Midnight Jesus Jamie Blaine, 2015-10-13 It's three a.m. in the side yard of a shack in the worst part of town I've got a dirty faced baby on my hip and there's a pit bull standing on the septic tank in the next yard over barking his head off My patient sits on the hood of her ex husband's low rider smoking a cigarette and dumping her pills into a mud hole by the right front tire Airbrushed across the hood of the car is a cross eyed Jesus with open arms She lays her hand on top of his as the still hot engine ticks Throughtears she pleads Help me Jesus please The dog is silent Sirens approach Just breathe I tell her Everything's gonna be all right The baby fidgets resting her head against me staring up into my eyes I raise one finger and she holds it tight I fumble for the words again Just breathe Midnight Jesus shares fascinating bizarre and sometimes humorous true life stories of everyday people looking for hope in their darkest hours Poignant and unpretentious Jamie paints beauty where at times it seems none exists from skating rinks and bars late night highways and lonely apartments broken churches and rundown trailer parks jail cells bridge rails ERs psych wards and that place over the levee where God laughs and walks through the cool dark night

Longitudes and Attitudes Thomas L. Friedman,2002-09-11 America's leading observer of the international scene on the minute by minute events of September 11 2001 before during and after As the Foreign Affairs columnist for the The New York Times Thomas L Friedman is in a unique position to interpret the world for American readers Twice a week Friedman's celebrated commentary provides the most trenchant pithy and illuminating perspective in journalism Longitudes and Attitudes contains the columns Friedman has published about the most momentous news story of our time as well as a diary of his experiences and reactions during this period of crisis As the author writes the book is not meant to be a comprehensive study of September 11 and all the factors that went into it Rather my hope is that it will constitute a word album that captures and preserves the raw unpolished emotional and analytical

responses that illustrate how I and others felt as we tried to grapple with September and its aftermath as they were unfolding Readers have repeatedly said that Friedman has expressed the essence of their own feelings helping them not only by explaining who they are but also by reassuring us about who we are More than any other journalist writing Friedman gives voice to America s awakening sense of its role in a changed world **Becoming New York's Finest** A. Darien,2013-10-17 After excluding women and African Americans from its ranks for most of its history the New York City Police Department undertook an aggressive campaign of integration following World War II This is the first comprehensive account of how and why the NYPD came to see integration as a highly coveted political tool indispensable to policing **Leading Ladies** Ken Ludwig,2006 Comedy 5m 3f Unit set In this hilarious comedy by the author of Lend Me A Tenor and Moon Over Buffalo two English Shakespearean actors Jack and Leo find themselves so down on their luck that they are performing Scenes from Shakespeare on the Moose Lodge circuit in the Amish country of Pennsylvania When they hear that an old lady in York PA is about to die and leave her fortune to her two long lost English nephews they resolve to pass themselves off as her beloved relatives and Mercy Never Sleeps Jamie Blaine,2017-09-12 Maybe God still moves and speaks in mysterious ways some even stranger than we might ever expect Jamie Blaine s life isn t exactly going as planned When a twist of fate places the late night psychiatric crisis guy on 24 7 call his insomnia ramps up to desperate stages as he veers closer to becoming the very kind of person he s trying to save After a well meaning colleague offers a workbook promising the divine secret of life Blaine throws himself into the stereotypical journey of self discovery with hilarious and heartbreaking conclusions that are anything but clich d Jamie travels time to untangle his own story of God through the wilderness battling alligators acrophobia anaphylactic shock Christian tricksters Christmas insomnia zombies hymn singing bridge jumpers preteen bullies paranoid ER patients armed with knives hatchet wielding housewives septuagenarian pugilists locust swarms and ghosts of the present future and past If you ve ever felt lost and stumbling like you ll never find your way to purpose plans or the promised land Mercy Never Sleeps is a traveling companion a field guide to making peace with your own rambling path home **The Great Chain of Life** Joseph Wood Krutch,2005-08 Originally published in 1956 The Great Chain of Life brings a humanist s keen eye and ear to one of the great questions of the ages What am I Originally a scholar of literature and theater toward the end of his career Joseph Wood Krutch turned to the study of the natural world Bringing his keen intellect to bear on the places around him Krutch crafted some of the most memorable and important works of nature writing extant Whether anticipating the arguments of biologists who now ascribe high levels of cognition to the so called lower animals recognizing the importance of nature for a well lived life or seeing nature as an elaborately interconnected interdependent network Krutch s seminal work contains lessons just as resonant today as they were when the book was first written Lavishly illustrated with thirteen beautiful woodcuts by Paul Landacre an all but lost yet important Los Angeles artist whom Rockwell Kent called the best American wood engraver working The Great Chain of Life will be cherished by new generations of
