Maurice Blanchot the eminent literary and cultural critic has had a vast influence on contemporary French writers among them Jean Paul Sartre and Jacques Derrida From the 1930s through the present day his writings have been shaping the international literary consciousness *The Space of Literature* first published in France in 1955 is central to the development of Blanchot s thought In it he reflects on literature and the unique demand it makes upon our attention Thus he explores the process of reading as well as the nature of artistic creativity all the while considering the relation of the literary work to time to history and to death This book consists not so much in the application of a critical method or the demonstration of a theory of literature as in a patiently deliberate meditation upon the literary experience informed most notably by studies of Mallarmé Kafka Rilke and Hölderlin Blanchot s discussions of those writers are among the finest in any language *The End and the Beginning* Hermynia Zur Mühlen,2010 First published in Germany in 1929 *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious high spirited young woman s struggle to achieve independence Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro Hungarian Empire Hermynia Zur Mühlen spent much of her childhood travelling in Europe and North Africa with her diplomat father After five years on her German husband s estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism Besides translating many leading contemporary authors notably Upton Sinclair into German she herself published an impressive number of politically engaged novels detective stories short stories and children s fairy tales Because of her outspoken opposition to National Socialism she had to flee her native Austria in 1938 and seek refuge in England where she died virtually penniless in 1951 This revised and corrected translation of Zur Mühlen s memoir with extensive notes and an essay on the author by Lionel Gossman will appeal especially to readers interested in women s history the Central European aristocratic world that came to an end with the First World War and the culture and politics of the late nineteenth and early twentieth centuries *Extravagant Inventions* Wolfram Koeppel,2012 Catalogue published in conjunction with the exhibition *Extravagant Inventions the Princely Furniture of the Roentgens* on view at The Metropolitan Museum of Art New York from October 30 2102 through January 27 2013 **Does My Head Look Big in This?** Randa Abdel-Fattah,2014-05-01 Don t panic I m Islamic Amal is a 16 year old Melbourne teen with all the usual obsessions about boys chocolate and Cosmo magazine She s also a Muslim struggling to honour the Islamic faith in a society that doesn t understand it The story of her decision to shawl up is funny surprising and touching by turns **The Learned Lady in England, 1650-1760** Myra Reynolds,1920 **A Modern History of German Criminal Law** Thomas

Vormbaum,2013-10-01 Increasingly international governmental networks and organisations make it necessary to master the legal principles of other jurisdictions Since the advent of international criminal tribunals this need has fully reached criminal law A large part of their work is based on comparative research The legal systems which contribute most to this systemic discussion are common law and civil law sometimes called continental law So far this dialogue appears to have been dominated by the former While there are many reasons for this one stands out very clearly Language English has become the lingua franca of international legal research The present book addresses this issue Thomas Vormbaum is one of the foremost German legal historians and the book s original has become a cornerstone of research into the history of German criminal law beyond doctrinal expositions it allows a look at the system s genesis its ideological political and cultural roots In the field of comparative research it is of the utmost importance to have an understanding of the law s provenance in other words its historical DNA

Debating Diversity Jan Blommaert,Jef Verschueren,2002-03-11 Immigration racism and nationalism have become hotly debated issues in the Western world This highly original and controversial work focuses on the language used by the vast majority who regard themselves as being open to a multi cultural society Using Belgium as a case study and drawing parallels with the UK US Europe and the former Yugoslavia the authors analyse this language and reveal a remarkable consistency between these liberal voices such as in news reporting and the language used by radical racist and nationalist groups
