A 320 page picture book by legendary bass player Leland Sklar. Leland's photography of portraits of people flipping him off capture the personality and character of the people he met around the world while touring with groups like James Taylor, Phil Collins and Toto as well as the thousands of studio sessions playing in over 2,500 albums. A compilation of celebrities, musicians and everyday fans. A deserted mansion perches on a steep hillside, overlooking a rocky canyon. Tattered curtains hang behind broken windows, and a turret stretches toward the sky. Three years ago the wealthy owner disappeared suddenly, leaving behind a house full of secrets: A mysterious note, tantalizing clues, a hidden floor, one piece of a treasure map, and a missing fortune in diamonds. Thirteen-year-old sleuth Skylar Robbins moves into the mansion with her parents and embarks on a new and dangerous mission. Armed with her detective kit, and with the support of her BFF Alexa and a team of secret agents, Skylar sets out to decipher the clues and find the diamonds. Can she outwit a gang of older bullies and find the hidden jewels before they do? Or will the perils of middle school--like battling ruthless Emelyn Peters for the attention of class hottie Dustin Coles--get in her way? Skylar Robbins: The Mystery of the Hidden Jewels is an Amazon #1 Bestseller in Children's Detective Books, was voted Book-of-the-Month by LASR readers, won the 5-star Reader's Favorite award, and was a Top Ten Finalist for an Author Academy Award in the YA/Middle Grade category. Jaycee and Rachel were best friends. But that was before. Before that terrible night at the old house. Before Rachel shut Jaycee out. Before Jaycee chose Skyler over Rachel. Then Rachel is found dead. The police blame a growing gang problem in their small town, but Jaycee is sure it has to do with that night at the old house. Rachel's text is the first clue--starting Jaycee on a search that leads to a shocking secret. Rachel's death was no random crime, and Jaycee must figure out who to trust before she can expose the truth. Jennifer Shaw Wolf keeps readers on their toes in another dark, romantic story of murder and secrets. We are now on the brink of a new era in construction – that of autonomous assembly. For some time, the widespread adoption of robotic and digital fabrication technologies has made it possible for architects and academic researchers to design non-standard, highly customised structures. These technologies have largely been limited by scalability, focusing mainly on top-down, bespoke fabrication projects, such as experimental pavilions and structures. Autonomous assembly and bottom-up construction techniques hold the promise of greater scalability, adaptability and potentially evolved design possibilities. By capitalising on the advances made in swarm robotics, the collective construction of the animal/insect kingdom, and advances in physical computational, programmable materials or self-assembly, architects and designers are now able to build from the bottom up. This issue presents future scenarios of autonomous assembly by highlighting the viability of decentralised, collective assembly systems, demonstrating the potential to deliver reconfigurable and adaptive solutions. Contributors include: Marcelo Coelho, Andong Liu, Robin Meier, Kieran Murphy and Heinrich Jaeger, Radhika Nagpal and Kirstin Petersen, and Zorana Zeravcic. Featured architects: Aranda/Lasch, Arup, Philippe Block, Gramazio Kohler Architects, Ibañez Kim, Achim Menges, Caitlin Mueller, Jose Sanchez, Athina Papadopoulou and Jared Laucks, and Skylar Tibbits. The New York Times and Washington Post bestseller that changed the way millions communicate “[Crucial Conversations] draws our attention to those defining moments that literally shape our lives, our relationships, and our world. . . . This book deserves to take its place as one of the key thought leadership contributions of our time.” —from the Foreword by Stephen R. Covey, author of The 7 Habits of Highly Effective People “The quality of your life comes out of the quality of your dialogues and conversations. Here’s how to instantly uplift your crucial conversations.” —Mark Victor Hansen, cocreator of the #1 New York Times bestselling series Chicken Soup for the Soul® The first edition of Crucial Conversations exploded onto the scene and revolutionized the way millions of people communicate when stakes are high. This new edition gives you the tools to: Prepare for high-stakes situations Transform anger and hurt feelings into powerful dialogue Make it safe to talk about almost anything Be persuasive, not abrasive HER MONTANA COWBOY Sometimes tragedy is a second chance in disguise... He was the one. The one she loved but couldn't have without revealing the truth of her past. That's why she left, why she's stayed away, and why she has to return... Paralyzed by a riding accident, Seth Rowland doesn't want physical therapist Grace Korbit to see him like this. Of all people, why her? But Grace is the best, and if he stands a chance at recovery, she's the one to help him. Maybe if he cooperates he'll be able to walk again, get her to reveal the truth of why she'd left—and convince her to stay. HER COWBOY SHERIFF Sheriff Jonas Taggart needs a helping hand with his daughter and Rissa Matthews and her Goth-dressing teen are definitely not it. He can't afford to fall for a woman who doesn't plan to stick around, much less one who can't control her own kid. But the girls become friends, and it isn't long before Jonas' perspective takes a hard hit. Of all the people in the world for him and his daughter to love... why did it have to be them? PROTECTING THE SHERIFF'S DAUGHTER With all her heart Carly Taggart wants to be a mother, but without a husband there's only one way she knows to make it happen—become a foster parent. She's signed up, willing, waiting and ready...oh so ready. Liam McKenna is assigned by Carly's sheriff father to keep her out of trouble while the sheriff is away. When he learns of her plan, Liam is sure she's headed for it—lock, stock, and barrel. Foster kids are messed up. Broken. Trouble. He ought to know since he was one. There's no talking sense into Carly, and soon Liam finds himself dragged into the chaos and falling for her despite knowing better. She's a softie, in for a hard fall because those kids aren't hers to keep. But he's sticking around, and maybe once she knows how painful it can be to let them go, she'll drop the nonsense of having kids and— keep him instead? I could not put this book down and have told all of my friends to get a copy to read. I can't wait for the rest of the series!!! It was a fun refreshing take on magic and creatures. The characters are so captivating. I am glad to see a magic related series that

is more female based and has more of the "Supernatural" feel to it.- L. Coffing Added to my collection of urban fantasy beautifully written – Tevin I've read other things by this author, but this one stands head and shoulders above the others! Fast paced, fascinating characters, twists and turns, loved it all and am so happy I could dive right into the second. Keep them coming - don't want to go into withdrawals! – Tami Cowles This is a well-structured and exciting tale, with a magical system that any Fantasy lover would die for. This inspiring first novel shows a promising start to a series and kept a firm grasp on my attention throughout. Trials of Magic makes for an addictive read. Many times, I even found myself shouting at the characters, praying either for their safety or for them to succeed in their endeavors. A true work of fiction with great artistic flair. There is a lot of heart embedded within these pages. Trials of magic is a five-star read and a real credit to Mr. Thomas Carpenter. – Dax Munro TRA I've always enjoyed coming-of-age novels and this one is fantastic. It is Well written, well plotted, and gripping. The characters and plot do not let you go. -PRBC I thoroughly enjoyed reading this book. The characters are all interesting. I couldn't predict what would happen (which I LOVE), and I can hardly wait to find out what happens next. (I also appreciate that I want more, but that the book actually ended very well, and not in a cliffhanger.) Thomas Carpenter is a new favorite author for me! – Skipperdo Loved this new book. It's amazing how real Carpenter makes this world and all the people in it. – Sharon Brigham Spratt Animalians I really love how quickly you fall head over heels for the Animalian Hall. – Yorkiemom The Animalians series is easily one of the most enjoyable reads I have had in the past year. Filled with a relatable heroine, strong character building and equal doses of magic and action, the series starts strong and only gets better. – amazon customer This is an excellent series. Fun and amazing characters with each a great separate plot. – Zippy Inger This is one of the most amazing, spellbound series I have read in a long time. Loads of action, adventure, suspense and supernatural creatures. A must read series!- Liza van der Pluym Gamemakers- Fast paced and spot on descriptions will keep you turning pages well into the night. If you adore Jordan and Martin, Thomas Carpenter and his Hundred Halls series are MUST READS as sci-fantasy of today! – Lynda C. If you want lots of interesting action and characters, this book has it. – J Krug LitRPG has become very formulaic as a genre. The warped Forest steps beyond those norms and explores character development and world exploration/design in excellent ways. – Scott Reimers Stone singers I have treasured each and every one of the Hundred Halls stories. Tom Carpenter has a unique style of writing which is always brilliantly researched, detailed for easy visualization and reads like you have a master storyteller in your head. – Lynda C It's a well written, enthralling read that grabs you from the get go. The world building is incredible, the storyline, action packed and fast paced and the characters intriguing. Thrust into a world of soul swapping, magic, music, secrets and so much more, this had me on the edge of my seat and I could not put it down. – Debbie Like all the other hundred hall series this one does not disappoint. Very unique scenarios and most unsuspecting plots. Fall in love with Minerva and follow her on her path of survival. – Liza van der Pluym KEYWORDS: contemporary fantasy, coming of age, fae, complete series, bestselling, urban fantasy, action adventure, academy, new adult, university, dark fantasy, family, young adult, YA fantasy, wizard, mage, witch, dragon, supernatural, supernatural suspense, fantasy series, fantasy series for adults, paranormal mystery, magical worlds, modern fantasy, occult, paranormal, enemies to friends, legend, folk tale, elite, dark magic, thrilling, college, hero, power, privilege, hundred halls, thomas k. carpenter, forbidden magic, strong female lead, orphans, alternate worlds, class differences, badass women, binge read, loners and outcasts, found family, enemies to lovers, sword, spellbinding, magical heist, sprawling series, assassins, spies, diplomacy, rune spells, demonology, shape changing, soul magic, arcane, divination, harry potter, magicians, hundred halls, multi-series, epic adventure, animal companion, fantastic families, magical academies Similar Authors: Christopher Nuttal, L. All of which are hard enough without hot, snobby hockey player Ben Buckingham around to distract me. I can't stand Ben, and I know the feeling is mutual. But he's best friends with Skylar's boyfriend, so he's always around—taunting and tempting me in ways that really rile me up. Ben As the star forward of the Bayard College hockey team, I have goals too, like playing well enough to land a spot on an NHL roster. I'm perfectly in control on the ice, so why can't I keep my cool around Ella? Her wild behavior rubs me in all the wrong ways—and a few of the right ones. But as we skate around each other, I learn there's more to Ella than her bad reputation. And when the line between love and hate starts to blur, I can't resist crossing over and sweeping her off her feet. From the visionary founder of the Self-Assembly Lab at MIT, a manifesto for the dawning age of active materials Things in life tend to fall apart. Cars break down. Buildings fall into disrepair. Personal items deteriorate. Yet today's researchers are exploiting newly understood properties of matter to program materials that physically sense, adapt, and fall together instead of apart. These materials open new directions for industrial innovation and challenge us to rethink the way we build and collaborate with our environment. Things Fall Together is a provocative guide to this emerging, often mind-bending reality, presenting a bold vision for harnessing the intelligence embedded in the material world. Drawing on his pioneering work on self-assembly and programmable material technologies, Skylar Tibbits lays out the core, frequently counterintuitive ideas and strategies that animate this new approach to design and innovation. From furniture that builds itself to shoes printed flat that jump into shape to islands that grow themselves, he describes how matter can compute and exhibit behaviors that we typically associate with biological organisms, and challenges our fundamental assumptions about what physical materials can do and how we can interact with them. Intelligent products today often rely on electronics, batteries, and complicated mechanisms. Tibbits offers a different approach, showing how we can design simple and elegant material intelligence that may one day animate and improve itself—and along the way help us build a more sustainable future. Compelling and beautifully designed, Things Fall Together provides an insider's perspective on the materials revolution that lies ahead, revealing the spectacular possibilities for designing active materials that can self-assemble, collaborate, and one day even evolve and design on their own. "Skylar barely understands what she is, and her introduction to the supernatural world is terrifying. In her eyes, werewolves are no different than the vampires who killed her mother. As the vampires' efforts to capture her grow bolder, she reluctantly accepts the Midwest Pack's assistance. Ethan soon discovers Skylar is more than she seems -- a werewolf who can wield magic in previously unknown and dangerous ways. The list of Skylar's enemies grows, and some in the pack want to kill her to prevent a larger catastrophe. Will Ethan risk the lives of his brother and packmates to protect a woman he doesn't know?"--Amazon.com. Julie Cross's Vortex is the thrilling second installment of the Tempest series, in which the world hangs in the balance as a lovelorn Jackson must choose who to save Jackson Meyer has thrown himself into his role as an agent for Tempest, the shadowy division of the CIA that handles all time-travel-related threats. Despite his heartbreak at losing the love of his life, Jackson has proved himself to be an excellent agent. However, after an accidental run in with Holly—the girl he altered history to save—Jackson is once again reminded of what he's lost. And when Eyewall, an opposing division of the CIA, emerges, Jackson and his fellow agents not only find themselves under attack, but Jackson begins to discover that the world around him has changed and someone knows about his erased relationship with Holly, putting both their lives at risk all over again. “I loved the entire Bedroom Games series. But will a betrayal by the coach send him off the rails again? Start the Flyght Series today with First Flyght, Broken Flyght, and High Flyght all in one ebook set. Betrayal will send her back to him. Grit and determination will forge her future. Vivian Kawabata is ready to claim her birthright and ascend to the head of the family empire, but that dream ends when her brother stabs her in the back, draining the accounts and leaving her unable to pay for so much as a pair of shoes. But she's not giving up without a fight. To stand a chance of restoring her rightful place in the universe, the rule-following Vivian may have to break a few intergalactic laws. After how she's been treated, it's a price she's willing to pay. With an old starship she secured from her aunt, she takes on two new roles: a sexy heiress collecting eligible bachelors and a hard-nosed captain rebuilding a lost fortune by any means necessary. Completely out of her depth, she'd be sunk without the help of a relationship broker, a handsome ex-boyfriend, a hacker with a heart of gold, and a host of other romantic partners she meets along the way. With a business that runs the razor's edge between trade and smuggling, the former high-society socialite will have to choose between love and business if she's to rebuild her empire. First Flyght is the first book in the Flyght Series of star-spanning sci-fi romance. Broken Flyght and High Flyght are books 2 and 3 of the six-book completed series. If you like action-packed space operas and a universe full of twists, then you'll love S. J. Pajonas's interstellar adventure. Please note: THIS SERIES MUST BE READ IN ORDER. It is a true series and plot elements carry through every book, from beginning to end. You will miss too much by reading this series out of order or skipping around. The Flyght Series is complete at six books. This is also a slow-burn RH series that contains profanity and sexual situations. Standalone Books in the Jake Series: Jake Undone (Jake #1) My Skylar (Jake #2) Jake Understood (Jake #3) THE DEATH OF THE LORD JESUS CHRIST is a subject of never-failing interest to all who study prayerfully the scripture of truth. This is so, not only because the believer's all both for time and eternity depends upon it, but also, because of its transcendent uniqueness. Four words appear to sum up the salient features of this mystery of mysteries: the death of Christ was natural, unnatural, preternatural, and supernatural.The death of Christ was natural. By this we mean that it was a real death. It is because we are so familiar with the fact of it that the above statement appears simple and commonplace, yet, what we here touch upon is to the spiritual mind one of the main elements of wonderment. The one who was "taken, and by wicked hands" crucified and slain was none other than Jehovah's "Fellow." Feelings will be hurt, and the things they've done in the dark will come back to haunt them, whether or not they're prepared. Nowadays, you have to be careful who you call a friend. THIS HIGHLY GIFTABLE DELUXE EDITION OF THE BESTSELLER INCLUDES THREE ALL-NEW CHAPTERS Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood. If seventeen-year-old Skylar Evans were a typical Creek View girl, her future would involve a double-wide trailer, a baby on her hip, and the graveyard shift at Taco Bell. But after graduation, the only thing standing between straightedge Skylar and art school are three minimum-wage months of summer. Skylar can taste the freedom—that is, until her mother loses her job and everything starts coming apart. Torn between her dreams and the people she loves, Skylar realizes everything she's ever worked for is on the line. Nineteen-year-old Josh Mitchell had a different ticket out of Creek View: the Marines. But after his leg is blown off in Afghanistan, he returns home, a shell of the cocksure boy he used to be. What brings Skylar and Josh together is working at the Paradise—a quirky motel off California's dusty Highway 99. Despite their differences, their shared isolation turns into an unexpected friendship and soon, something deeper. I'm a savage.New York City is my personal playground.I see.I touch.I conquer.I hold the fate of her family in my handsAnd I make a deal with her she can't refuse.I'll forgive her father's debt if I can have one thing in exchange: her.She promised herself she wouldn't get addicted, but nothing is guaranteed when you make a deal with a savage.Now this debt is her cross to bear. Over the course of a single night, mystical fires tore through the sky and reduced most of Earth to ash. Ten years later magical fire burns again, but this time it's in the hands of a young girl named Skylar. Exiled from her adoptive home, Skylar must now struggle through ruined lands and religious zealots who believe she's an agent of the Devil. An even greater threat exists in the form of shadowy sorcerers from another world who covet her blood. Along her journey, she meets a motley band of outcasts who not only know the secret of what happened to Earth, but also of Skylar's true origin. Will Skylar be able to accept this fantastical truth? But more importantly, can her powers and raging heart be tamed in time to stop those who once burned the world and now seek total domination? Ivy and Martha are not ordinary best friends. Ivy is a changeling with supernatural powers—or at least that's what she says . . . Martha is incredibly unpopular. She's overweight, buck-toothed, and shy. Ivy is an outcast. Her family lives on the outskirts of town amid a field of derelict orchards. But starting in second grade, the girls form a bond that allows them to take control of their own lives. It all begins when Ivy tells Martha that she is no ordinary girl: She claims she's a changeling, switched with the real Ivy at birth. With the strength of Ivy's friendship, Martha becomes more confident and sure of herself. And through their bond, Ivy gains the normalcy she needs, away from life with her tumultuous family. When the two girls play, they enter an elaborate fantasy world all their own. But when the real world threatens to split them apart, their friendship becomes more important than ever. This ebook features an extended biography of Zilpha Keatley Snyder. In Pretty Little Killers, journalist Daleen Berry and investigator Geoffrey Fuller expand upon their New York Times bestselling ebook The Savage Murder of Skylar Neese to give you even more information behind one of the most horrific and shocking murders of our time. Including over 100 pages of new material, Pretty Little Killers shares the latest theories and answers the questions that have left many people baffled. After killer Shelia Eddy pled guilty to first degree murder and was sentenced to life in prison and Rachel Shoaf was sentenced to thirty years for second-degree murder, family, friends, investigators, and other key sources reveal the facts you would have learned if the case had gone to trial. Including specific details drawn from Rachel's confession, Pretty Little Killers looks at the crime through the eyes of the victim and killers, providing intimate testimony from the pages of Rachel's personal journal, Skylar's diary and school papers, and court records. Berry and Fuller examine all this, including previously unreported details about Rachel and Shelia's rumored lesbian relationship and explain why more than one investigator believes Skylar's murder was a thrill kill. Most important, Pretty Little Killers provides a satisfying answer to Skylar's final question: "Why?" Good Couple Happy and retired, Tom and Jackie Hawks lived a charmed life in sunny Southern California. They were delighted when former child star Skylar Deleon and his pregnant wife Jennifer offered cash to purchase their 55-foot yacht The Well Deserved. . . Bad Couple But a trial voyage turned into a nightmare. Out at sea, the Hawkses begged for their lives as they were forced to sign everything over to Skylar. In return, they were tied to the ship's anchor and thrown overboard--alive. . . Dead Couple Skylar and Jennifer's twisted story became even more shocking when Skylar's unusual sexual motivations were revealed in court. After killing a man while out of jail on work furlough, he reportedly tried to hire hits from prison on four witnesses, including his father. . . For this former child actor, the answer to "Where Are They Now?" is Death Row. "A thrilling account of murder and mayhem." --M. William Phelps "A chilling read by a writer at the top of her game." --Gregg Olsen "A breathless tale of unthinkable events that no true crime fan should miss." --Katherine Ramsland 16 Pages Of Shocking Photos! How's an ordinary girl to keep her cool when an international male model moves in next door? Ava With hard work and a complete belief in myself, combined with enough time to build momentum, I'd been able to create quite an online following with my beauty channel. If only my fans knew my makeup skills were born from a desperate need to cover up my secret. They would have never known any better had that stupid model not shown up next door and catwalked his way into my life with his sculpted cheekbones and his seaglass eyes. Ryder Modeling was an interesting sport. Some of the most beautiful women were actually quite ugly under all the glamour. Coming home to Nickel Bay, I saw that sometimes the most ordinary women were truly the most beautiful. Ava is exactly that. Gorgeous. Even after we become friends and her secret is exposed publicly. Unfortunately, I'm to blame for that and I'm not sure she'll ever forgive me. Why can't she see past her perception of perfect? Perfectly Imperfect Us is a sweet small-town romantic comedy that can be read as a standalone in the Nickel Bay Brothers series. 2017 Readers' Favorite Bronze Medal Winner in Young Adult-Action The King was dead. His body was found slain in his room, only months after his son had been brutally murdered. Skylar Mandolyn, his daughter, has now become the last heir to inherit the throne. But instead of becoming Queen, she has been imprisoned for helping in the escape of Sir Harlin Brien, her knight who was framed for the King's murder. Confined to darkness, Skylar's captors have given her no choice but to yield to a new kind of enemy: a kingdom that has advanced in both technology and warfare. It's when she refuses that the prison uses its other means of persuasion, and although unmerciful, the whip lashings and isolation can't suppress the memories of her family's downfall. Pulled between her subconscious and reality, Skylar already knows who the true enemy is, because even the darkness can't hide the deceptive hands that have destroyed them all. With two kingdoms on the brink of war, Skylar's only hope is in the person who has gone missing--Harlin, the knight who was sworn to protect her. The memory of him surrounds her when the darkness screams louder than the prisoners, and when Death smiles a faceless grin in between the cracks of the stone. While the tremors start to rise from the deep, crawling up through the prison's walls, Skylar will soon see why he's one of the benighted. Welcome to the 90 Day Rise Up Kings journal. I'm a 23-year old digital librarian living in San Francisco. I thought I would be intellectually satisfied working at this cool, historic yet chic, jewel box of a library downtown, and going out with friends, but then something tragic happened, and now I'm learning ethical computer hacking skills and solving crimes. A note on how I'm telling this story: Along with reading the main action, told in 25 chapters in five parts, you'll be able to read my blog entries at LibrarianDetective.com, where I reveal my investigative process. Readers can comment on the chapters and blogs, submit tips on the website, and interact on social media via XTwitter at @LibrarianDetect. Cover art by Kim Frohsin A breakthrough program for triathletes -- beginner, intermediate, and advanced -- showing how to balance training intensity to maximize performance -- from a fitness expert and elite coach. Cutting-edge research has proven that triathletes and other endurance athletes experience their greatest performance when they do 80 percent of their training at low intensity and the remaining 20 percent at moderate to high intensity. But the vast majority of recreational triathletes are caught in the so-called "moderate-intensity rut," spending almost half of their time training too hard--harder than the pros. Training harder isn't smarter; it actually results in low-grade chronic fatigue that prevents recreational athletes from getting the best results. In 80/20 Triathlon, Matt Fitzgerald and David Warden lay out the real-world and scientific evidence, offering concrete tips and strategies, along with complete training plans for every distance--Sprint, Olympic, Half-Ironman, and Ironman--to help athletes implement the 80/20 rule of intensity balance. Benefits include reduced fatigue and injury risk, improved fitness, increased motivation, and better race results. Thirteen-year-old sleuth Skylar Robbins is about to take on her most dangerous case yet. The challenge: braving a savage enemy while solving the mystery of a strangely frightening idol. Skylar's new high-tech detective gadgets give her intelligence an extra edge. A canister of Invisi-powder is vital when she and her assistant detective, Alexa, suddenly need to disappear. Earbuds and a small high-powered microphone make up a Soundtrap: perfect for eavesdropping on her crush while he plays My Secret Kiss, or on the boys in the next hut while they devise a terribly risky plan. Her Supalight, visible from half a mile away, enables Skylar's crew to message her during a midnight attack. Night vision goggles might save her life when she's chased through a dark jungle with her brilliant partner, Daniel Gannon. Fierce island natives will stop at nothing to prevent the teens from discovering the true meaning of the idols. Will Skylar's team survive to return to middle school? Or will this field trip be their last adventure? Skylar Robbins mysteries have won multiple awards, and more than one have been Amazon #1 Bestsellers in Children's Detective Books. Accolades include being voted Book-of-the-Month by LASR readers, three 5-star Reader's Favorite awards, and one was a Top Ten Finalist for an Author Academy Award in the YA/Middle Grade category. When best friends Skylar and Ella begin to drift apart, they try to fix their friendship by creating the ultimate BFF Summer Bucket List in this funny and heartfelt M!X novel. Ella and Skyler have been best friends since kindergarten—so close that people smooch their names together like they're the same person: EllaandSkyler. SkylerandElla. But Ella notices the little ways she and Skyler have been slowly drifting apart. And she's determined to fix things with a fun project she's sure will bring them closer together—The BFF Bucket List. Skyler is totally on board. The girls must complete each task on the list together: things like facing their fears, hosting a fancy dinner party, and the biggest of them all—speaking

actual words to their respective crushes before the end of summer. But as new friends, epic opportunities, and super-cute boys enter the picture, the challenges on the list aren't the only ones they face. And with each girl hiding a big secret that could threaten their entire friendship, will the list—and their BFF status—go bust? From Sara Shepard, the #1 New York Times bestselling author of *Pretty Little Liars*, comes *The Heiresses*—a novel about the Saybrooks, a diamond family blessed with beauty and fortune yet plagued by a string of tragic and mysterious deaths. The only thing more flawless than a Saybrook's *solitaire* is the family behind the diamond empire. Beauties, entrepreneurs, debutantes, and mavens, the Saybrooks are the epitome of high society. Anyone would kill to be one of them. But be careful what you wish for, because if you were a Saybrook, you'd be haunted by secrets and plagued by a dark streak of luck. Tragedy strikes the prominent family yet again on a beautiful morning in May when thirty-four-year-old Poppy, the most remarkable Saybrook of them all, flings herself from the window of her office. Everyone is shocked that someone so perfect would end her own life—until her cousins receive an ominous warning: One heiress down, four to go. Was it suicide . . . or murder? And who will be next: Aster, the beautiful but reckless girl who's never worked a day in her life—and who's covering up her father's darkest secret? Her older sister, Corrine, whose meticulously planned future is about to come crashing down around her? Perhaps it will be Natasha, the black sheep of the family who suddenly disinherited herself five years ago. Or maybe the perpetually single Rowan, who had the most to gain from her cousin's death. A gripping, edge-of-your-seat thriller about heiresses who must uncover a dark truth about their family before they lose the only thing money can't buy: their lives. "Romantic, suspenseful, and witty all at once—Alice in Wonderland meets Neverwhere."—Claudia Gray, New York Times bestselling author of the *Evernight* series "Today is my birthday." In Selkie's family, you don't celebrate birthdays. You don't talk about birthdays. And you never, ever reveal your birth date." Until now. The instant Selkie blurts out the truth to Ben in the middle of Boston Common, her whole world shatters. Because her life has been nothing but a lie—an elaborate enchantment meant to conceal the truth: Selkie is a half-faerie princess. And her mother wants her dead.
