recognize as God the Father and His Son Jesus the Christ Later in 1823 three years after receiving what has become known as the First Vision Joseph was again visited by a resurrected human being who called himself Moroni He called me by name and said unto me that he was a messenger sent from the presence of God to me and that his name was Moroni that God had a work for me to do and that my name should be had for good and evil among all nations kindreds and tongues or that it should be both good and evil spoken of among all people He said there was a book deposited written upon gold plates giving an account of the former inhabitants of this continent and the source from whence they sprang He also said that the fullness of the everlasting Gospel was contained in it as delivered by the Savior to the ancient inhabitants JSH 1 33 34 In both of these unprecedented experiences Joseph Smith testified to the world that there are human beings who have once lived upon this earth who died and who were brought back to life resurrected as advanced and eternal human beings These were the first recorded events that laid the foundation for a religious belief system known throughout the world as the Mormons the largest and most powerful faction of Mormonism being the Church of Jesus Christ of Latter day Saints LDS Joseph s personal witness of these two events established an order and protocol of how divine intervention takes place between advanced and eternal human beings and the mortals upon this earth With his own testimony Joseph Smith outlined the official and ONLY authorized manner in which truth can be established upon this earth In order for real truth to be established a fully resurrected being must return to the earth and initiate its establishment Without following this protocol no other work can be deemed official and authorized Ironically since Joseph Smith not even one of the mainstream Mormon LDS leaders has claimed to have been visited by a resurrected human being and received instruction face to face from an advanced and eternal resurrected being Regardless of how Mormon LDS faith has deteriorated over the years since Joseph Smith there has been ONLY one man who has ever claimed to have full access not only to advanced and eternal human beings ministering angels but to the Three Nephite Apostles and to John the Beloved himself That man is Christopher Through Christopher the resurrected Joseph Smith Jr will now finally disclose his true identity to the world and explain the real truth about what happened from the time that he as a young boy first inquired into the concept of religious thought to the time of his martyrdom in Carthage Illinois on June 27 1844 Through Christopher and under the direct auspices of the resurrected Joseph the real truth behind the establishment of an organized church priesthood ordinances and everything else associated with his name will be revealed in its fullness Without Disclosing My True Identity The Authorized and Official Biography of the Mormon Prophet Joseph Smith Jr will answer all questions about the man and the religion that came forth from his time on earth **The Mormons: Or Latter-day Saints** Charles Mackay, Henry Mayhew, 1852 **The Book of Mormon** Joseph Smith, 2023-12-01 The Book of Mormon by Joseph Smith is a holy book in Mormonism and the founding scripture of The Church of Jesus Christ of Latter day Saints LDS Church This work of literature is classified as historical and it is a great collection of ideas which have been condensed into a single draft for readers of all ages to read As the title character is so
