## Far Away Home Susan Denning

*Embrace the Wind* Susan Denning, 2017-03 Aislynn Maher trusted the wrong man To conceal her disgrace she leaves her home and turns to the contentious US marshal of the Wyoming Territory Orrin Sage who is hiding a secret of his own In Cheyenne with its prejudice and lawlessness it s not just difficult to do what you believe is right it s potentially deadly

**Where You Are** J.H. Trumble, 2013-01-01 A Lambda Literary Award Finalist from the author of *Don t Let Me Go* A gripping tale of love hate of differences and owning up to who you are VOYA Robert Westfall s life is falling apart everywhere but in math class That s the one place where problems always have a solution But in the world beyond high school his father is terminally ill his mother is squabbling with his interfering aunts his boyfriend is unsupportive and the career path that s been planned for him feels less appealing by the day Robert s math teacher Andrew McNelin watches his best student floundering concerned but wary of crossing the line between professional and personal Gradually Andrew becomes Robert s friend then his confidante As the year progresses their relationship in school and out of it deepens and changes And as hard as he tries to resist Andrew knows that he and Robert are edging into territory that holds incalculable risks for both of them J H Trumble author of the acclaimed *Don t Let Me Go* explores a controversial subject with extraordinary sensitivity and grace creating a deeply human and honest story of love longing and unexpected connection The heart of the novel lies in the complicated nuanced love between student and teacher Andrew and Robert find solace in each other daring to risk the consequences of their relationship being discovered Publishers Weekly Moving poignant characters you can t help but root for RT Book Reviews 4 stars A page turner Instinct Magazine The story of Andrew and Robert is one not to be forgotten Chris Verleger contributor EDGE on th

[The Sentinel](#) Troy Denning, 2014-04-01 An embittered paladin races to stop evil forces from taking advantage of the chaos rolling across Faer n and claiming dominion over the Realms Stubbornly clinging to his family s worship of a long forgotten god paladin Kleef Kenric soon discovers that his god has blessed him with divine gifts making him one of a new group of Chosen cropping up around the Realms This divine gift makes him an excellent ally and a target for those who wish to corral his powers After battling his way out of Marsember a city besieged on all sides in the wake of the Sundering he becomes swept up in the mission of a group of odd allies a warrior noblewoman an accomplished thief and a mysterious short pudgy man exuding a faint odor of decay With the forces of Shade tracking their every step they travel to the Underdark to thwart the rise of the goddess of Death But before long Kleef learns that his allies hide dangerous secrets secrets that could destroy not only Kleef but the very fabric of the Forgotten Realms **One for the Blackbird,**

**One for the Crow** Olivia Hawker, 2019 From the bestselling author of *The Ragged Edge of Night* comes a powerful and poetic novel of survival and sacrifice on the American frontier Wyoming 1876 For as long as they have lived on the frontier the Bemis and Webber families have relied on each other With no other settlers for miles it is a matter of survival But when

Ernest Bemis finds his wife Cora in a compromising situation with their neighbor he doesn't think of survival. In one impulsive moment a man is dead Ernest is off to prison and the women left behind are divided by rage and remorse. Losing her husband to Cora's indiscretion is another hardship for stoic Nettie Mae. But as a brutal Wyoming winter bears down Cora and Nettie Mae have no choice but to come together as one family to share the duties of working the land and raising their children. There's Nettie Mae's son Clyde no longer a boy but not yet a man who must navigate the road to adulthood without a father to guide him and Cora's daughter Beulah who is as wild and untamable as her prairie home. Bound by the uncommon threads in their lives and the challenges that lie ahead Cora and Nettie Mae begin to forge an unexpected sisterhood. But when a love blossoms between Clyde and Beulah bonds are once again tested and these two resilient women must finally decide whether they can learn to trust each other or else risk losing everything they hold dear.

**Regarding the Pain of Others** Susan Sontag, 2013-10-01 A brilliant clear-eyed consideration of the visual representation of violence in our culture its ubiquity meanings and effects. Considered one of the greatest critics of her generation Susan Sontag followed up her monumental *On Photography* with an extended study of human violence reflecting on a question first posed by Virginia Woolf in *Three Guineas*: How in your opinion are we to prevent war? For a long time some people believed that if the horror could be made vivid enough most people would finally take in the outrageousness the insanity of war. One of the distinguishing features of modern life is that it supplies countless opportunities for regarding at a distance through the medium of photography horrors taking place throughout the world. But are viewers inured or incited to violence by the depiction of cruelty? Is the viewer's perception of reality eroded by the daily barrage of such images? What does it mean to care about the sufferings of others far away? First published more than twenty years after her now classic book *On Photography* which changed how we understand the very condition of being modern *Regarding the Pain of Others* challenges our thinking not only about the uses and means of images but about how war itself is waged and understood in our time the limits of sympathy and the obligations of conscience.

**Imperial Intimacies** Hazel V. Carby, 2019-09-24 Where are you from was the question hounding Hazel Carby as a girl in post World War II London. One of the so-called brown babies of the Windrush generation born to a Jamaican father and Welsh mother Carby's place in her home her neighbourhood and her country of birth was always in doubt. Emerging from this setting Carby untangles the threads connecting members of her family to each other in a web woven by the British Empire across the Atlantic. We meet Carby's working class grandmother Beatrice a seamstress challenged by poverty and disease. In England she was thrilled by the cosmopolitan fantasies of empire by cities built with slave trade profits and by street peddlers selling fashionable Jamaican delicacies. In Jamaica we follow the lives of both the white Carbys and the black Carbys as Mary Ivey a free woman of colour whose children are fathered by Lilly Carby a British soldier who arrived in Jamaica in 1789 to be absorbed into the plantation aristocracy. And we discover the hidden stories of Bridget and Nancy two women owned by Lilly who survived the Middle Passage from Africa to the Caribbean. Moving between the Jamaican

plantations the hills of Devon the port cities of Bristol Cardiff and Kingston and the working class estates of South London Carby's family story is at once an intimate personal history and a sweeping summation of the violent entanglement of two islands In charting British empire's interweaving of capital and bodies public language and private feeling Carby will find herself reckoning with what she can tell what she can remember and what she can bear to know [Reaching Rocky Mountain Jim](#) Kari August,2014-03-10 Gripping story This is one of those stories that grab your attention and holds it right to the very end Amazon Reviewer In 1873 James Nugent better known as Rocky Mountain Jim is a hunter and trapper in Estes Park a settlement just forming in the Colorado Territory Scarred not only physically from a vicious grizzly bear attack but emotionally from previous war experiences he now lives alone in his cabin When strong willed Englishwoman Isabella Bird visits the area and Jim acts as her guide in a treacherous ascent up Longs Peak Mountain an unlikely but undeniable attraction develops between them Complicating Jim's life further is powerful Lord Dunraven who schemes to turn the region into his own private game preserve Jim struggles to keep Estes Park safe from Dunraven's greed while fighting for a commitment from Isabella **Fiji** Daryl Tarte,2014-11-11 Few people have been in the unique position of being able to observe and record the dramatic changes that have taken place in the islands of Fiji over the past 80 years than fourth generation citizen Daryl Tarte He writes emotively in great detail about his personal experience of growing up on a remote island during the colonial era when races were segregated and white people lived an elite existence Following independence he has been personally involved with many of the key economic political and social activities that have evolved and enabled the nation to progress during the 20th century These include the sugar industry tourism commerce and industry religion the media women and of course the coups His observations into the complexities of leadership in these areas of national development are fascinating and perceptive Much of the story is told through the eyes of the many people of all races with whom he has interacted Fiji is made up of over 300 unique islands Tarte has been to many of them and in a final chapter he gives an insightful commentary of how different they all are **A Whole New Mind** Daniel H. Pink,2006-03-07 New York Times Bestseller An exciting and encouraging exploration of creativity from the author of When The Scientific Secrets of Perfect Timing The future belongs to a different kind of person with a different kind of mind artists inventors storytellers creative and holistic right brain thinkers whose abilities mark the fault line between who gets ahead and who doesn't Drawing on research from around the world Pink author of To Sell Is Human The Surprising Truth About Motivating Others outlines the six fundamentally human abilities that are absolute essentials for professional success and personal fulfillment and reveals how to master them A Whole New Mind takes readers to a daring new place and a provocative and necessary new way of thinking about a future that's already here [Angels of the Appalachians](#) Deanna Edens,2015-03-05 Angels of the Appalachians is a fresh and endearing tale filled with folksy phrases and amusing adages of the Southern United States It's the story of two women who meet in 1980 gray haired Erma telling her life story to Annie a young college student living in

Charleston West Virginia The tale she tells is also of two women and their adventures beginning in the coalfields of Red Ash growing up near Thurmond and eventually finding their way to Charleston in 1915 Strong mountain women historical places faith and grief are themes explored in this account of a friendship that spans across decades You will find yourself wishing to call on the fine folks of the Appalachian Mountains relax for a spell and stumble upon the angels who made West Virginia so gloriously wild and wonderful *Blood on the Forge* William Attaway,2013-12-11 Praised by both Richard Wright and Ralph Ellison this classic of Black literature is a brutal depiction of the Great Migration from the Jim Crow South This brutally gripping novel about the African American Great Migration follows the three Moss brothers who flee the rural South to work in industries up North Delivered by day into the searing inferno of the steel mills by night they encounter a world of surreal devastation crowded with dogfighters whores cripples strikers and scabs Keenly sensitive to character prophetic in its depiction of environmental degradation and globalized labor Attaway s novel is an unprecedented confrontation with the realities of American life offering an apocalyptic vision of the melting pot not as an icon of hope but as an instrument of destruction *Blood on the Forge* was first published in 1941 when it attracted the admiring attention of Richard Wright and Ralph Ellison It is an indispensable account of a major turning point in black history as well as a triumph of individual style charged with the concentrated power and poignance of the blues **Prominent Families of New York** Lyman Horace Weeks,1898 *The Midwife's Revolt* Jodi Daynard,2015 On a dark night in 1775 Lizzie Boylston is awakened by the sound of cannons From a hill south of Boston she watches as fires burn in Charlestown in a battle that she soon discovers has claimed her husband s life Alone in a new town Soon word spreads of Lizzie s extraordinary midwifery and healing skills and she begins to channel her grief into caring for those who need her back cover **Anonymous Lawyer** Jeremy Blachman,2007-04-17 A side achingly funny debut novel about a high powered lawyer whose candid blog about life inside his firm threatens to destroy him Publishers Weekly He s a hiring partner at one of the world s largest law firms Brilliant yet ruthless he has little patience for associates who leave the office before midnight or steal candy from the bowl on his secretary s desk He hates holidays and paralegals And he s just started a weblog to tell the world about what life is really like at the top of his profession Meet Anonymous Lawyer The summer s about to start and he s got a new crop of interns But he s also got a few things bothering him The Jerk his bitter rival at the firm who is determined to do whatever it takes to beat him out for the chairman s job Anonymous Wife is spending his money as fast as he can make it And there s that secret blog he s writing which is a perverse bit of fun until he gets an e mail from someone inside the firm who knows he s its author Written in the form of a blog Anonymous Lawyer is a spectacularly entertaining debut that rips away the bland facade of corporate law and offers a telling glimpse inside a frightening world *The Late Age of Print* Ted Striphas,Theodore G. Striphas,2011 Here the author assesses our modern book culture by focusing on five key elements including the explosion of retail bookstores like Barnes Noble and Borders and the formation of the Oprah Book Club **Klimat** Thane

Gustafson,2021-10-12 A discerning analysis of the future effects of climate change on Russia the major power most dependent on the fossil fuel economy Russia will be one of the countries most affected by climate change No major power is more economically dependent on the export of hydrocarbons at the same time two thirds of Russia s territory lies in the arctic north where melting permafrost is already imposing growing damage Climate change also brings drought and floods to Russia s south threatening the country s agricultural exports Thane Gustafson predicts that over the next thirty years climate change will leave a dramatic imprint on Russia The decline of fossil fuel use is already underway and restrictions on hydrocarbons will only tighten cutting fuel prices and slashing Russia s export revenues Yet Russia has no substitutes for oil and gas revenues The country is unprepared for the worldwide transition to renewable energy as Russian leaders continue to invest the national wealth in oil and gas while dismissing the promise of post carbon technologies Nor has the state made efforts to offset the direct damage that climate change will do inside the country Optimists point to new opportunities higher temperatures could increase agricultural yields the melting of arctic ice may open year round shipping lanes in the far north and Russia could become a global nuclear energy supplier But the eventual post Putin generation of Russian leaders will nonetheless face enormous handicaps as their country finds itself weaker than at any time in the preceding century Lucid and thought provoking *Klimat* shows how climate change is poised to alter the global order potentially toppling even great powers from their perches

*The Law of Moses* Amy Harmon,2014 They called him Baby Moses when they shared his story on the ten o clock news the little baby left in a basket at a dingy Laundromat born to a crack addict and expected to have all sorts of problems People love babies even sick babies Even crack babies But babies grow up to be kids and kids grow up to be teenagers Nobody wants a messed up teenager And Moses was messed up To be with him Georgia would change her life in ways she could never have imagined

**The Cabin at Jackson Hole** Kari August,2021-02-25 Praise for Kari August Entertaining original exceptionally well written impressive storytelling talents Midwest Book Review Ava Butterfall once well to do is plunged into financial difficulty with the passing of her only close relative For the first time in her life she must find work Though usually smart as a whip Ava gamely accepts a position in the rugged frontier of Wyoming not wholly realizing what awaits her Little does she expect within a year to be so wandering utterly lost that she must seek shelter at an isolated mountain cabin Hesh Schodde is not pleased about the stranger who appears at his door He has begun anew in the remote location of Jackson Hole precisely because he wants to forge a simpler path and get away from people Appealing Ava will only be a distraction for the cowboys he has brought along to help build his ranch and another concern for him to watch over Yet as Ava and Hesh circle each other warily they find themselves fighting together as the perils of nature and the treachery of outlaws conspire against them Based on true events *The Cabin at Jackson Hole* is engaging historical fiction that reveals the challenges of not only a rough land but those most resistant to living life fully

[Pansy's Sunday Book](#) Isabella MacDonald Alden,2018-10-13 This work has been selected by scholars as being culturally important and is part of the

knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Let Me Love You** Gianni Holmes, 2021-02-25 What happens when a guy who constantly needs rescuing meets his Prince not so Charming After bailing on his corporate kingdom due to a very public scandal the last thing Tate expects is to bump into temptation in the woods A five feet four one hundred and twenty pound guy who reeks of a damsel in distress In other words Tate s kryptonite When a sprained ankle leaves him trapped in the woods Bryan has no option but to accept help from the only man within miles around But there s just so much to do in a cabin before boredom kicks in With only one bed one brooding inexperienced hunk and a few days for his injury to heal it s only a matter of time before things heat up Just when Tate starts opening up to Bryan an unexpected turn of events throws Bryan in the face of danger To rescue him this time Tate must leave his fortress in the woods to return to society Will their brief encounter be enough for them to survive what lurks in the city Full of playful banter lingerie heels a slight age gap devious friends stubborn exes mystery and intrigue this book will give you a thrilling and swoony experience Please note this approximately 100k word book was previously published as Falling for Mr Corporate and My Dear Mr Corporate Over 20k words have been added to the story for a dual POV of the section which was formerly Falling for Mr Corporate Also newly edited
