[Severance](#) Apr 02 2024 Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. With the recent passing of her Chinese immigrant parents, she's had

her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

*The Truth According to Us* Dec 30 2023 NEW YORK TIMES BESTSELLER • From the co-author of *The Guernsey Literary and Potato Peel Pie Society* comes a wise, witty, and exuberant novel, perfect for fans of Lee Smith, that illuminates the power of loyalty and forgiveness, memory and truth, and the courage it takes to do what's right. Annie Barrows once again evokes the charm and eccentricity of a small town filled with extraordinary characters. Her new novel, *The Truth According to Us*, brings to life an inquisitive young girl, her beloved aunt, and the alluring visitor who changes the course of their destiny forever. In the summer of 1938, Layla Beck's father, a United States senator, cuts off her allowance and demands that she find employment on the Federal Writers' Project, a New Deal jobs program. Within days, Layla finds herself far from her accustomed social whirl, assigned to cover the history of the remote mill town of Macedonia, West Virginia, and destined, in her opinion, to go completely mad with boredom. But once she secures a room in the home of the unconventional Romeyn family, she is drawn into their complex world and soon discovers that the truth of the town is entangled in the thorny past of the Romeyn dynasty. At the Romeyn house, twelve-year-old Willa is desperate to learn everything in her quest to acquire her favorite virtues of ferocity and devotion—a search that leads her into a thicket of mysteries, including the questionable business that occupies her charismatic father and the reason her adored aunt Jottie remains unmarried. Layla's arrival strikes a match to the family veneer, bringing to light buried secrets that will tell a new tale about the Romeyns. As Willa peels back the layers of her family's past, and Layla delves deeper into town legend, everyone involved is transformed—and their personal histories completely rewritten. Praise for *The Truth According to Us* “As delightfully eccentric as *Guernsey* yet refreshingly different . . . an epic but intimate family novel with richly imagined characters . . . Willa's indomitable spirit, keen sense of adventure and innate intelligence reminded me of two other motherless girls in literature: Scout Finch in Harper Lee's *To Kill a Mockingbird* and Flavia de Luce in Alan Bradley's big-hearted British mystery series.”—*The Washington Post* “*The Truth According to Us* has all the characteristics of a great summer read: A plot that makes you want to keep turning the pages; a setting that

makes you feel like you're inhabiting another time and place; and characters who become people you're sad to leave behind—and thus who always stay with you.”—Miami Herald “It takes a brave author to make the heroine of a new novel an observant and feisty girl . . . like Scout Finch in *To Kill a Mockingbird*. . . . But Barrows . . . has created a believable and touching character in Willa.”—USA Today “[A] heartwarming coming-of-age novel [that] sparkles with folksy depictions of a tight-knit family and life in a small town . . . full of richly drawn, memorable characters.”—The Seattle Times “A big, juicy family saga with warm humor and tragic twists . . . The story gets more and more absorbing as it moves briskly along.”—St. Louis Post-Dispatch “Annie Barrows leaves no doubt that she is a storyteller of rare caliber, with wisdom and insight to spare. Every page rings like a bell.”—Paula McLain, author of *The Paris Wife*

**The Guernsey Literary and Potato Peel Pie Society (Movie Tie-In Edition)** Mar 01 2024 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX FILM • A remarkable tale of the island of Guernsey during the German Occupation, and of a society as extraordinary as its name. “Treat yourself to this book, please—I can’t recommend it highly enough.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “I wonder how the book got to Guernsey? Perhaps there is some sort of secret homing instinct in books that brings them to their perfect readers.” January 1946: London is emerging from the shadow of the Second World War, and writer Juliet Ashton is looking for her next book subject. Who could imagine that she would find it in a letter from a man she’s never met, a native of the island of Guernsey, who has come across her name written inside a book by Charles Lamb. . . . As Juliet and her new correspondent exchange letters, Juliet is drawn into the world of this man and his friends—and what a wonderfully eccentric world it is. The Guernsey Literary and Potato Peel Pie Society—born as a spur-of-the-moment alibi when its members were discovered breaking curfew by the Germans occupying their island—boasts a charming, funny, deeply human cast of characters, from pig farmers to phrenologists, literature lovers all. Juliet begins a remarkable correspondence with the society’s members, learning about their island, their taste in books, and the impact the recent German occupation has had on their lives. Captivated by their stories, she sets sail for Guernsey, and what she finds will change her forever. Written with warmth and

humor as a series of letters, this novel is a celebration of the written word in all its guises and of finding connection in the most surprising ways. Praise for The Guernsey Literary and Potato Peel Society “A jewel . . . Poignant and keenly observed, Guernsey is a small masterpiece about love, war, and the immeasurable sustenance to be found in good books and good friends.”—People “A book-lover’s delight, an implicit and sometimes explicit paean to all things literary.”—Chicago Sun-Times “A sparkling epistolary novel radiating wit, lightly worn erudition and written with great assurance and aplomb.”—The Sunday Times (London) “Cooked perfectly à point: subtle and elegant in flavour, yet emotionally satisfying to the finish.”—The Times (London)

*Letters to the Lost* Jan 07 2022 An accomplished novel from a talented writer, *Letters to the Lost* is a stunning, emotional love story. Iona Grey's prose is warm, evocative, and immediately engaging; her characters become so real you can't bear to let them go. I promised to love you forever, in a time when I didn't know if I'd live to see the start of another week. Now it looks like forever is finally running out. I never stopped loving you. I tried, for the sake of my own sanity, but I never even got close, and I never stopped hoping either. Late on a frozen February evening, a young woman is running through the streets of London. Having fled from her abusive boyfriend and with nowhere to go, Jess stumbles onto a forgotten lane where a small, clearly unloved-in old house offers her best chance of shelter for the night. The next morning, a mysterious letter arrives and when she can't help but open it, she finds herself drawn inexorably into the story of two lovers from another time. In London 1942, Stella meets Dan, a US airman, quite by accident, but there is no denying the impossible, unstoppable attraction that draws them together. Dan is a B-17 pilot flying his bomber into Europe from a British airbase; his odds of survival are one in five. In the midst of such uncertainty, the one thing they hold onto is the letters they write to each other. Fate is unkind and they are separated by decades and continents. In the present, Jess becomes determined to find out what happened to them. Her hope—inspired by a love so powerful it spans a lifetime—will lead her to find a startling redemption in her own life in this powerfully moving novel.

Coffee Grounds and Potato Peeling Pancakes Sep 26 2023 It takes courage beyond belief to sneak out in the night to dig in the garbage for scraps to keep from starving when you know you would be killed if you were caught, or to crawl through ice and snow to

freedom because the muscles in your legs atrophied from sitting in a hay mow for almost two years. To defect to the west, leaving all your family behind, not knowing when or if you'll ever see them again, or to endure the work, starvation diet, and beatings of concentration camp life also were courageous acts. However, these and other challenges were everyday living for millions such as those in this book. While those around them fell victim to WWII atrocities and did not survive, these people fought hard and won the right to live.

*The Year of Reading Dangerously* Jul 13 2022 An editor and writer's vivaciously entertaining, and often moving, chronicle of his year-long adventure with fifty great books (and two not-so-great ones)—a true story about reading that reminds us why we

should all make time in our lives for books. Nearing his fortieth birthday, author and critic Andy Miller realized he's not nearly as well read as he'd like to be. A devout book lover who somehow fell out of the habit of reading, he began to ponder the power of books to change an individual life—including his own—and to define the sort of person he would like to be. Beginning with a copy of Bulgakov's *Master and Margarita* that he happens to find one day in a bookstore, he embarks on a literary odyssey of mindful reading and wry introspection. From *Middlemarch* to *Anna Karenina* to *A Confederacy of Dunces*, these are books Miller felt he should read; books he'd always wanted to read; books he'd previously started but hadn't finished; and books he'd lied about having read to impress people. Combining memoir and literary criticism, *The Year of Reading Dangerously* is Miller's heartfelt, humorous, and honest examination of what it means to be a reader. Passionately believing that books deserve to be read, enjoyed, and debated in the real world, Miller documents his reading experiences and how they resonated in his daily life and ultimately his very sense of self. The result is a witty and insightful journey of discovery and soul-searching that celebrates the abiding miracle of the book and the power of reading.

**The Zero-Waste Chef** Nov 16 2022 \*SHORTLISTED for the 2021 Gourmand World Cookbook Award\* \*SHORTLISTED for the 2022 Taste Canada Award for Single-Subject Cookbooks\* A sustainable lifestyle starts in the kitchen with these use-what-you-have, spend-less-money recipes and tips, from the friendly voice behind @ZeroWasteChef. In her decade of living with as little plastic, food waste, and stuff as

possible, Anne-Marie Bonneau, who blogs under the moniker Zero-Waste Chef, has preached that "zero-waste" is above all an intention, not a hard-and-fast rule. Because, sure, one person eliminating all their waste is great, but thousands of people doing 20 percent better will have a much bigger impact. And you likely already have all the tools you need to begin. In her debut book, Bonneau gives readers the facts to motivate them to do better, the simple (and usually free) fixes to ease them into wasting less, and finally, the recipes and strategies to turn them into self-reliant, money-saving cooks and makers. Rescue a hunk of bread from being sent to the landfill by making Mexican Hot Chocolate Bread Pudding, or revive some sad greens to make a pesto. Save 10 dollars (and the plastic tub) at the supermarket with Yes Whey, You Can Make Ricotta Cheese, then use the cheese in a galette and the leftover whey to make sourdough tortillas. With 75 vegan and vegetarian recipes for cooking with scraps, creating fermented staples, and using up all your groceries before they go bad—including end-of-recipe notes on what to do with your ingredients next—Bonneau lays out an attainable vision for a zero-waste kitchen.

**Henrietta's War** Apr 29 2021 Spirited Henrietta wishes she was the kind of doctor's wife who knew exactly how to deal with the daily upheavals of war. But then, everyone in her close-knit Devonshire village seems to find different ways to cope: there's the indomitable Lady B, who writes to Hitler every night to tell him precisely what she thinks of him; the terrifyingly efficient Mrs Savernack, who relishes the opportunity to sit on umpteen committees and boss everyone around; flighty, flirtatious Faith who is utterly preoccupied with the latest hats and flashing her shapely legs; and then there's Charles, Henrietta's hard-working husband who manages to sleep through a bomb landing in their neighbour's garden. With life turned upside down under the shadow of war, Henrietta chronicles the dramas, squabbles and loyal friendships that unfold in her affectionate letters to her 'dear childhood friend' Robert. Warm, witty and perfectly observed,

Henrietta's War brings to life a sparkling community of determined troupers who pull together to fight the good fight with patriotic fervour and good humour. Henrietta's War is part of The Bloomsbury Group, a new library of books from the early twentieth-century chosen by readers for readers.
