'Hey, you. Yes, you. Put this grimy, beautiful, devastating, hilarious, screaming, writhing, all-out post-apocalyptic girl-buddy-road-warrior-lost princess-techno-thriller in your face and read it right now. It is every kind of badass' - Laini Taylor, NYT bestselling author of STRANGE THE DREAMER and the Daughter of Smoke and Bone trilogy A thrilling new series from acclaimed fantasy author Jay Kristoff: an assassin must decide on the price of revenge. When Earth intercepts a message from a long-extinct alien race, it seems like the solution the planet has been waiting for. The Undying's advanced technology has the potential to undo environmental damage and turn lives around, and Gaia, their former home planet, is a treasure trove waiting to be uncovered. For Jules Addison and his fellow scholars, the discovery of an alien culture offers unprecedented opportunity for study... as long as scavengers like Amelia Radcliffe don't loot everything first. Mia and Jules' different reasons for smuggling themselves onto Gaia put them immediately at odds, but after escaping a dangerous confrontation with other scavengers, they form a

fragile alliance. In order to penetrate the Undying temple and reach the tech and information hidden within, the two must decode the ancient race's secrets and survive their traps. But the more they learn about the Undying, the more their presence in the temple seems to be part of a grand design that could spell the end of the human race... "This book commits almost every crime against heroic fantasy that I can imagine ... and I have not been able to put it down." —Glen Cook, bestselling author of The Black Company A young warrior and his improbable band of allies face impossible odds as they seek to rescue his brother from the servants of the Fallen God. Emrael Ire is a student of war with lofty ambitions, despite being so poor his boots are more hole than leather. He and his talented younger brother Ban work hard to build themselves a better life at the Citadel, a school that specializes in both infusori Crafting and military arts. Their lives are upended when the power-hungry Lord Governor of the neighboring province invades the school with the help of a sinister sect of priests devoted to the newly awakened Fallen God of Glory. Many of the infusori Crafter students are captured—including Ban. Though Emrael stands little chance against the Lord Governor and his armies, he's desperate to save his brother—even if that means accepting the help of allies with uncertain motives, or becoming a practitioner of a forbidden magic. There is nothing he won't sacrifice to save his brother, but what happens when the cost of success is not his to pay? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Ten bestselling authors inspired by New York City's iconic Grand Central Terminal have created their own stories, set on the same day, just after the end of World War II, in a time of hope, uncertainty, change, and renewal.... A war bride awaits the arrival of her GI husband at the platform...A Holocaust survivor works at the

Oyster Bar, where a customer reminds him of his late mother...A Hollywood hopeful anticipates her first screen test and a chance at stardom in the Kissing Room... On any particular day, thousands upon thousands of people pass through Grand Central, through the whispering gallery, beneath the ceiling of stars, and past the information booth and its beckoning four-faced clock, to whatever destination is calling them. It is a place where people come to say hello and good-bye. And each person has a story to tell. Featuring stories from Melanie Benjamin, Jenna Blum, Amanda Hodgkinson, Pam Jenoff, Sarah Jio, Sarah McCoy, Kristina McMorris, Alyson Richman, Erika Robuck, and Karen White With an Introduction by #1 New York Times bestselling author Kristin Hannah With Stormdancer, Jay Kristoff came roaring onto the fantasy scene-he has been praised as "the master of unique and intense plots and huge twists" (USAToday.com), while critics raved about the novel, calling it "[A] fast-paced, fantastical adventure [that] is sharp as a Shogun's sword." (The LA Times). And with healthy sales in hardcover and electronic-fueled by Jay's inventive, enthusiastic, and relentless promotion on his website, Facebook, Twitter, and the blogosphere-we know readers are hungry for the finale to his wildly inventive Lotus War saga. As civil war sweeps across the Shima Imperium, the Lotus Guild unleashes their deadliest creation-a mechanical goliath, intended to unite the shattered Empire under a yoke of fear. Yukiko and Buruu are forced to take leadership of the rebellion, gathering new allies and old friends. But the ghosts of Buruu's past stand between them and the army they need, and Kin's betrayal has destroyed all trust among their allies. When a new foe joins the war, it will be all the pair can do to muster the strength to fight, let alone win. And as the earth splits asunder, as armies destroy each other for rule over an empire of lifeless ash and the final secret about blood lotus is revealed, the people of Shima will learn one last, horrifying truth. An exciting, vivid conclusion to a critically acclaimed series, Endsinger is sure to have fans racing through the pages to savor every last revelation. If you can't get what you want then take it with force. That's the motto that these individuals live by. Captivated by the darkness

inside them, they don't take no for an answer. Their desire is all encompassing. Their needs overwhelming. There's a thin line between villain and hero but these master manipulators will stop at nothing to claim what is theirs. Coerced is an extremely limited dubcon anthology of addictive stories from a collection of USA Today and bestselling authors. Mary Robinette Kowal stunned readers with her charming first novel *Shades of Milk and Honey*, a loving tribute to the works of Jane Austen in a world where magic is an everyday occurrence. This magic comes in the form of glamour, which allows talented users to form practically any illusion they can imagine. *Shades* debuted to great acclaim and left readers eagerly awaiting its sequel. *Glamour in Glass* continues following the lives of beloved main characters Jane and Vincent, with a much deeper vein of drama and intrigue. In the tumultuous months after Napoleon abdicates his throne, Jane and Vincent go to Belgium for their honeymoon. While there, the deposed emperor escapes his exile in Elba, throwing the continent into turmoil. With no easy way back to England, Jane and Vincent's concerns turn from enjoying their honeymoon...to escaping it. Left with no outward salvation, Jane must persevere over her trying personal circumstances and use her glamour to rescue her husband from prison . . . and hopefully prevent her newly built marriage from getting stranded on the shoals of another country's war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. A sweeping epic fantasy weaving both destiny and ancient magic in this masterful final novel in the beloved *Five Warrior Angels* trilogy from Brian Lee Durfee. In the age of belief, magic is a myth. But when an apocalyptic crusade comes to the remote border of Gul Kana, that belief is shattered as is the tenuous peace that held the Five Isles together. Now, the prophecies that were used to justify this war are unravelling revealing a hidden agenda while the world lies in the wake of the degradations of this war. But a slim skein of hope resides within the hidden truths, long kept secret, and scattered throughout the isles—truths less reliant upon prophecy than heroism, and great sacrifice. Not everything is as it seems in this epic, long-

awaited conclusion to trilogy which Booklist raved as “high fantasy in the vein of Stephen R. Donaldson or David Eddings, with generous helpings from George R. R. Martin.” Posing as one of Robin Hood’s thieves to avoid the evil Lord Gisbourne, Scarlet has kept her identity secret from all of Nottinghamshire. Only her fellow outlaws, John Little, Much and Robin Hood know the truth - this agile thief is no boy but in fact a fearless young woman with a secret past. But Scarlet is torn between her desire to get as far from Lord Gisbourne as possible and a strong sense of responsibility to those who took her in when she was first on the run. As Gisbourne draws closer to Scarlet and puts innocent lives at risk, she must decide how much the people of Nottinghamshire mean to her, especially John Little and Robin, whose quick smiles and temper have the rare power to unsettle Scarlet. Full of exciting action, secrets and romance, this imaginative retelling of the classic tale will have readers following every move of Robin Hood and his band of thieves. Everyone hates parts of their job. Maybe it's the paperwork. Maybe it's the day-to-day grind. Maybe it's that client who never knows what they want, or the guy who always cooks fish in the microwave. But not me. I love every corner of the Longbourne Flower Shop, every flower, every petal, every stem. I love the greenhouse, and I love Mrs. Bennet, my boss. I love creating, and I love being a florist. I don't hate anything at all. Except for Luke Bennet. The Bennet brothers have come home to help their mom save the flower shop, and Luke is at the helm. His smile tells a tale of lust, loose and easy. He moves with the grace of a predator, feral and wild. A thing unbridled, without rules or constraint. When he comes home to save Longbourne, I almost can't be mad at him. Almost. He doesn't remember that night I'll never forget. That kiss, touched with whiskey and fire. It branded me like a red-hot iron. But it meant nothing to him. Everyone hates part of their job, and I hate Luke Bennet. Because if I don't, I'll fall in love with him. The gorgeous and darkly compelling sequel to *The Crown's Game*—perfect for fans of *Red Queen* and *Shadow and Bone*. A *New York Times* bestseller! Magic is growing, shadows are rising, and the throne is at stake... Russia is on the brink of great change. Pasha's coronation

approaches, and Vika is now the Imperial Enchanter, but the role she once coveted may be more difficult—and dangerous—than she ever expected. Pasha is grappling with his own problems—his legitimacy is in doubt, the girl he loves loathes him, and he believes his best friend is dead. When a challenger to the throne emerges—and with the magic in Russia growing rapidly—Pasha must do whatever it takes to keep his position and protect his kingdom. For Nikolai, the ending of the *Crown's Game* stung deeply. Although he just managed to escape death, Nikolai remains alone, a shadow hidden in a not-quite-real world of his own creation. But when he's given a second chance at life—tied to a dark price—Nikolai must decide just how far he's willing to go to return to the world. With revolution on the rise, dangerous new magic rearing up, and a tsardom up for the taking, Vika, Nikolai, and Pasha must fight—or face the destruction of not only their world but also themselves. The squad you love is out of time. Prepare for the thrilling finale in the epic, bestselling *Aurora Cycle* series about a band of unlikely heroes who just might be the galaxy's last hope for survival. Is this the end? What happens when you ask a bunch of losers, discipline cases and misfits to save the galaxy from an ancient evil? The ancient evil wins, of course. Wait . . . Not. So. Fast. When we last saw Squad 312, they were working together seamlessly (aka, freaking out) as an intergalactic battle raged and an ancient superweapon threatened to obliterate Earth. Everything went horribly wrong, naturally. But as it turns out, not all endings are endings, and the team has one last chance to rewrite theirs. Maybe two. It's complicated. Cue Zila, Fin and Scarlett (and Magellan!) making friends, making enemies and making history? Sure, no problem. Cue Tyler, Kal and Auri joining forces with two of the galaxy's most hated villains? Um, okay, yeah. That too. Actually saving the galaxy, though? Now that will take a miracle. Book two of the thrilling new series by internationally bestselling author of *The Nevernight Chronicle* and the *Illuminae Files* 'Every kind of badass' - Laini Taylor How did an obscure academic idea pave the way to the Holocaust within just fifty years? *Control* is a book about eugenics, what geneticist Adam Rutherford calls “a defining

idea of the twentieth century.” Inspired by Darwin’s ideas about evolution, eugenics arose in Victorian England as a theory for improving the British population, and quickly spread to America, where it was embraced by presidents, funded by Gilded Age monopolists, and enshrined into racist American laws that became the ideological cornerstone of the Third Reich. Despite this horrific legacy, eugenics looms large today as the advances in genetics in the last thirty years—from the sequencing of the human genome to modern gene editing techniques—have brought the idea of population purification back into the mainstream. Eugenics has “a short history, but a long past,” Rutherford writes. The first half of *Control* is the history of an idea, from its roots in key philosophical texts of the classical world all the way into their genocidal enactment in the twentieth century. The second part of the book explores how eugenics operates today, as part of our language and culture, as part of current political and racial discussions, and as an eternal temptation to powerful people who wish to improve society through reproductive control. With disarming wit and scientific precision, Rutherford explains why eugenics still figures prominently in the twenty-first century, despite its genocidal past. And he confronts insidious recurring questions—did eugenics work in Nazi Germany? And could it work today?—revealing the intellectual bankruptcy of the idea, and the scientific impossibility of its realization. Annith’s worst fears are realized when she discovers that, despite her lifelong training to be an assassin, she is being groomed by the abbess as a Seeress, to be forever shut up in the convent of Saint Mortain. A Book of The Month Club pick In this beautiful dive into the world of J. M. Barrie’s classic, one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be—to save her daughter’s life. . . . Life is looking up for Holly Darling, granddaughter of Wendy—yes, that Wendy. That is, until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she’s been long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but very dangerous. Holly is desperate to find

Eden and protect her son, Jack, from a terrible web of family secrets before she loses both her children. And yet she has no one to turn to—her mother, Jane, is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero she’s always imagined. *Darling Girl* brings all the magic of the classic Peter Pan story to the present, while also exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love. A genius is abducted by an alien bounty-hunter for the location of a powerful inter-dimensional object. Trouble is, he can’t remember a thing. Ben isn’t exactly a genius, but he has an immense breadth of knowledge. Whether it’s natural science (specifically the intricacies of bug sex), or vintage timepieces, he can spout facts and information with the best of experts. He just can’t explain why he knows any of it. Another thing he knows is the location of the Chime. What it is or why it’s important, he can’t say. But this knowledge is about to get him in a whole heap of trouble, as a trash-talking, flesh construct bounty hunter is on his tail and looking to sell him to the highest bidder. And being able to describe the mating habits of Brazilian bark lice won’t be enough to get him out of it. *File Under: Science Fiction [Bloom of God | Patton you on the back | Eels Aplenty | Some Aliens Just Suck]* Our heroes are back . . . kind of. From the bestselling co-authors of the *Illuminae Files* comes the second book in the epic *Aurora Cycle* series about a squad of misfits, losers, and discipline cases who just might be the galaxy’s best hope for survival. First, the bad news: An ancient evil--your standard consume-all-life-in-the-galaxy deal--is about to be unleashed. The good news? Squad 312 is here to save the day. As soon as they’ve just got to take care of a few small distractions first. Like the clan of gremps who are holding a serious grudge against the squad. And a bunch of illegit GIUTA agents with creepy flowers where their eyes used to be. Then there’s Kal’s long-lost sister, who’s not exactly happy to see him. But with the reappearance of the colony ship that Auri was found on, new clues about Auri--and her powers as a Trigger--begin to come to light. And just in time. Because if Auri can’t learn to master her powers, the

squad going to be soooo dead. Shocking revelations, bank heists, mysterious gifts, inappropriately tight bodysuits, and an epic firefight will determine the fate of the Aurora Legion's most unforgettable heroes--and, you know, the rest of the galaxy. The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan. **ADYING LAND** The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. **AN IMPOSSIBLE QUEST** The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger - a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and the price of failing the Shogun is death. **A HIDDEN GIFT** Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire. From New York Times bestselling author, Jay Kristoff, comes a dangerous new fantasy world and a heroine edged in darkness. The New York Times bestselling author of *On Dublin Street* is back with the first in a sexy new romance series set in a small town on the Delaware coastline. Welcome to Hartwell, a quiet seaside escape where uncovering old secrets could lead one woman to discover the meaning of a love that lasts... While Doctor Jessica Huntington engages with the inmates at the women's correctional facility where she works, she's always careful to avoid emotional attachments in her personal life. Loss and betrayal taught her that lesson long ago. But when she comes across a set of old love letters in the prison's library and visits the

picturesque town of Hartwell to deliver them to their intended recipient, she finds herself unable to resist the town's charm—and her attraction to the sexy owner of a local bar proves equally hard to deny. Since his divorce from his unfaithful ex-wife, Cooper Lawson has focused on what really matters: his family and the boardwalk pub they've owned for generations. But the first time Jessica steps into his bar, Cooper is beyond tempted to risk his heart on her. Yet as their attraction grows hotter and Jessica remains stubbornly closed off, he begins to realize it will take more than just passion to convince her there's only one real thing in life worth fighting for.... From beloved author of *Rook* comes a brilliant and genre-bending exploration of truth and memory, love and loss in this remarkable story of a civilization that undergoes a collective forgetting. What isn't written, isn't remembered. Even your crimes. Nadia lives in the city of Canaan, where life is safe and structured, hemmed in by white stone walls and no memory of what came before. But every twelve years the city descends into the bloody chaos of the Forgetting, a day of no remorse, when each person's memories -- of parents, children, love, life, and self -- are lost. Unless they have been written. In Canaan, your book is your truth and your identity, and Nadia knows exactly who hasn't written the truth. Because Nadia is the only person in Canaan who has never forgotten. But when Nadia begins to use her memories to solve the mysteries of Canaan, she discovers truths about herself and Gray, the handsome glassblower, that will change her world forever. As the anarchy of the Forgetting approaches, Nadia and Gray must stop an unseen enemy that threatens both their city and their own existence -- before the people can forget the truth. And before Gray can forget her. For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. "A truly beautiful novel that redefines the form." —Victoria Aveyard, bestselling author of *Red Queen* This morning, Kady thought breaking up with Ezra was the hardest thing she'd have to do. This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet that's little more than a speck at the edge of the universe. Now with enemy fire raining

down on them, Kady and Ezra—who are barely even talking to each other—are forced to evacuate with a hostile warship in hot pursuit. But their problems are just getting started. A plague has broken out and is mutating with terrifying results; the fleet’s AI may actually be their enemy; and nobody in charge will say what’s really going on. As Kady hacks into a web of data to find the truth, it’s clear the only person who can help her is the ex-boyfriend she swore she’d never speak to again. Told through a fascinating dossier of hacked documents—including emails, maps, files, IMs, medical reports, interviews, and more—Illuminae is the first book in a heart-stopping trilogy about lives interrupted, the price of truth, and the courage of everyday heroes. “Prepare yourselves for Illuminae.” —EW.com “[Y]ou’re not in for an ordinary novel experience. . . .” —Bustle.com “A truly interactive experience. . . . THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes Empire of the Vampire, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs’ sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide

once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail. An original eNovella set in the world of the Lotus War before the events of Stormdancer... Your blood-red skies are filled with smoke. Your bleach-white histories with lies. You walk sleeping. Wake senseless. Breathing deep of toxic blooms and forgetting all that has gone before. But I remember. I remember when two brothers waged bloody war over the right to sit in their father's empty chair. I remember when orphaned twins faced each other across a field of crimson and steel, the fate of the Shima Shogunate hanging in the poisoned sky between them. I remember when a blind boy stood before a court of storms and talons, armed only with a thin sword and a muttered prophecy and a desperate dream of saving the world. I remember when the skies above Shima were not red, but blue. Filled with thunder tigers. I remember when they left you. And I remember why. Let me tell you, monkey-child. NEW YORK TIMES BESTSELLING SERIES • From the internationally bestselling authors of the Illuminae Files comes a new science fiction epic . . . The year is 2380, and the graduating cadets of Aurora Academy are being assigned their first missions. Star pupil Tyler Jones is ready to recruit the squad of his dreams, but his own boneheaded heroism sees him stuck with the dregs nobody else in the academy would touch . . . A cocky diplomat with a black belt in sarcasm A sociopath scientist with a fondness for shooting her bunkmates A smart-ass tech whiz with the galaxy's biggest chip on his shoulder An alien warrior with anger-management issues A tomboy pilot who's totally not into him, in case you were wondering And Ty's squad isn't even his biggest problem--that'd be Aurora Jie-Lin O'Malley, the girl he's just rescued from interdimensional space. Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making, and Tyler's squad of losers, discipline cases, and misfits might just be the last hope for the entire

galaxy. NOBODY PANIC. Kinslayer is Book Two in Jay Kristoff's critically acclaimed Lotus War series that began with Stormdancer, featuring an unforgettable heroine and a stunningly original Japanese dystopian steampunk world A SHATTERED EMPIRE The mad Shogun Yoritomo has been assassinated by the Stormdancer Yukiko, and the threat of civil war looms over the Shima Imperium. The toxic blood lotus flower continues to ravage the land, the deadlands splitting wider by the day. The machine-worshippers of the Lotus Guild conspire to renew the nation's broken dynasty and crush the growing rebellion simultaneously - by endorsing a new Shogun who desires nothing more than to see Yukiko dead. A DARK LEGACY Yukiko and the mighty thunder tiger Buruu have been cast in the role of heroes by the Kagé rebellion. But Yukiko herself is blinded by rage over her father's death, and her ability to hear the thoughts of beasts is swelling beyond her power to control. Along with Buruu, Yukiko's anchor is Kin, the rebel Guildsman who helped her escape from Yoritomo's clutches. But Kin has his own secrets, and is haunted by visions of a future he'd rather die than see realized. A GATHERING STORM Kagé assassins lurk within the Shogun's palace, plotting to end the new dynasty before it begins. A waif from Kigen's gutters begins a friendship that could undo the entire empire. A new enemy gathers its strength, readying to push the fracturing Shima imperium into a war it cannot hope to survive. And across raging oceans, amongst islands of black glass, Yukiko and Buruu will face foes no katana or talon can defeat. The ghosts of a blood-stained past. From bestselling author duo Amie Kaufman and Jay Kristoff comes the exciting finale in the trilogy that broke the mold and has been called "stylistically mesmerizing" and "out-of-this-world-awesome." Kady, Ezra, Hanna, and Nik narrowly escaped with their lives from the attacks on Heimdall station and now find themselves crammed with 2,000 refugees on the container ship, Mao. With the jump station destroyed and their resources scarce, the only option is to return to Kerenza--but who knows what they'll find seven months after the invasion? Meanwhile, Kady's cousin, Asha, survived the initial BeiTech assault and has joined Kerenza's ragtag underground resistance.

When Rhys--an old flame from Asha's past--reappears on Kerenza, the two find themselves on opposite sides of the conflict. With time running out, a final battle will be waged on land and in space, heroes will fall, and hearts will be broken. A KIRKUS REVIEWS BEST BOOK OF 2018 From the bestselling co-author of the *Illuminae Files* comes the thrilling finale in the *LIFEL1K3* trilogy--hailed by Marie Lu as "a breathless, action-packed exploration of what humanity really means." Best friends have become enemies. Lovers have become strangers. And deciding whose side you're on could be the difference between life and death. For Eve and Lemon, discovering the truth about themselves--and each other--was too much for their friendship to take. But with the country on the brink of a new world war--this time between the BioMaas swarm at CityHive and Daedalus's army at Megopolis, loyalties will be pushed to the brink, unlikely alliances will form and with them, betrayals. But the threat doesn't stop there, because the lifelikes are determined to access the program that will set every robot free, a task requiring both Eve and Ana, the girl she was created to replace. In the end, violent clashes and heartbreaking choices reveal the true heroes . . . and they may not be who you think they are. The second thrilling installment of the award-winning *Nevernight Chronicle*, from New York Times bestselling author Jay Kristoff. In a land where three suns almost never set, a ruthless assassin continues her quest for vengeance against the powers who destroyed her family. Mia Corvere has found her place among the Blades of Our Lady of Blessed Murder, but many in the Red Church hierarchy think she's far from earned it. Plying her bloody trade in a backwater of the Republic, she's no closer to ending the men who destroyed her familia; in fact, she's told directly that Consul Scaeva is off limits. But after a deadly confrontation with an old enemy, Mia's suspicions about the Red Church's true motives begin to grow. When it's announced that Scaeva will be making a rare public appearance at the conclusion of the grand games in Godsgrave, Mia defies the Church and sells herself to a gladiatorial collegium for a chance to finally end him. Upon the sands of the arena, Mia finds new allies, bitter rivals, and more questions about

her strange affinity for the shadows. But as conspiracies unfold within the collegium walls, and the body count rises, Mia will be forced to choose between love and revenge, and uncover a secret that could change the very face of her world. The epic conclusion to the internationally bestselling *Nevernight Chronicle* from New York Times bestselling author Jay Kristoff. The greatest games in Godsgrave's history have ended with the most audacious murders in the history of the Itreyan Republic. Mia Corvere, gladiator, escaped slave and infamous assassin, is on the run. Pursued by Blades of the Red Church and soldiers of the Luminatii legion, she may never escape the City of Bridges and Bones alive. Her mentor Mercurio is now in the clutches of her enemies. Her own family wishes her dead. And her nemesis, Consul Julius Scaeva, stands but a breath from total dominance over the Republic. But beneath the city, a dark secret awaits. Together with her lover Ashlinn, brother Jonnen and a mysterious benefactor returned from beyond the veil of death, she must undertake a perilous journey across the Republic, seeking the final answer to the riddle of her life. *Truedark* approaches. Night is falling on the Republic for perhaps the final time. Can Mia

survive in a world where even daylight must die? New York Times and internationally bestselling author Jay Kristoff's writing has been praised by critics and readers alike and has won many awards, including four Aurealis Awards, an ABIA, and David Gemmell Morningstar and Legend awards. A mysterious traveler intervenes in an epic holy war in this "impressive, challenging debut" of the critically acclaimed fantasy epic (Publishers Weekly, starred review). The first book in R. Scott Bakker's Prince of Nothing series introduces readers to a strikingly original and engrossingly vivid new world. With its language and classes of people, its cities, religions, mysteries, taboos, and rituals, *The Darkness That Comes Before* has drawn comparison to J.R.R. Tolkien's *The Lord of the Rings* and Frank Herbert's *Dune*. Bakker's Eärwa is a world scarred by an apocalyptic past, evoking a time both two thousand years past and two thousand years into the future. As untold thousands gather for a crusade, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus—part warrior, part philosopher, part sorcerous, charismatic presence—from lands long thought dead. *The Darkness That Comes Before* is a history of this great holy war, and like all histories, the survivors write its conclusion. From New York Times bestselling authors Amie Kaufman and Jay Kristoff comes an *Illuminae* prequel digital novella that gives readers a hair-raising glimpse into the calamity that befell the invincible AI system known as AIDAN--and the daring young programmer who would risk her life to keep it from crashing. AIDAN is the AI you'll love to hate. The advanced AI system was supposed to protect a fleet of survivors who'd escaped the deadly attack on Kerenza IV. AIDAN was supposed to be infallible. But in the chaotic weeks and months that followed, it became clear that something was terribly, terribly wrong with AIDAN... Long ago the world fell into twilight, when the great empires of old consumed each other in sorcerous cataclysms. In the south the Star Towers fell, swallowed by the sea, while the black glaciers descended upon the northern holdfasts, entombing the cities of Min-Ceruth in ice and sorcery. Then from the ancient empire of Menekar the paladins of Ama came, putting every surviving sorcerer to the sword and

cleansing their taint from the land for the radiant glory of their lord. The pulse of magic slowed, fading like the heartbeat of a dying man. But after a thousand years it has begun to quicken again. In a small fishing village a boy with strange powers comes of age . . . A young queen rises in the west, fanning the long-smoldering embers of magic into a blaze once more . . . Something of great importance is stolen - or freed - from the mysterious Empire of Swords and Flowers . . . And the immortals who survived the ancient cataclysms bestir themselves, casting about for why the world is suddenly changing . . . Death was everywhere. They all stared at me, bumping into one another and slowly coming forward. Sixteen-year-old Zharie Young is absolutely certain her mother morphed into a zombie before her untimely death, but she can't seem to figure out why. Why her mother died, why her aunt doesn't want her around, why all her dreams seem suddenly, hopelessly out of reach. And why, ever since that day, she's been seeing zombies everywhere. Then Bo moves into her apartment building—tall, skateboard in hand, freckles like stars, and an undeniable charm. Z wants nothing to do with him, but when he transforms into a half zombie right before her eyes, something feels different. He contradicts everything she thought she knew about monsters, and she can't help but wonder if getting to know him might unlock the answers to her mother's death. As Zharie sifts through what's real and what's magic, she discovers a new truth about the world: Love can literally change you—for good or for dead. In this surrealist journey of grief, fear, and hope, Britney S. Lewis's debut novel explores love, zombies, and everything in between in an intoxicating amalgam of the real and the fantastic. For fans of Stephen King, Neil Gaiman, *American Horror Story* and *The Walking Dead* comes a powerhouse anthology featuring some of the best thriller and horror writers in YA Stefan Bachmann, Leigh Bardugo, Kendare Blake, A.
