Professional investment advisor John Slatter offers an up-to-date, informative guide for picking the best stocks, with 100 best choices for one's portfolio. Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region. "Flour. Sheep. Coins. Wheat. Jesus never abandoned the familiarity of His time because what He had to say was so celestial or deep. Instead, He took advantage of what people already understood. In doing so, He didn't just leave a way of salvation for us, but also a pattern of teaching to follow. This alone was my inspiration for how I chose to write Greek Word Study."—author Chris Palmer In a follow-up to his highly acclaimed book Letters from Jesus: Studies from the Seven Churches of Revelation, the Rev. Chris Palmer has written Greek Word Study: 90 Ancient Words That Unlock Scripture. With wit, humor, grace, and scholarship, Chris offers biblical insights while teaching Koine Greek words and phrases one delightful bite at a time. Unlike other books that overwhelm readers with Greek grammar, word formation, tenses, and the like, Chris makes the language accessible to anyone, using modern stories and analogies that engage readers and draw them into the Scriptures. Learning some Greek words and phrases helps you read the Bible in high definition! "You don't need to be a scholar to read this book and you don't need to know an ounce of Greek either. In fact, you don't even have to really know much about the Bible at all," Chris says. "All you need to do is just kick back and enjoy." Edmunds provides accurate, up-to-date wholesale (dealer invoice) and retail prices for all new automobiles and trucks, and for all

vehicles dating back 10 years. Includes detailed information on automobile specifications, standard and optional equipment, fuel efficiency, reviews, and more. Models covered: Chevrolet Silverado, GMC Sierra and Sierra Denali Pick-ups, Chevrolet Suburban and Tahoe, GMC Yukon XL, Yukon Denali and Chevrolet Avalanche, 2007 through 2013, two and four-wheel drive versions. A comprehensive guide to car ownership and maintenance intended for anyone—regardless of age, gender or experience. When did you last pick up a book about cars? Typically written for men, particularly automotive enthusiasts and mechanics, these books rarely appeal to the everyday car owner. *Mechanic Shop Femme's Guide to Car Ownership* is different. Automotive educator, journalist, and social media influencer Chaya M. Milchtein is a queer woman who has spent the last decade deeply entrenched in the automotive industry. In a country where economic injustices disproportionately impact marginalized people, particularly people of color and the LGBTQ+ community, a reliable car and an excellent relationship with a quality mechanic is vital to climb out of poverty. Chaya understands that a vehicle is an economic necessity that can provide access to career opportunities, financial security, and physical safety. She also understands that queer folks and women often find it daunting to buy a car and, subsequently, deal with the realities of getting it insured and repaired. In *Mechanic Shop Femme's Guide to Car Ownership*, Chaya speaks to readers of all identities and socio-economic backgrounds, arming them with the necessary knowledge to navigate the intimidating automotive industry. At its core, this book is an accessible and comprehensive guide that will put readers at ease by providing them with basic knowledge about car ownership and maintenance. From buying a car, to getting it insured, finding the perfect mechanic, and dealing with car emergencies, Chaya encourages her audience to make educated decisions regarding their vehicles. *Mechanic Shop Femme's Guide to Car Ownership* is a must-have—one that will last readers through a lifetime of car ownership. This repair manual covers: Chevrolet Silverado pick-up 1999-2002; Suburban and Tahoe SUV 2000-2002; GMC Sierra pick-ups 1999-2002; Yukon and Yukon XL 2000-2002, 2WD &

4WD. Note: this manual does not include C/K Classic, diesel, 8.1L engine or heavy-duty model information. This accurate, up-to-date guide provides wholesale (dealer invoice) and retail prices for used cars & trucks for models from 1990 to 1999. Includes valuable information to determine trade-in and market values, and provides readers with evaluations and advice they need to choose wisely and save time and money when buying or leasing, or selling or trading a used vehicle. Build and modify your 1973-1987 GMC or Chevrolet truck in your garage with step-by-step processes to boost power, add curb appeal, and improve stopping ability, handling, safety, and more. GM's square-body trucks are a solid, simple, and easy-to-find rig--and that makes them perfect for modification. They're American classics, and they've become the hot rods of a new generation. Veteran magazine editor Jim Pickering brings these trucks into focus, taking you through the aspects that make them so popular and modifications you can perform to put a modern spin on their classic looks. He takes an in-depth look at all the major systems in your C10 and covers what can be done to them to turn your classic hauler into the modern hot rod that you want: a truck that's fast, safe, full of curb appeal, and reliable enough to drive whenever and wherever you want. Built in massive numbers during an 18-year production run, these trucks aren't hard to source, but finding a good starting point and mapping out your plan are important. This book covers a lot of territory: how to find a good starter truck, LS power builds and installs, slammed air suspension and coilover systems, automatic and manual transmission choices (including a 6-speed manual conversion), cooling system upgrades, safely adding a modern alternator to factory GM wiring, modifying a mechanical clutch pedal to use a hydraulic master and slave cylinder, making new fuel lines and brake lines to support fuel injection and big brakes, installing a 4-link rear suspension system, fabricating an under-bed mount to hide air suspension components, building exhaust, adding LED lighting, interior restoration, and more. If you're building a square-body truck that you'd actually like to drive regularly, you've come to the right place. There hasn't ever been a more comprehensive, authoritative look at building a complete truck for street use that includes all the steps

required to make it work. As U.S. and Canadian automakers and dealers face bankruptcy and/or unprecedented downsizing, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 35 years, pulls no punches. This compendium of everything that's new in cars and trucks is packed with feedback from Canadian drivers, insider tips, internal service bulletins, and confidential memos to help the consumer select what's safe, reliable, and fuel-frugal. Know all about profit margins, rebates, and safety defects. And when things go wrong, fight back! Lemon-Aid's complaint tactics, sample letters, Internet gripe sites, and winning jurisprudence will get you attention — and a refund! Vehicle shoppers can benefit from the what they've come to expect from the Edmunds name: true market values for trade-ins, private party and dealership-highlighted yearly model changes, and in-depth advice. BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs and corporate executives. Every month, BLACK ENTERPRISE delivers timely, useful information on careers, small business and personal finance. The rise of corporate message boards and online trading over the past decade has shifted power from analysts to small investors. In Going South, author William Cast describes how the power of this new technology revealed corporate accounting fraud at HealthSouth. Cast reveals how high school dropout and CEO Scrushy

managed a corporation of more than 44,000 employees in 1,700 clinics - while leading a country western band and flying corporate jets; why online trading behaviour in the HealthSouth case supports new theories about group decision making; and how the Sarbanes-Oxley Act applies to executives who certify false financial records. William Cast, MD, is a nationally recognised physician and entrepreneur.
