**The Unending Frontier** John F. Richards,2003-05-15 John F

The Unending Frontier John F. Richards,2003-05-15 It was the age of exploration the age of empire and conquest and human beings were extending their reach and their numbers as never before In the process they were intervening in the world s natural environment in equally unprecedented and dramatic ways A sweeping work of environmental history The Unending Frontier offers a truly global perspective on the profound impact of humanity on the natural world in the early modern period John F Richards identifies four broadly shared historical processes that speeded environmental change from roughly 1500 to 1800 c e intensified human land use along settlement frontiers biological invasions commercial hunting of wildlife and problems of energy scarcity The Unending Frontier considers each of these trends in a series of case studies sometimes of a particular place such as Tokugawa Japan and early modern England and China sometimes of a particular activity such as the fur trade in North America and Russia cod fishing in the North Atlantic and whaling in the Arctic Throughout Richards shows how humans whether clearing forests or draining wetlands transporting bacteria insects and livestock hunting species to extinction or reshaping landscapes altered the material well being of the natural world along with their own

*Slave in a Palanquin* Nira Wickramasinghe, 2020-11-17 For hundreds of years the island of Sri Lanka was a crucial stopover for people and goods in the Indian Ocean For the Dutch East India Company it was also a crossroads in the Indian Ocean slave trade Slavery was present in multiple forms in Sri Lanka then Ceylon when the British conquered the island in the late eighteenth century and began to gradually abolish slavery Yet the continued presence of enslaved people in Sri Lanka in the nineteenth century has practically vanished from collective memory in both the Sinhalese and Tamil communities Nira Wickramasinghe uncovers the traces of slavery in the history and memory of the Indian Ocean world exploring moments of revolt in the lives of enslaved people in the wake of abolition She tells the stories of Wayreven the slave who traveled in the palanquin of his master Selestina accused of killing her child Rawothan who sought permission for his son to be circumcised and others enslaved or emancipated who challenged their status Drawing on legal cases petitions and other colonial records to recover individual voices and quotidian moments Wickramasinghe offers a meditation on the archive of slavery She examines how color based racial thinking gave way to more nuanced debates about identity complicating conceptions of blackness and racialization A deeply interdisciplinary book with a focus on recovering subaltern resistance *Slave in a Palanquin* offers a vital new portrait of the local and transnational worlds of the colonial era Asian slave trade in the Indian Ocean

*The Collapse of Complex Societies* Joseph Tainter, 1988 Dr Tainter describes nearly two dozen cases of collapse and reviews more than 2000 years of explanations He then develops a new and far reaching theory

What Is Global History? Sebastian Conrad, 2017-08-29 The first comprehensive overview of the innovative new discipline of global history Until very recently historians have looked at the past with the tools of the nineteenth century But globalization has fundamentally altered our ways of knowing and it is no longer possible to study nations in isolation or to understand world history as emanating from the West This book reveals why the discipline of global history has emerged as the most dynamic and innovative field in history one that takes the connectedness of the world as its point of departure and that poses a fundamental challenge to the premises and methods of history as we know it What Is Global History provides a comprehensive overview of this exciting new approach to history The book addresses some of the biggest questions the discipline will face in the twenty first century How does global history differ from other interpretations of world history How do we write a global history that is not Eurocentric yet does not fall into the trap of creating new centrisms How can historians compare different societies and establish compatibility across space What are the politics of global history This in depth and accessible book also explores the limits of the new paradigm and even its dangers the question of whom global history should be written for and much more Written by a leading expert in the field What Is Global History shows how by understanding the world s past as an integrated whole historians can remap the terrain of their discipline for our globalized present

**The Cambridge History of America and the World: Volume 1, 1500-1820** Eliga Gould, Paul Mapp, Carla Gardina Pestana, 2022-03-03 The first volume of The Cambridge History of America and the World examines how the United States emerged out of a series of colonial interactions some involving indigenous empires and communities that were already present when the first Europeans reached the Americas others the adventurers and settlers dispatched by Europe s imperial powers to secure their American claims and still others men and women brought as slaves or indentured servants to the colonies that European settlers founded Collecting the thoughts of dynamic scholars working in the fields of early American Atlantic and global history the volume presents an unrivalled portrait of the human richness and global connectedness of early modern America Essay topics include exploration and environment conquest and commerce enslavement and emigration dispossession and endurance empire and independence new forms of law and new forms of worship and the creation and destruction when the peoples of four continents met in the Americas

Many Middle Passages Emma Christopher, Cassandra Pybus, Marcus Rediker, 2007-09-03 Extends the concept of the Middle Passage to encompass the expropriation of people across other maritime and inland routes No previous book has highlighted the diversity and centrality of middle passages voluntary and involuntary to modern global history Kenneth Morgan author of Slavery and the British Empire This volume extends the now well established project of Atlantic World Studies beyond its geographic and chronological frames to a genuinely global analysis of labour migration It is a work of major importance that sparkles with new discoveries and insights Rick Halpern co editor of Empire and Others British Encounters with Indigenous Peoples 1600 1850

The Fall and Rise of the Wetlands of California's Great Central Valley Philip Garone, 2020-03-03 This is the first comprehensive environmental history of California s Great Central Valley where extensive freshwater and tidal wetlands once provided critical habitat for tens of millions of migratory waterfowl Weaving together ecology grassroots politics and public policy Philip Garone tells how California s wetlands were nearly obliterated by vast irrigation and reclamation projects but have been brought back from the brink of total destruction by the organized efforts of duck hunters whistle blowing scientists and a broad coalition of conservationists Garone examines the many demands that have been made on the Valley s natural resources especially by large scale agriculture and traces the unforeseen ecological consequences of our unrestrained manipulation of nature He also investigates changing public and scientific attitudes that are now ushering in an era of unprecedented protection for wildlife and wetlands in California and the nation
