Now in its fourth Canadian edition, *New Media: An Introduction* surveys the social, political, and economic impacts of new media, from the early days of the telegraph to the latest mobile and network technologies. Drawing on the most recent research in the field, the text explores crucial topics such as social networking and participatory cultures, gaming and mobile technologies, creative industries, and internet law, policy, and governance. Featuring an in-depth treatment of new media theories, engaging case studies, and Canadian examples throughout, *New Media* offers students a comprehensive introduction from a Canadian perspective. This fourth edition sees the combination of Chapter 6 (Games) and Chapter 7 (Creative Industries) to accommodate the inclusion of a brand-new chapter on truth and misinformation in the post-truth era, which covers topics such as fake news, the rise of deepfakes, and the ways in which the field of journalism has had to adapt to a new age of technology. This new edition will be the most up-to-date new media text on the market, including the latest discussion on current issues and topics, including media archaeology, surveillance, e-waste, labour practices, the politics of data, biases in algorithmic media, and the gig economy. Now with more headings to help readers navigate topics easily, *New Media* is the best text available for introductory students learning about the Canadian media landscape. The fast-paced world of e-business can quickly make conventional educational resources and techniques out of date. This text explores the relationship between information and communication technology and the world of business, which has become an increasingly important and intertwined relationship. This text keeps pace with these changes by providing the "classic" lessons and principles of e-business practice. The fourth edition of *Crime and Criminology* is a concise, comprehensive overview of criminological theory. By relating

classical and contemporary theories to current criminological concerns through case studies and examples - such as racial profiling, sex trafficking, domestic violence, and cybercrime - the fourth edition is an up-to-date and remarkably accessible introduction to the study of theory in Canadian criminology. Note: If you are purchasing an electronic version, MyBCommLab does not come automatically packaged with it. To purchase MyBCommLab, please visit [www. MyBCommLab.com](http://www.MyBCommLab.com) or you can purchase a package of the physical text and MyBCommLab searching for ISBN 10: 0133508706 / ISBN 13: 9780133508703.

Business Communication Essentials introduces you to the fundamental principles of business communication and gives you the opportunity to develop your communication skills. You'll discover how business communication differs from personal and social communication, and you'll see how today's companies are using blogs, social networks, podcasts, virtual worlds, wikis, and other technologies. Business Communication Essentials offers you the opportunity to practise communication skills that will help you get jobs and be promoted in today's workplace. The new fifth Canadian edition is student-friendly and features the most extensive end-of-chapter activities available, including questions, exercises, assignments, and cases. The fourth Canadian edition of Weygandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been carefully developed to build upon the highly regarded "Student Success" foundation for which it has become known over the years. The book has been praised by students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation; these key elements have been further enhanced in the fourth edition. Our ongoing series of workshops, "Ensuring Student Success in Principles of Accounting", has provided an understanding of how instructors teach and how they use the materials we provide. This knowledge has allowed us to introduce a series of critical upgrades that will help you teach in more innovative and efficient ways. Just roll to the new edition of Weygandt and benefit from a whole new set of resources and problems. This is

the best Weygandt package we have ever produced! Welcome to the fourth Canadian edition of *On Cooking: A Textbook of Culinary Fundamentals*. Learning to cook entails much more than simply learning to follow a recipe. Consequently, this is neither a cookbook nor a collection of recipes. It is a carefully designed text intended to teach you the fundamentals of the culinary arts and to prepare you for a rewarding career in the food service industry. This work is a comprehensive account of the law of torts in Canada and provides complete coverage of the substantive law of torts in common law Canada. The second edition has been completely revised and consolidated into one volume. The chapter on negligence has been divided into several distinct chapters. Previously well-known torts have been reconsidered in light of new decisions appearing in the past ten years, such as those on negligent misrepresentation and qualified privilege. This exciting new textbook for introductory psychology helps to open students' minds to the idea that psychology is all around us. Authors RON COMER and LIZ GOULD encourage students to examine what they know about human behaviour and how they know it; and open them up to an appreciation of psychology outside of the classroom. *Psychology Around Us* helps students see the big picture by stressing the interconnected nature of psychological science. Almost every chapter within this first edition helps open students' minds to comprehend the big picture with sections that highlight how the different fields of psychology are connected to each other and how they connect to everyday life. This text highlights human development, brain function, abnormal psychology, and the individual differences in each area as cut-across themes to demonstrate these connections. Also included are two-page art spreads to demonstrate exactly *What Happens In The Brain* When we engage in everyday activities such as eat pizza, study psychology, or listen to music. The art featured in these spreads have been created especially for *Psychology Around Us* by an award-winning artist with input from faculty on how it will contribute to teaching and learning. Features: *Cut Across Connections* - Almost every chapter helps students comprehend the big picture with sections that highlight how the different fields of

psychology are connected to each other and how they connect to everyday life. What Happens in the Brain When...These two-page art spreads demonstrate exactly what happens in the brain when we engage in everyday activities such as eating pizza, studying psychology, or listening to music. Chapter Opening Vignettes - Every chapter begins with a vignette that shows the power of psychology in understanding a whole range of human behaviour. This theme is reinforced throughout the chapter, celebrating the extraordinary processes that make the everyday possible. Special topics on psychology around us - Each chapter highlights interesting news stories, current controversies in psychology, and relevant research findings that demonstrate psychology around us. The Practically Speaking box emphasizes the practical application of everyday psychology. Helpful study tools - Key Terms; Marginal Definitions; Marginal Notes; Chapter Summaries. This package includes a three-hole punched, loose-leaf edition of ISBN 9781119403791 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Management, with its rich Canadian content, accessible writing style, and currency, is the ideal introductory management product. It provides professors the opportunity to offer their students an engaging experience that will help them succeed. Students will learn to think critically and make sound business decisions using managerial theory as concepts are explored and reinforced by many real-world examples, exercises, and cases. With unique visual guides and models, and Lester Faigley's clear, accessible explanations, The Brief Pearson Handbook has established itself as the best-selling handbook to enter the market in eighteen years. This all-in-one handbook features excellent coverage of writing for different purposes, design and presentation, research and documentation, grammar and style, and writing

for ESL students making it the ultimate resource for students. Note: You are purchasing a standalone product; MyWritingLab does not come packaged with this content. The Williamson text provides a modern approach to macroeconomics in which core economic theory is explained with a focus on the microfoundations of macroeconomic theory using the fundamental concepts learned in microeconomics to understand macroeconomics. The Broadview Pocket Guide to Writing is a concise volume presenting essential material from the full Broadview Guide to Writing. Included are summaries of key grammatical points; a glossary of usage; advice on various forms of academic writing; coverage of punctuation and writing mechanics; helpful advice on how to research academic papers; and much more. Four commonly-used styles of citation and documentation are covered—MLA, APA, Chicago, and CSE. The revised fourth edition includes full coverage of the 2016 MLA Style changes. With its enhanced design and increased Canadian content, Basics of Social Research: Qualitative and Quantitative Approaches sets a new standard in social research methods. The improved layout makes a difficult subject easier to understand, with a new

four-colour, visually enhanced presentation. Updated Canadian content focuses on real research examples from Canadian studies to make social research accessible to students and demonstrate how social research has applications in the real world. Themed boxes and new end-of-chapter questions increases student learning and provides a foundation for further learning about social research methods. The 2nd edition of Canada's leading medical-surgical nursing text is now available! A team of outstanding Canadian editors and more than 50 contributors from across the country have collaborated to revise and update the entire text. This new edition of Lewis provides the most current Canadian content in a brand-new, student-friendly design. Four new chapters have been added to ensure coverage of key topics: Chronic Illness, Genetics, Obesity, and Emergency Preparedness and Disaster Management. This text delivers the most up-to-date Canadian research and statistics and reflects trends and issues in Canadian nursing practice today. Featuring a suite of unrivalled printed and electronic support material for students and instructors, Lewis clarifies difficult concepts in the classroom and provides the knowledge your students need to feel confident in practice. It is the clear choice of Canadian medical-surgical nursing texts. Organizations must adapt to changing and often challenging environments. This thoroughly updated fourth Canadian edition helps students understand and design organizations for today's complex environment. The concepts and models offered in this text are integrated with changing events in the real world, presenting the most recent thinking and providing an up-to-date view of organizations. Detailed Canadian examples and cases capture the richness of the Canadian experience, while international examples accurately represent Canada's role in the world. The fourth Canadian edition of MGMT offers a comprehensive look at the important role managers play in organizations. The book covers current issues and challenges in today's rapidly changing business environment, with a focus on presenting key management concepts and theories and providing relevant examples from real Canadian organizations. Extensively updated to reflect current events and the latest

research in the field, the new edition was developed in consultation with management experts and postsecondary educators across Canada. It provides students with the knowledge and skills they need to succeed in their professional careers. "Dying and Death in Canada offers a comprehensive discussion of dying, death, and bereavement from a Canadian perspective. The third edition has been thoroughly updated and several new topics have been added, including assisted suicide and active euthanasia, end of life care, emerging trends in funerary practices, and changing conceptualizations and interventions in the grieving process. A glossary has also been added along with end-of-chapter review questions and an appendix listing recent and seminal movies, television programs, documentary films, and other visual media sources dealing with dying and death. The new edition includes 22 black and white photos, 4 figures, and 3 tables."-- Now in its fourth Canadian edition, Social Research Methods remains the go-to research guide for undergraduates in the social sciences. Offering practical, step-by-step advice, the authors take readers through all stages of the processes involved in both quantitative and qualitative research, from formulating questions, choosing methods, and recruiting participants to analyzing the data and writing up the results. Research Made Relevant Children and Their Development, 6e demonstrates how research translates into practice. Written by a well-known and respected researcher in the field of child development, this topically organized text uses unique and effective pedagogy as its main framework. The book focuses on practice through its accessible writing, modular format, and application-based features, such as: Focus on Research, Cultural Influences, Spotlight on Theories, Improving Children's Lives, and Child and Development and Family Policy. Topic coverage includes the prenatal period through adolescence, which best suits Child Development courses in Psychology, Education, Human Development, Child and Family Studies, and Early Childhood Education. Teaching & Learning Experience Personalize Learning - The new MyDevelopmentLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and

comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Interactive resources like MyDevelopmentLab with MyVirtualChild encourage students to apply chapter content to real life situations. Engage Students - A strong balance of research and applications maintains student interest. Explore Research - A multitude of features draw on research methods that contribute to the scientific process. Understand Culture and Diversity - Cultural Influences feature illustrates the diversity of developmental journeys. Support Instructors - MyDevelopmentLab's Class Prep, MyVirtualChild, video embedded PowerPoints, MyTest, clicker questions, and an instructor's manual provide instructors with extensive materials to supplement the text. Note: MyDevelopmentLab does not come automatically packaged with this text. To purchase MyDevelopmentLab, please visit: www.mydevelopmentlab.com or you can purchase a valuepack of the text + MyDevelopmentLab (at no additional cost). VP: 0205185614 / 9780205185610 This comprehensive and engaging introduction to the essential components of critical analysis uses a multidisciplinary approach to examine how psychological and social factors can impede clear thinking and lead to faulty reasoning. Emphasizing the importance of critical thinking to personal development and success, The Power of Critical Thinking provides students with the skills they need to engage meaningfully with the world around them - both inside and outside of the classroom. This selection of 45 stories represents diverse narrative styles and a broad spectrum of human experience. Stories are organized chronologically, annotated, and prefaced by engaging short introductions. The updated fourth edition offers more microfiction, graphic literature, and speculative fiction; authors new to this edition include George Saunders, Leanne Betasamosake Simpson, Kristen Roupenian, Lydia Davis, and Jillian Tamaki. Building on its successful predecessor, Fundamentals of Canadian Nursing, 4th Canadian edition, provides students with an essential understanding of contemporary professional nursing practice in Canada. The 4th

edition takes a broader, less prescriptive approach to nursing diagnoses and encourages students and nurses to use their knowledge, experience, and critical thinking skills to generate diagnoses or analyses.
