and feeble father and the vivid fantasy of her imagination With her condition comes the harsh observation of doctors who intend to cure her of it But a chance encounter with a handsome and vaguely familiar young man in her dream world hints at the possibility of hidden truths and a life she can't remember As her drifts become a greater escape from the cruelty of the real world Chloe finds herself lost between what is real and what is imagined questioning her very existence Can she remain in the lush new imagined landscape to find happiness in a realm of her own invention Is she doomed to return to the harsh reality of the outside world forever Or will she become trapped somewhere between the two unable to return to either **The Faber Report** David Faber, Ken Kurson,2002-05-22 These days when CNBC's David Faber talks Wall Street listens Unlike the talking heads that populate the financial news channels Faber is a down and dirty investigative reporter For six years on CNBC's popular Squawk Box and in his own segments Faber has broken story after story Each day over one million people tune in to hear his daily report Those who know the score know that Faber is the one to listen to especially now that the market isn't doing as well as it used to Now Faber has written the smartest most innovative investment book to be published in years Like Harvard Business School's famous case study method each chapter is built around a story the story of how a stock was presented to the public Then Faber extracts clear easy to follow lessons and instructions on how readers can learn the stock's real story just as he does everyday on CNBC Readers learn not just how to pick the stocks they want to invest in but how to avoid joining the penguins lining up for big losses *The Faber Report* combines practical down to earth investment advice with wild accounts of investor fraud company misdeeds and famous investors and banks that have led investors astray

A quantum leap beyond the usual investment books The Faber Report is essential reading for anyone who wants to profit bulls or bears Sheikh Mohammad Abdullah's Reflections on Kashmir Nyla Ali Khan,2018-01-14 This book is a compendium of the speeches and interviews of Sheikh Mohammad Abdullah who reigned as Prime Minister of the State of Jammu and Kashmir from 1948 to 1953 and who was a large presence on the political landscape of India for fifty years The volume is designed to enable a student of South Asian politics and the politics of Kashmir in particular to analyze the ways in which experiences have been constructed historically and have changed overtime Hannah Senesh Hannah Senesh,2011-02-03 Hero Martyr Poet The inspiring story of a remarkable life cut short I don t think Hannah wanted to die for the sake of having her memory exalted in history or to prove herself equal to a romantic image she conceived for herself Her purpose wasn t to die She died for her life s purpose U S Senator John McCain in Why Courage Matters Hannah Senesh poet and Israel s national heroine has come to be seen as a symbol of Jewish heroism Safe in Palestine during World War II she volunteered for a mission to help rescue fellow Jews in her native Hungary She was captured by the Nazis endured imprisonment and torture and was finally executed at the age of twenty three Like Anne Frank she kept a diary from the time she was thirteen This new edition brings together not only the widely read and cherished diary but many of Hannah s poems and letters memoirs written by Hannah s mother accounts by parachutists who accompanied Hannah on her fateful mission and insightful material not previously published in English Described by a fellow parachutist as a spiritual girl guided almost by mysticism Hannah s life has something of value to teach everyone Now the subject of a feature length documentary Blessed Is the Match The Life and Death of Hannah Senesh Hannah s words and actions will inspire people from each generation to follow their own inner voices just as she followed hers *Destined to Live* Ruth Gruener,Rachel Klein,2008-10 Pretty carefree Aurelia Gamsler known today as Ruth Gruener had an idyllic life in 1930s Poland until violent acts of anti Semitism and the deportation of Jewish families to concentration camps changed everything in her world Hiding out with a gentile family her very life at risk every day Ruth struggled to remain strong and sane And though she was destined to live her struggle continued after the war when she began a new life in America as a teenager who had been through horrors This memoir will inspire countless readers and bestow important lessons about life hope and memory *Eva's Story* Eva Schloss,Evelyn Julia Kent,2010-02-22 From the Publisher Many know the tragic story of Anne Frank the teen whose life ended at Auschwitz during the Holocaust But most people don t know about Eva Schloss Anne s playmate and posthumous stepsister Though Eva like Anne was imprisoned in Auschwitz at the age of 15 her story did not end there Together with her mother Eva endured daily degradation at the hands of the Nazis She survived the prison camps but it would be decades before Eva was able to tell her survivor s tale Concluding with a revealing new interview with Eva this moving memoir recounts without bitterness or hatred the horrors of war the love between mother and daughter and the strength and determination that helped a family overcome danger and tragedy **Behind Enemy Lines** Marthe Cohn,Wendy

Holden,2007-12-18 The amazing story of a woman who lived through one of the worst times in human history losing family members to the Nazis but surviving with her spirit and integrity intact Publishers Weekly Marthe Cohn was a young Jewish woman living just across the German border in France when Hitler rose to power Her family sheltered Jews fleeing the Nazis including Jewish children sent away by their terrified parents But soon her homeland was also under Nazi rule As the Nazi occupation escalated Marthe s sister was arrested and sent to Auschwitz and the rest of her family was forced to flee to the south of France Always a fighter Marthe joined the French Army and became a member of the intelligence service of the French First Army Marthe using her perfect German accent and blond hair to pose as a young German nurse who was desperately trying to obtain word of a fictional fianc would slip behind enemy lines to retrieve inside information about Nazi troop movements By traveling throughout the countryside and approaching troops sympathetic to her plight risking death every time she did so she learned where they were going next and was able to alert Allied commanders When at the age of eighty Marthe Cohn was awarded France s highest military honor the M daille Militaire not even her children knew to what extent this modest woman had helped defeat the Nazi empire At its heart this remarkable memoir is the tale of an ordinary human being who under extraordinary circumstances became the hero her country needed her to be *Dancing Through Darkness* Ann Markham Walsh,2016-06-10 Based on the recorded memories diary and love letters of Saartje Wijnberg Selma Wijnberg Engel and Chaim Engel *Dancing Through Darkness* is a true story that exists only because of the strength of love and the power of dreams From Poland and Holland and with no common language Saartje and Chaim met and fell in love when forced to dance together for the entertainment of the Nazi SS guards at Sobibor Death Camp in Poland in April 1943 As their love grew in defiance of the brutality that surrounded them they promised each other they would survive Their dream of living to share a normal life was simple but it gave them the strength and the courage to survive the unspeakable atrocities of Sobibor one of Hitler s most efficient Death Camps Amazon com **My Bridges of Hope** Livia Bitton-Jackson,2002-03 In this stirring sequel to the autobiography *I Have Lived a Thousand Years* a teenage Holocaust survivor travels a dangerous road on her way to a new life [Out of Hiding: A Holocaust Survivor's Journey to America \(With a Foreword by Alan Gratz\)](#) Ruth Gruener,2020-10-20 With a foreword by Alan Gratz New York Times bestselling author of *Refugee* Ruth Gruener was a hidden child during the Holocaust At the end of the war she and her parents were overjoyed to be free But their struggles as displaced people had just begun In war ravaged Europe they waited for paperwork for a chance to come to America Once they arrived in Brooklyn they began to build a new life but spoke little English Ruth started at a new school and tried to make friends but continued to fight nightmares and flashbacks of her time during World War II The family s perseverance is a classic story of the American dream but also illustrates the difficulties that millions of immigrants face in the aftermath of trauma This is a gripping and human account of a survivor s journey forward with timely connections to refugee and immigrant experiences worldwide today *Against Their Will* Allen M. Hornblum,Judith L. Newman,Gregory J.

Dober,2013-06-25 During the Cold War an alliance between American scientists pharmaceutical companies and the US military pushed the medical establishment into ethically fraught territory Doctors and scientists at prestigious institutions were pressured to produce medical advances to compete with the perceived threats coming from the Soviet Union In Against Their Will authors Allen Hornblum Judith Newman and Gregory Dober reveal the little known history of unethical and dangerous medical experimentation on children in the United States Through rare interviews and the personal correspondence of renowned medical investigators they document how children both normal and those termed feebleminded from infants to teenagers became human research subjects in terrifying experiments They were drafted as volunteers to test vaccines doused with ringworm subjected to electric shock and given lobotomies They were also fed radioactive isotopes and exposed to chemical warfare agents This groundbreaking book shows how institutional superintendents influenced by eugenics often turned these children over to scientific researchers without a second thought Based on years of archival work and numerous interviews with both scientific researchers and former test subjects this is a fascinating and disturbing look at the dark underbelly of American medical history
