Threads of Honor Jun 23 2024 A true story of courage and sacrifice, of Boy Scouts learning about perseverance, of the great men and women of the American space program, and the unquenchable spirit of a most remarkable American flag. 'Members of troop 514, Monument, Colo., were overjoyed to learn their troop flag had been chosen to fly on the space shuttle Challenger. But joy turned to sorrow on Jan. 28, 1986, when the shuttle exploded just after liftoff, killing all seven astronauts aboard. Nine months later the flag was recovered undamaged from the floor of the Atlantic Ocean. It was later proclaimed the official flag of the U.S. Constitution Bicentennial. Threads of Honor: The True Story of a Boy Scout Troop, Perseverance, Triumph, and an American Flag is guaranteed to give you goose bumps.' -Boys' Life, September 2004

On My Honor Jul 12 2023 In a timely contribution to current debates over the psychology of boys and the construction of their social lives, On My Honor explores the folk customs of adolescent males in the Boy Scouts of America during a summer encampment in California's Sierra Nevada. Drawing on more than twenty years of research and extensive visits and interviews with members of the troop, Mechling uncovers the key rituals and play events through which the Boy Scouts shapes boys into men. He describes the campfire songs, initiation rites, games, and activities that are used to mold the Scouts into responsible adults. The themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure, discipline, and guidance, and teaching scouts the difficult balance between freedom and self-control. What results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood. On My Honor provides a provocative, sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires, their innate aggressions, their inclination toward peer pressure and violence, and their social acculturation. On My Honor ultimately shows how the Boy Scouts of America continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression, homosexuality, and the proposed inclusion of female members. While the organization's bureaucracy has taken an unyielding stance against gay men and atheists, real live Scouts are often more open to plurality than we might assume. In their embrace of tolerance, acceptance, and understanding, troop leaders at the local level have the power to shape boys into emotionally mature men.

Love You More Than You Know Aug 21 2021 In these personal stories, 45 Ohio mothers open their hearts and share what it feels like when your son or daughter leaves home to fight a war. Some were stunned to learn one sunny afternoon that their "baby" had enlisted in the Marines. Others had long been familiar with military life. But all knew their life had just changed the day their child called and said, "Mom, I'm being deployed . . ." They discovered the strange mix of pride and fear. The anxiety of not knowing exactly where in Iraq or Afghanistan your son is, whether your daughter is facing mortar fire or enduring heat and boredom. Elation at the arrival of the briefest postcard or email message. The daily dread, when returning home from work or a trip to the grocery store, of seeing a government car in the driveway and two soldiers at the door . . . Any parent who reads these stories will feel their power--and will gain a greater understanding of the sacrifice made by parents as well as their children in our military service.
