## Chapter 7 Money In Review Key

*One Billion Americans* Matthew Yglesias, 2024-05-14 NATIONAL BESTSELLER What would actually make America great more people If the most challenging crisis in living memory has shown us anything it is that America has lost the will and the means to lead We can't compete with the huge population clusters of the global marketplace by keeping our population static or letting it diminish or with our crumbling transit and unaffordable housing The winner in the future world is going to have more more ideas more ambition more utilization of resources more people Exactly how many Americans do we need to win According to Matthew Yglesias one billion From one of our foremost policy writers *One Billion Americans* is the provocative yet logical argument that if we aren't moving forward we're losing Vox founder Yglesias invites us to think bigger while taking the problems of decline seriously What really contributes to national prosperity should not be controversial supporting parents and children welcoming immigrants and their contributions and exploring creative policies that support growth like more housing better transportation improved education revitalized welfare and climate change mitigation Drawing on examples and solutions from around the world Yglesias shows not only that we can do this but why we must Making the case for massive population growth with analytic rigor and imagination *One Billion Americans* issues a radical but undeniable challenge Why not do it all and stay on top forever
