Six years ago she walked out on me without a word, taking the remnants of my heart with her. Had I known then what else she was stealing from me, she would've never made it past the state line. Now she's back with a secret, one that will shake my very foundation from out under me. Where once there was love, there's now only hate, and now that I know there's even more reason for that hate, I will stop at nothing to exact my vengeance. In this epic high school drama, which takes place in one of the wealthiest enclaves of the world. The children of Hollywood's elite spend eight hours a day behind the walls of Eden High. A lot can happen when you stick the ultra-popular no boundaries or limitations children of Hollywood royalty together. This is the second series compilation of books 1-6 of the Eden High Series Cody Jackson has two wives and he's just met his third. The first he married for duty, the second was for lust. The third will be all the above plus a love so consuming it takes him by storm. Alana Harte is a force to be reckoned with, she was raised in the faith, but not in the town. No long skirts and head wraps for her, she's all about designer jeans and high heels. Sharon tries to hold him with her beauty, Arlene thinks she's number one. But Alana will own him before all's said and done. Because she knows something her sheltered sisters don't. A good pussy can topple nations. Just ask Cleopatra. Liam Baxter is my new boss, and he's not so bad. I mean, he does require that I knock before I walk into his office. And he doesn't want me to bring my cat to work. Then he tells me if I don't follow his rules, there will be discipline. On top of that, others say he's cold and calculating. Hmm, maybe my boss is a little bit bad? But the more I work for him, the more things change. He shows me his true self in delicious glimpses. Perhaps underneath the stern, handsome boss, there's a man who needs love even more than he needs an assistant. Georgia Lavine is a means to an end for me. Her father's business is one I intend to destroy. What better way to strike at a man than to take his daughter? That's just what I did, hiring Georgia as my assistant to spite him and also to gain more leverage. But this acquisition isn't without its pitfalls. Georgia is too sunny, too beautiful, too fun, too naïve, too everything-I'm-not. She treats everyone so kindly. So much so that I begin to find that I'm the only one who should get her smiles, her attention, and everything else she has to offer. After all, I'm her boss. And though the assistant position is temporary, I have a much more permanent one in mind. MINK's Note: This is a fun, sweet, safe office romance that gives you feels and a HEA. Curl up with your fave kitty and enjoy. Amanda Stone needs to hide out from her abusive ex who's been released from prison, through an underground network she's led to rancher and ex Rodeo king Caleb Dunbar and his band of misfits. This volume contains the first three books of The Spitfire Series The Mouth Shane Flanagan is Prince of the City and all around badass; that is until he comes up against Arianna Rossi the young spitfire with nothing but guts and determination on her side. They butt heads at every turn as they each battle for dominance. Who will be the victor in this tug of war as they circle each other while keeping their enemies at bay? Shane the tough young don? Or Ari the mouthy younger woman with a truck load of secrets? Lady Boss The mouthy one is back and she's chocked full of surprises; how will bad boy Shane Flanagan, Prince of the City handle the big reveal; how will he react when he learns exactly why Arianna Rossi has been hiding out in his town? Will the closeness they've only just found with each other be threatened by what's been kept in the dark and what is yet to come? Beautiful Assassin Shane Flanagan Prince of the City and his young lover Arianna Rossi whom he just learnt is actually Princess of the Underworld syndicate of the country are back in this fast paced tale of mob wars, assassinations and take overs. By day the two butt heads because Shane wants her as far away from the violence that touched his life as possible while Arianna believes in protecting her loved ones by any means necessary; but at night when the guns and other weapons of choice were on the nightstand these two hot blooded lovers relieved their passions in each other's arms. Chase Thornton is out for blood when he learns of his fiancé's hidden agenda. Filled with rage and the pent up sexual energy that seems to peak only when in the presence of his innocent soon to be ex sister in law, Chase sets his sights on a new mission. To destroy the wayward Celine, and enrapture her younger sister Delia in this tale of family intrigue and revenge where one man's thirst for vengeance just might lead him down the road to his salvation. Matthew Steele is over it already. His last year of high school behind him and college looming ahead, the young heartthrob should be enjoying his last summer of freedom. Instead he's nursing a broken heart from the deception of the girl he thought he knew, until she started a campaign of destruction against his younger brother Josh and his new love. Now his brother is happy with his new bride, but Matt finds himself as a loss. Everything he'd planned for his future has gone up in smoke. He's mad as hell at the world and he damn sure wasn't looking for romance, as far as he was concerned women were off the market. Then she walked in and once again his plans are knocked off kilter; but this time he has his head on straight. He has no intentions on losing his heart to anyone ever again, no matter how much she makes him want. Kady Daniels has come home to Sea Crest after years away. The young beauty is running from a horror no young girl should ever have to endure but she finds shelter in the little town where she's helping her old man run the town's only local diner. Still wary and looking over her shoulder, she's in no way ready for the way her traitorous heart reacts to the elusive Matthew Steele. With her dreams of happily ever after shattered, could she risk opening herself up to more heartache? Caitlin Lyon is the favored first daughter of Colton Lyon. Anyone who wants to date her will have to go through this tough as nails biker dad who thinks no one is good enough for his kid, not even the little snot nosed kid who's been hanging around her for the past four years. Todd Henderson has spent the last four years learning his future father in law, from the age of fifteen when the big man himself threatened him to within an inch of his life if he even thought of messing with his daughter. Most young men that age would've headed for the hills long ago, but Todd's no fool, he knows what he stands to gain if he sticks it out. Now he's nineteen and with the training from the erstwhile Mancini has grown in experience if not years so he's more than ready to claim his girl when he goes home on summer break from the college they'd both planned to meet at. Before he was the legendary MJ, Michael Jordan was just a kid who loved to play basketball. Follow along as he dribbles, shoots, and score his way to fame, armed with a determination that hasn't been matched! Introduce little one to the life of a true game changer in this adorable board book perfect for baby ballers! Mancini finds himself in the stickiest situation yet. After hunting down the worse criminals known to man, he finds himself caught by the special agent who'd been hand picked to bring him down. No sooner had he staked his claim than he was being called away to take down the man responsible for the biggest child trafficking ring in South East Asia. For the first time in his life he finds himself torn, between his duty and staying with the woman he's fallen hard and fast for. The bureau isn't too pleased that their star pupil seems to have gone soft, on the man they'd sent her to bring down. Just when the two sworn enemies are set to embark on their newfound love, lies and betrayal threaten to tear them apart. Will the straight laced agent be able to hold onto the man she's come to believe is nothing like she'd been taught, or will she be yet another casualty of the Mancini way? She was an awkward scrawny kid when they met, he felt sorry for the kid, but he was going away to college and there really was no room in his life for the daughter of the woman his dad had married. Fast forward eight years and the girl he'd nicknamed 'owl' was no more. In her place was a knockout who seemed set on making him sweat. After convincing himself that it was all in his head, that there's no way the little innocent could be trying to seduce him, he's blown away by his reaction to seeing her with other guys. Melanie knows what she wants and what she wants is her hot older stepbrother Nick. the guy who's been the star in her dreams ever since she reached puberty and a chance encounter sent her into orbit. From that fateful day to this, she's set her sights on him, and nothing, not even he himself, is going to stop her. After years of playing the field, Logan Carter has been giving serious thought to settling down. Part of him believes that there's someone for everyone, but with his taste for kink and a very discerning palette, he's beginning to think that his 'one' may not be out there. Then one glance at the curvy gem and his taste buds come alive and he knows he'll do whatever it takes to get her in his bed. The title says it all! The heroes in the stories told here all have some pretty old world ideas when it comes to loving their women. And though their relationships may have all started out unconventionally, they do get their happily ever after in the end. Because love can be found even in the darkest places. Author's Note: This compilation is meant for adults only. This 80 000 word work of fiction may contain subject matter and situations between grownups that some may not find entertaining. If you are easily offended by suggestive dark interactions between men and women, then please go no farther. It's my first day as the new reporter covering New Zealand's famous rugby team. I'm an American who knows nothing about rugby, but after taking one step into the locker room after the game, I'm a huge fan. These massive tough men are true alphas. And there's one who stands taller than the rest. Akea Saluni. The Samoan god. Covered in tribal tattoos, this chiseled man has muscles for days. He puts the moan in Samoan. He makes the Rock look like a pebble. He brings me to my knees. And once this possessive man lays his dark eyes on me, that's exactly where I'm going to stay... Oh yes!!! We're headed to NZ for a Samoan rugby player who is looking to score with his one and only! Over-The-Top. Insta-love. And of course a sugary sweet HEA guaranteed! You know how OTT does it. Grab this book and let Akea bring you to your knees... Kerryanne Lashley is trying hard to pick up the pieces of her life after suffering a horrible betrayal. Not only did her husband of ten years, her high school sweetheart the man she thought would be hers for a lifetime cheat on her, but he did it with her best friend. Now she's taken to hiding herself away in a ratty apartment, which is all she can afford these days. Kyle Clancy wants out of the little nowhere postcard town as soon as possible. He hadn't set foot in the place since he was a kid, and the only reason he's here now is to try to talk his grandpa into moving to the big city since his grandma's passing. He had no more interest in a relationship of any kind than Kerryanne did, but one fateful encounter on a sidewalk in the early morning sun would soon set these two on a collision course with destiny. They had a pact. SEAL Team Seven, seven men who had formed an unbreakable bond while fighting to protect their country. None of them would marry until their service to home and country had been fulfilled. Now five of the brothers have found love, smack dab in the middle of them trying to chase down a madman who's out to destroy them and everything they love.As the only two left standing, Quinn and Devon decided that their job now was to protect their brothers and their women. Though they got a kick out of watching the by-play between their brothers and their new sisters, neither man believed that life was for him.Quinn, who has a special gift that he keeps hidden from everyone but his brothers, didn't think he'd ever fall into the marriage trap. What woman would saddle herself with someone with his history? Then in the middle of the night he's awakened by his senses to the threat of danger. Since none of his family is in imminent danger, he can find no reason for his 'gift' to show up now. When the feeling persists, and he follows his mind, it leads him to the woman who would win his heart with just one look at her. When she turns out to be the daughter of one of his old commander's closest friends, the mystery only deepens.Kelly knew that one day her daddy's time in the Navy was going to come back to bite her in the rear end. Home from college for the summer, she's looking forward to some relaxation in the small town where she'd been born and raised, after the hustle and bustle of the city. But that all changes when she's snatched and dragged across three states.She doesn't know what's going on but she knows one thing, she's not going down without a fight. When she sees the figure off in the distance on the beach as her kidnapers are dragging her into the fog, she makes a run for it, and right into the arms of her destiny.Devon's getting a kick out of the way his brothers had all fallen. Then his new sisters started whispering behind their hands and keeping him in their sights and he knew they were plotting his demise. Thankfully he and his brothers were embroiled in a dangerous game of cat and mouse that helped take the heat off.After they rescue Quinn's woman from traffickers on the beach, she's overheard mentioning another grab the kidnapers have planned and they head off to California to rescue the son of another one of the commander's old team mates.Only when they get there there's a surprise waiting. A surprise that will turn Devon's world upside down and make him question the life he'd had planned for himself.Ariel Samson is a woman of mystery. Raised in secret her whole life, she doesn't show up in anyone's database. The men and their friends who have banded together to help them take care of the threat are left scrambling to put the pieces of who she is together.Her sweet innocence reminds Devon of the mother he lost so long ago, but there was something else growing inside him, something that refused to be denied. But the deeper he digs into who she is he finds that there might be more than just his doubts that can keep them apart. He was supposed to be someone else's, someone very close to her. But she knew something he didn't. Something that once revealed could change the course of all their lives. Would she hold onto this secret and watch him be lost to her forever? Or will she reveal it and take what she wants? Beginning with the day Jordan's father was murdered, and stretching through a two-year odyssey across the American landscape, Rebound is the story of the world's most famous athlete's personal journey in search of himself. Bestselling author Bob Greene was there with Jordan every step along the way. Here is his detailed, intimate chronicle, rich with the sound of Jordan's own voice in long and candid conversations with Greene. In minor-league dugouts and packed NBA arenas, alone with Jordan at home or riding down the highway with him, during the lowest days in the backroads world of small-town baseball and the headiest nights in ornate basketball stadiums where thousands cried his name, Rebound is the story of a man who seemingly had everything the world could offer, and then, in pain, left it behind in an effort to rediscover who he once was, and who he wanted to be. When Mark left the home of his adoptive parents seventeen years ago, he swore to himself that he wouldn't be back until he could get his revenge.Now eighteen years later he'd moved on and built a life for himself, leaving the past behind. That is until his adoptive brother's daughter searched him out. The brother who'd made his life a living hell. Now he's back in his hometown at the request of his 'niece' and his revenge just might take another form. Annie and her two year old daughter travel to America to join up with Joe, the love of her life. Come with her and experience the numerous trials of a 1912 Atlantic crossing, the many tests and exams that Ellis Island demands and the long three day journey by train... taking them to their new home in Utah, over 4,000 miles from her home in Italy. What was life like back then? What could an immigrant from Sicily expect to find in a state like Utah? Experience what she experiences as you follow her through her everyday life in America. See for yourself, the many new discoveries and changes that took place during the Industrial Revolution and how it affected the common folk. Learn about great inventions and how electricity changed lives. See what people had to do to survive. Feel for yourself how WWI interrupted the lives of the entire nation and learn why this war was fought. Over twenty two million immigrants came to America through Ellis Island between 1892-1924. Chances are your ancestors were among them. See for yourself how they lived, what they had to endure, how they survived. A collection of eleven erotic short stories of differing themes all featuring Obsessive, possessive heroes and younger women. My Father's Boss He's there on a business trip staying overnight, her coy looks and flirtatious come ons lead him to enter the darkness of her bedroom where he teaches her just what happens to naughty little girls who play with fire. Forbidden Fruit She's the caretaker's daughter a little young when they first meet so he watches and waits no matter how much she begs. When the time is right he takes her as they both give in to the lust of the forbidden. Anger What happens when a young wife out on a school assignment with a friend gets caught by her husband wrapped up in that friend's arms? Will he believe their tale of just an innocent sharing of body heat or will he exact retribution. The Handmaiden It's another time, a time when the wealthy hired women of lesser birth as breeders; what happens when this young breeder decides she wants it all? Will she convince the man who is supposed to be using her body not for pleasure but for the purpose of bearing his seed to leave his wife? To go against tradition? Enjoy these tales and many more Penny Jordan is an award-winning New York Times and Sunday Times bestselling author of more than 200 books with sales of over 100 million copies. We have celebrated her wonderful writing with a special collection of her novels, many of which are available for the first time in eBook right now. Stefano Andros is a man with a chip on his shoulder. He'd stopped giving a damn about the world when his heart had been ripped out by tragedy as a young man. Now years later, he's become a different man, one who wouldn't think twice about putting a bullet in a fool for getting in his way. There was nothing left of the carefree young man he'd once been, until the night in a casino game room when he looked into the eyes of a dream.She wasn't supposed to be real, his dying sister had mentioned her with her last breath, but he'd never expected to one day hold her in his arms. Now he found himself face to face with a promise made long ago.But all is not as it seems, as he finds that there's more to the woman who was destined to own his heart than meets the eye. Kerryanne Lashley is trying hard to pick up the pieces of her life after suffering a horrible betrayal. Not only did her husband of ten years, her high school sweetheart the man she thought would be hers for a lifetime cheat on her, but he did it with her best friend. Now she's taken to hiding herself away in a ratty apartment, which is all she can afford these days. Kyle Clancy wants out of the little nowhere postcard town as soon as possible. He hadn't set foot in the place since he was a kid, and the only reason he's here now is to try to talk his grandpa into moving to the big city since his grandma's passing. He had no more interest in a relationship of any kind than Kerryanne did, but one fateful encounter on a sidewalk in the early morning sun would soon set these two on a collision course with destiny. Ex Football star Max Carrington is going through life, playing the hand that life dealt him. After losing his dream to play professional ball three years in, he finds himself the proud owner of four night clubs he won one lucky night at the tables. He lives his life fast and loose, and that's the way he likes it. The son of a single mother who grew up in the Bronx, he's made a lifelong pledge never to break a woman's heart the way his old man did. So to keep that promise, he steers clear of anything even resembling a serious relationship. Enter Annabelle Bridgewater.A new transplant from Ohio, she's had to kill her dream of attending Juilliard after her father left the family for a much younger woman, taking his money and his love with him. The two clash in a head on collision when the seemingly brash young woman walk into his club looking for a job, dancing on his stage. Max doesn't know why one look at the mouthy baggage conjures memories of his childhood and the mother he'd watched struggle all his life, but he knows there's no way in hell she's dancing on his stage or anyone else's for that matter. Not if he can help it. After settling down with his wife and kids, Colton Lyon just wanted to put his past behind him, but now it looks like that past had come back to bite him in the ass. Now he's found himself hooked up with a mixed bag of bikers and military types, whose mission is to take down a group of high profile parasites, who're into everything from human trafficking to who knows what. On top of that he's got a fifteen year old daughter, the apple of his eye, who thinks she's in love, and a five year old who's gonna be featured on America's Most Wanted before she's fifteen, if he doesn't keep an eye on her. And then there's his mother and his wife, the Xmas freaks, who would raise all kinds of hell if the season doesn't go off without a hitch. So between watching his six, trying to hold himself back from killing the little snot nose kid who's been sniffing around his first born, he's got to make sure his wife's holiday season is all that is merry and bright. She's his brother's widow, he's the king, she wants a child, will he give her more? Princess Cecile had been raised to be all that is virtuous, but when her husband dies leaving her childless, to avoid being used as her father's pawn, she has to produce a child and pretend that it is her dead husband's.King Julian has avoided his brother's wife for four years. Though he's taken many a willing woman to his bed, he drew the line at betraying his own blood. But now his brother is dead and there's nothing standing in his way. Just as he's plotting the fair lady's abduction and seduction, she falls into his bed, literally. And the favor she asks of him will have her at his mercy and in his bed. Jonas Sutton has just made top five on the richest men in the world list. However, he's not done. His drive makes it hard for him to relax and enjoy life outside the boardroom. So, when his mom calls with an invitation to a charity auction, he has no interest at all. But years of discipline has taught this son never to disappoint the woman who gave him life. So, as bored as he's expecting the evening to be, he decides to put in an appearance if only to appease his mom. Little did he know that his life would be changed forever.Stephanie Sellers aka Parsons is just trying to get her lingerie designs off and running, so when a friend who was supposed to model one of those designs, flakes out at the last minute, this bold and brash plus-size beauty decides to take the stage herself. She never imagined that when she hammed it up for the hottie in the audience that she'd end up being his date for the evening. She wasn't even part of the auction... Nick Sheridan has known loss all his life. When he was seventeen, he lost the love of his life. More than twelve years later his family was murdered. Now Nick has grown tired of life and all the curve balls it's thrown his way. There's a madman on the loose eliminating drug dealers, the same dealers who murdered Nick's family, and the brass wants him to take him down. As a lieutenant, he's sworn to uphold the law but Nick no longer cares. There're only two things he gives a damn about, vengeance and reclaiming the love he'd lost, and nothing and no one is going to stand in his way. Not even the girl whose heart he'd broken those many years ago. She's the eighteen year old best friend of his only daughter, one look and he's hooked, but going there might open up a shit load of problems he didn't really have time for. But her body haunted his dreams and his dick would give him no peace until he got it what it wanted. He's older, loaded and hot; what's a girl to do? I know what this girl will be doing...him. My girly bits have spoken loud and clear and as inexperienced as she was, she had no doubt she could more than handle the brawny tattooed hunk that all the girls were raving about. When my dad married her mom she was supposed to be no more than my new little sister, the daughter my dad always wanted. But things don't always go as planned. I

didn't set out to fall for her, I was too busy enjoying my senior year of high school and being the star quarterback and all that entails to want to settle for anyone. But those big woeful eyes and that soft unassuming way of hers soon got under my skin. It was the rumors that started it. Until news of his prowess reached my ears he was just the new stepbrother life had saddled me with. We got along fine at first as we settled into our new family dynamic. But it wasn't long before I started wondering if the rumors were true and found myself dying to find out for myself. His resistance only made me want him even more. One little lie when she was sixteen landed him in jail. Now five years later he's free and there's only one thing on his mind. Vengeance. A master pet BDSM story of one man's love and lust for the young girl he finds lost and battered in a city alley. What begins as a rescue mission fast becomes the fulfillment of two people's secret yearnings. One to own and the other to be possessed. When she was sixteen, she was too young; now she's older and he intends to claim her once and for always. Donovan Chase is a lieutenant in the little California town called The Cove. When his best friend's little sister, whom he's been in love with since she was too young to be loved by a man like him returned home, he made up his mind that this time he was going to have her no matter what. Shania Spalding took the country by storm with her skills as an investigative reporter. Now she's coming home to lick her wounds and get herself back together after a break-up. She's always held a secret lust for her older brother's hot friend, but knew she could never have the older more sophisticated Donovan. It isn't long though before the forceful lieutenant makes his move and takes her over. Things get a little complicated though, when her ex shows up in their small town looking for trouble. My woman! Many had vied for her position, some had spent years trying to get my notice without any luck. My position and wealth was a huge draw for some, my looks another. She was the first woman not to give a damn about either. Is that why I'd fallen for her so easily? Was it her aloof manner that enticed me, drew me to her? Is it the constant wondering of whether or not she'd been that way with him that kept this jealousy alive? As to that, I've never harbored jealousy or envy against anyone in my life, I never had to. I was born with everything I could possibly need and from then until now had never wanted for anything. Whatever I wanted I took. And then there's Gia, my woman. I've taken her but the love she once bore her dead husband still haunts me. I won't stop until I've erased him from her memory no matter what it takes. She signed a contract, now she belongs to him. The rules were clear. Complete secrecy, no babies and always be there when he wants her. But she's broken one of his cardinal rules and the consequences may be the loss of the one man who would ever own her heart. Rae is like many five year olds with one BIG exception: she has a super-secret superpower. Unlike her limb difference, which is visible for all to see, her superpower is something she has never shown anyone before. But it's her first day of school and her classmates are in need. Will she keep her power to herself? or use it to help her new friends? SERIES OVERVIEW: The Capables are a group of super-capable kid superheroes all of whom have a super capability or "cape." Each Capables' superpower is activated through empowerment. Created by television producer Danny Jordan--the dad of a child with an upper limb difference--The Capables is an entertaining, educational, and engaging children's book series, with a focus on inclusion of disability.
