Surviving the Paraphrase Frank Davey,1983 The essays collected here have been written against the background of Davey s long and close intellectual engagement with the major critical issues of his day and provide a clear sense of his very substantial contribution to contemporary criticism in Canada To critical theory he has added his voice on behalf of post modernist writing and perhaps as clearly as any other writer has articulated the theory of post modernism He has given our criticism its contemporary voice its sound and its rhythms and to the mood of our most recent critical writing added his generous and welcoming spirit A writer on the side of life he has spoken for life and vitality as an active engaged spirit of our time Enjoying Literature Arlene F. The Chaperone Laura Moriarty,2013-06-04 Soon to be a feature film from the creators of Downton Abbey starring Elizabeth McGovern The Chaperone is a New York Times bestselling novel about the woman who chaperoned an irreverent Louise Brooks to New York City in the 1920s and the summer that would change them both Only a few years before becoming a famous silent film star and an icon of her generation a fifteen year old Louise Brooks leaves Wichita Kansas to study with the prestigious Denishawn School of Dancing in New York Much to her annoyance she is accompanied by a thirty six year old chaperone who is neither mother nor friend Cora Carlisle a complicated but traditional woman with her own reasons for making the trip has no idea what she s in for Young Louise already stunningly beautiful and sporting her famous black bob with blunt bangs is known for her arrogance and her lack of respect for convention Ultimately the five weeks they spend together will transform their lives forever For Cora the city holds the promise of discovery that might answer the

question at the core of her being and even as she does her best to watch over Louise in this strange and bustling place she embarks on a mission of her own And while what she finds isn't what she anticipated she is liberated in a way she could not have imagined Over the course of Cora's relationship with Louise her eyes are opened to the promise of the twentieth century and a new understanding of the possibilities for being fully alive Drawing on the rich history of the 1920s 30s and beyond from the orphan trains to Prohibition flappers and the onset of the Great Depression to the burgeoning movement for equal rights and new opportunities for women Laura Moriarty's *The Chaperone* illustrates how rapidly everything from fashion and hemlines to values and attitudes was changing at this time and what a vast difference it all made for Louise Brooks Cora Carlisle and others like them

I Am David Anne Holm, 1990 After escaping from an Eastern European concentration camp where he has spent most of his life a twelve year old boy struggles to cope with an entirely strange world as he flees northward to freedom in Denmark

All Passion Spent Vita Sackville-West, 2017-07-11 Irreverently funny and surprisingly moving *All Passion Spent* is the story of a woman who discovers who she is just before it is too late After the death of elder statesman Lord Slane a former prime minister of Great Britain and viceroy of India everyone assumes that his eighty eight year old widow will slowly fade away in her grief remaining as proper decorative and dutiful as she has been her entire married life But the deceptively gentle Lady Slane has other ideas First she defies the patronizing meddling of her children and escapes to a rented house in Hampstead There to her offspring's utter amazement she revels in her new freedom recalls her youthful ambitions and gathers some very unsuitable companions who reveal to her just how much she had sacrificed under the pressure of others' expectations

All the Little Live Things Wallace Stegner, 1991-12-01 Joe Allston the retired literary agent of Stegner's National Book Award winning novel *The Spectator Bird* returns in this disquieting and keenly observed novel Scarred by the senseless death of their son and baffled by the engulfing chaos of the 1960s Allston and his wife Ruth have left the coast for a California retreat And although their new home looks like Eden it also has serpents Jim Peck a messianic exponent of drugs yoga and sex and Marian Catlin an attractive young woman whose otherworldly innocence is far more appealing and far more dangerous

Alice's Adventures in Wonderland Decoded David Day, 2015-09-29 This gorgeous 150th anniversary edition of Alice's *Adventures in Wonderland* is also a revelatory work of scholarship Alice's *Adventures in Wonderland* published 150 years ago in 1865 is a book many of us love and feel we know well But it turns out we have only scratched the surface Scholar David Day has spent many years down the rabbit hole of this children's classic and has emerged with a revelatory new view of its contents What we have here he brilliantly and persuasively argues is a complete classical education in coded form Carroll's gift to his wonder child Alice Liddell In two continuous commentaries woven around the complete text of the novel for ease of cross reference on every page David Day reveals the many layers of teaching concealed by manipulation of language that are carried so lightly in the beguiling form of a fairy tale These layers relate directly to Carroll's interest in philosophy history mathematics classics poetry spiritualism and

even to his love of music both sacred and profane His novel is a memory palace given to Alice as the great gift of an education It was delivered in coded form because in that age it was a gift no girl would be permitted to receive in any other way Day also shows how a large number of the characters in the book are based on real Victorians Wonderland he shows is a veritable Who's Who of Oxford at the height of its power and influence in the Victorian Age There is so much to be found behind the imaginary characters and creatures that inhabit the pages of Alice's Adventures in Wonderland David Day's warm witty and brilliantly insightful guide beautifully designed and stunningly illustrated throughout in full colour will make you marvel at the book as never before

Away Jane Urquhart,2010-10-29 A stunning evocative novel set in Ireland and Canada *Away* traces a family's complex and layered past The narrative unfolds with shimmering clarity and takes us from the harsh northern Irish coast in the 1840s to the quarantine stations at Grosse Isle and the barely hospitable land of the Canadian Shield from the flourishing town of Port Hope to the flooded streets of Montreal from Ottawa at the time of Confederation to a large windowed house at the edge of a Great Lake during the present day Graceful and moving *Away* unites the personal and the political as it explores the most private often darkest corners of our emotions where the things that root us to ourselves endure Powerful intricate lyrical *Away* is an unforgettable novel

Earle Birney Richard H. Robillard,1971 For the student or general reader *To Every Thing There is a Season* ,1998 The famous verses from the Book of Ecclesiastes are accompanied by exquisite illustrations each rendered in the style of a different world culture An ecumenical artistic and cultural experience rich in beauty and expansive in its appreciation of ethnic variety School Library Journal starred review Readers will be awed by the breadth and depth of the artwork and the seriousness and thought the Dillons have put into the book A book that can be examined and thought about by generations of young readers Booklist starred review

The Old Vicarage, Grantchester Rupert Brooke,1916 **Seventeenth Summer** Maureen Daly,2010-04-27 Seventeen year old Angie who lives with her family in Fond du Lac Wisconsin finds herself in love for the first time the summer after high school graduation
