In Loving Memory

of

*Dr. Theodore Green*

We, the Pastor and Officers of Trinity Lutheran Church, pay our respects to dedicated parishioner Dr. Theodore Green.

**Whereas,** Theodore was integral in contributing to the spiritual and physical wellness of his fellow parishioners, and,

**Whereas,** Theodore was a faithful attendee of the church, and,

**Whereas,** Theodore served his fellow parishioners and the community at large by volunteering his services at a free clinic, and,

**Whereas,** Theodore was a gifted and engaging storyteller, and,

**Whereas,** Theodore treated his responsibility as a healer with the utmost respect,

**Therefore, be it resolved** that the Trinity Lutheran Church will encourage parishioners to visit people in hospice care in need of companionship in honor of Dr. Theodore Green, and

**Be it further resolved** that the Trinity Lutheran Church will continue Dr. Theodore Green's great works.

Trinity Lutheran Church of Denver offers its sincerest condolences to the family of Dr. Theodore Green and shares a Bible verse in his honor: "Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." John 14:27

Humbly submitted by the Pastor and Officers of Trinity Lutheran Church.

A Love for Life Dennis R. Di Mauro, 2008-06-20 Is abortion ethical The answer to this question is often obscured by rhetoric slogans and politics And the media message on abortion is often of little help When the typical American opens up her morning newspaper she sees the topic debated between pro lifers and pro choicers but receives little information that could help her make an informed moral decision And as she reads further about the subject it seems that the Christian church often an ethical guide in many of her decisions is of no use to her Sadly she is told that the church is just as divided as the rest of society on the topic So our average American is left to fend for herself She must somehow decide the right answer with little guidance from society from the church or even from God himself But is our average American really without guidance Has she gotten all the information she needs about abortion or has she received only the five second sound bite that leaves her as confused as she was before she heard about the abortion debate And has God been silent on the abortion question Has the church really shown a diversity of opinion on the sanctity of life A Love for Life will provide Christians with the biblical and historical information that they need to make an informed decision on the abortion question It will also take a critical and biblically based look at the arguments and theologies of today s most prominent pro choice clergy And it will determine if abortion really fulfills the will of God as many pro choice Christians believe or whether abortion is a clearly sinful act In short readers of A Love for Life will discover the real message of the church on abortion

Peculiar Institution David Garland,2011-02-01 The U S death penalty is a peculiar institution and a uniquely American one Despite its comprehensive abolition elsewhere in the Western world capital punishment continues in dozens of American states a fact that is frequently discussed but rarely understood The same puzzlement surrounds the peculiar form that American capital punishment now takes with its uneven application its seemingly endless delays and the uncertainty of its ever being carried out in individual cases none of which seem conducive to effective crime control or criminal justice In a brilliantly provocative study David Garland explains this tenacity and shows how death penalty practice has come to bear the distinctive hallmarks of America s political institutions and cultural conflicts America s radical federalism and local democracy as well as its legacy of violence and racism account for our divergence from the rest of the West Whereas the elites of other nations were able to impose nationwide abolition from above despite public objections American elites are unable and unwilling to end a punishment that has the support of local majorities and a storied place in popular culture In the course of hundreds of decisions federal courts sought to rationalize and civilize an institution that too often resembled a lynching producing layers of legal process but also delays and reversals Yet the Supreme Court insists that the issue is to be decided by local political actors and public opinion So the death penalty continues to respond to popular will enhancing the power of criminal justice professionals providing drama for the media and bringing pleasure to a public audience who consumes its chilling tales Garland brings a new clarity to our understanding of this peculiar institution and a new challenge to supporters and opponents alike

*America's Religious Wars* Kathleen M. Sands,2019-06-04 How American conflicts about religion have always symbolized our foundational political values When Americans fight about religion we are also fighting about our conflicting identities interests and commitments Religion talk has been a ready vehicle for these conflicts because it is built on enduring contradictions within our core political values The Constitution treats religion as something to be confined behind a wall but in public communications the Framers treated religion as the foundation of the American republic Ever since Americans have translated disagreements on many other issues into an endless debate about the role of religion in our public life Built around a set of compelling narratives George Washington s battle with Quaker pacifists the fight of Mormons and Catholics for equality with Protestants Teddy Roosevelt s concept of land versus the Lakota s concept the creation evolution controversy and the struggle over sexuality this book shows how religion throughout American history has symbolized but never resolved our deepest political questions
