William Phelps,2012-03-01 The true crime story of a cheating husband the other woman and her plot to kill the wife by the bestselling author of Murder New England When librarian Martha Gail Fulton was gunned down in a Michigan parking lot on a quiet evening there were two obvious suspects Gail s husband George a former military officer and George s mistress the flashy businesswoman Donna Kay Trapani Police were baffled to find that both had ironclad alibis Yet evidence showed the shooter a male had an accomplice a mystery woman Now M William Phelps recounts the compelling real life drama of a twisted love triangle that ended in bloody murder and the riveting investigation that brought to light a master manipulator s trail of deadly deceit Praise for New York Times

bestselling author M William Phelps One of our most engaging crime journalists Katherine Ramsland New York Times bestselling author of Confession of a Serial Killer The Untold Story of Dennis Rader the BTK Killer Phelps creates a vivid portrait Publishers Weekly One of America s finest true crime writers Vincent Bugliosi New York Times bestselling author of Helter Skelter Includes sixteen pages of dramatic photos *Jane's Harmony* Ryan Winfield,2014-08-05 From the New York Times bestselling author of Jane s Melody comes the next chapter in Jane and Caleb s breathtaking love story Starting over is hard to do That s what forty year old Jane McKinney learns when she quits her job sells her home and leaves Seattle behind to start a new life and pursue the man she loves in Austin After the death of her daughter Melody Jane never thought she would find happiness again until she met Caleb Cummings Sensitive loving and mature beyond his years Caleb is a handsome young musician struggling to make ends meet But when his fortunes take an unexpected and drastic turn for the better Jane is left wondering where exactly she fits in Can you ever leave the past behind Jane must now decide if she really is willing to commit to a new beginning with Caleb or if some wounds are just too deep to ever truly mend *History of Windham County, Connecticut: 1600-1760* Ellen Douglas Larned,1874 **Managing a Land in Motion** Paul Sadin,2007 **A Patriot's History of the United States** Larry Schweikart,Michael Patrick Allen,2004-12-29 For the past three decades many history professors have allowed their biases to distort the way America s past is taught These intellectuals have searched for instances of racism sexism and bigotry in our history while downplaying the greatness of America s patriots and the achievements of dead white men As a result more emphasis is placed on Harriet Tubman than on George Washington more about the internment of Japanese Americans during World War II than about D Day or Iwo Jima more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin A Patriot s History of the United States corrects those doctrinaire biases In this groundbreaking book America s discovery founding and development are reexamined with an appreciation for the elements of public virtue personal liberty and private property that make this nation uniquely successful This book offers a long overdue acknowledgment of America s true and proud history *Our Enemies in Blue* Kristian Williams,2015-08-03 Let s begin with the basics violence is an inherent part of policing The police represent the most direct means by which the state imposes its will on the citizenry They are armed trained and authorized to use force Like the possibility of arrest the threat of violence is implicit in every police encounter Violence as well as the law is what they represent Using media reports alone the Cato Institute s last annual study listed nearly seven thousand victims of police misconduct in the United States But such stories of police brutality only scratch the surface of a national epidemic Every year tens of thousands are framed blackmailed beaten sexually assaulted or killed by cops Hundreds of millions of dollars are spent on civil judgments and settlements annually Individual lives families and communities are destroyed In this extensively revised and updated edition of his seminal study of policing in the United States Kristian Williams shows that police brutality isn t an anomaly but is built into the very meaning of law enforcement in the United States From antebellum slave patrols to

today's unarmed youth being gunned down in the streets peace keepers have always used force to shape behavior repress dissent and defend the powerful Our Enemies in Blue is a well researched page turner that both makes historical sense of this legalized social pathology and maps out possible alternatives *Falling for June* Ryan Winfield,2015-06-30 A new contemporary romance from Ryan Winfield the New York Times USA TODAY and Wall Street Journal bestselling author of Jane's Melody Elliot Champ a charming but solitary bachelor who has sworn off romance is closer than ever to realizing his childhood dream of moving to Miami until a chance letter lands on his desk and changes everything The letter takes him to Echo Glen a secluded retreat outside of Seattle where he meets David Hadley an elderly man who needs Elliot's help fulfilling a promise to his wife June But along the way it is Elliot whose life will be changed as he's introduced to a cast of colorful characters who conspire to draw him ever deeper into a whimsical world where falling in love is all about letting go From the green mountains of the great Pacific Northwest to the scarlet poppy fields of northern Spain this unique and heart wrenching love story will take you on an emotional journey to that ever elusive place called true love Another must read romance from Ryan Winfield that is guaranteed to draw tears put a smile on your face and have you too falling for June **Pieces of Grace** Karen Gibson,2021-03-13 Grace believed she went from losing it all to having it all In a desperate attempt to put her life back together Grace divorced and jobless leaves Tucson to return to Chicago a place she never planned to call home again She also never planned to fall for Benjamin Hayward Drawn into the fairytale existence of his power and wealth Grace is unable to see what her family and friends see and ignores the warning signs of Dr Benjamin Hayward's dark side Benjamin's secrets the death of his mentally ill wife and the disappearance of his daughter push Grace into an abyss deeper than the one that brought her home in the first place and she risks losing even more Pieces of Grace is a complicated story of relationships confused by undercurrents of mental illness Readers find themselves hoping family and friends can carry Grace through her most difficult moments *16 Cases of Mission Command* Donald P., Donald Wright, Ph.
