The World's Wisdom Philip Novak,P. Novak,1996 A world Bible for our time from Buddhist Hindu Confucian Taoist Jewish Christian Islamic and primal religion sources In this perfect companion to Huston Smith s bestselling *The World s Wisdom* Philip Novak distills the most powerful and elegant expressions of the wisdom of humankind Authentic poetic translations of key texts are coupled with insightful introductions and grace notes

Global Religions Mark Juergensmeyer,2003-03-20 Can Islam be located on a map Is Europe the center of the Christian world Is India a Hindu nation While decades ago these questions were often answered in the affirmative the truth has never been that simple Not only are adherents of particular faiths spread across the globe but there are many variations of a particular faith practiced side by side This has only become more true in recent years as the pace of globalization has quickened The essays collected here provide brief and accessible introductions to the major world religions in their global contexts The volume begins with an introduction to the globalization of religion by Mark Juergensmeyer and is followed by individual essays on Christianity Islam Judaism Hinduism Buddhism and local religious societies The book concludes with three essays reflecting on the global religious scene Taken together these essays provide a concise authoritative and highly readable introduction to the state of worldwide religion in the 21st century

World Scripture Andrew Wilson,1998-09-22 Demonstrating the commonality of the world s religions and our common humanity this rich and varied anthology of scripture offers a highly useful collection of religious quotations passages and excerpts from the holy texts representing a new holistic approach to the world s religions

Pray Without Ceasing Patrick Laude,2006 Drawn from the world s religions this work takes the reader on a pilgrimage to the heart of prayer and reveals why prayer is the essence of the human condition

Understanding World Religions in 15 Minutes a Day Garry R. Morgan,2012-09-01 User Friendly Beginner s Guide to World Religions The world is becoming more integrated What once seemed like the religions of exotic faraway lands are now practiced by families next door These short easily digestible readings give an overview of the beliefs histories and practices of dozens of religions including Islam Buddhism Hinduism Christianity and many more Garry Morgan blends the knowledge of a college professor with real world experience and an accessible style Broken into forty brief chapters this book can be used as a reference for those who need quick and clear answers or read straight through by curious readers

Scripture in the World Religions Harold G. Coward,2000-08 In this systematic and accessible analysis Harold Coward carefully explores the scriptures written and spoken of six major world faiths He examines their interpretation their role in devotion and education and their relationships with each other

The Penguin Handbook of the World's Living Religions John R. Hinnells, 2010-03-25 Comprehensive informative and authoritative The Penguin Handbook of the World's Living Religions is compiled by a team of leading international scholars and is the definitive guide to the religious belief systems and practices of the world today This in depth survey of active religions has now been fully updated to include modern developments and the most recent scholarship It explains the sources and history of the world's religions includes material on the phenomenon of Black African and Asian diaspora religions around the world and explores the role of gender in modern religion

Sacred Texts of the World Ninian Smart, Richard D. Hecht, 2007 For a contemporary world in which religious belief exercises a more potent some might say more dangerous influence on global events than many would have thought possible a generation ago the nature and interpretation of the core tenets of religious faith has become a matter of compelling and widespread interest both within and outside practising religious communities Each of the 14 chapters of Sacred Texts is devoted to one of the principal religious and other belief systems of humanity both defunct and extant The chapters follow a consistent pattern a short and accessible introduction to the faith in question followed by extracts that clearly illustrate its mythic narratives its spiritual and theological doctrines its central moral teachings its rituals and modes of worship and its mystical traditions Accompanying notes make clear the meanings of all the quoted passages Taken together the extracts provide a rounded and coherent picture of each religious tradition Sacred Texts covers not only Judaism Christianity Islam Hinduism Buddhism Jainism Taoism Confucianism Shintoism and Sikhism but also small scale traditional religions new religions and secular worldviews such as humanism It is an essential reference for those who wish to understand the nature and continuing appeal of religious belief in a globalised multi faith world

The Illustrated World's Religions Huston Smith, 1995-08-18 Retaining all the beloved qualities of Huston Smith's classic The Religions of Man and the current fully revised and updated The World's Religions this stunning pictorial presentation refines the text to its wonderful essentials In detailed absorbing richly illustrated and highly readable chapters on Hinduism Buddhism Confucianism Taoism Islam Judaism Christianity and primal religions we find refreshing and fascinating presentations of both the differences and the similarities among the worldwide religious traditions The approach is at once classic and contemporary retaining all the empathy eloquence and erudition that millions of readers love about the earlier editions while being edited and designed for a contemporary general readership This delightful marriage of winsome text and remarkable pictures vividly brings to life the scope and vision of Huston Smith's expertise and insight

Invitation to World Religions Jeffrey Brodd, Layne Little, Bradley Nystrom, Robert Platzner, Richard Hon-Chun Shek, Erin E. Stiles, 2021-07 Featuring a unique consistent and modular chapter structure and numerous pedagogical features Invitation to World Religions Fourth Edition invites students to explore the world's great religions with respect and a sense of wonder The authors also encourage students to develop an appreciation for what religious beliefs and practices actually mean to their adherents

The Way Things Are Huston Smith, 2003-09-02 Where can we find what is ultimately meaningful How can we discover what is truly worth knowing In one form or another Huston Smith has been posing these questions to himself and the world all his life In the course of seeking answers he has become one of the most interesting enlightening and celebrated voices on the subject of religion and spirituality throughout the world The twenty three interviews and essays in this volume edited by cultural historian and filmmaker Phil Cousineau offer a uniquely personal perspective on Smith s own personal journey as well as wide ranging reflection on the nature and importance of the religious quest In The Way Things Are readers will find Smith in conversation with some of the world s most influential personalities and religious leaders from journalist Bill Moyers to religion scholar Philip Novak and recounting his personal experiences with such luminaries as Joseph Campbell Aldous Huxley Timothy Leary Daisetz Suzuki Ram Dass and the Dalai Lama Throughout these engaging exchanges Smith speaks with passion and humor of his upbringing as the son of missionary parents in China of the inspiring and colorful individuals he has known and of his impressions of the different religious and philosophical traditions he has encountered A fascinating view of the state of world religion and religious leadership over the past fifty years the book also looks to the future with a final interview on the vital importance of the transcendent message of religion for the post 9 11 world Readers will find The Way Things Are to be Huston Smith s most and accessible book to date

World Religions John Bowker, 2003 The Evolution of Major Faiths World Religions looks at the beliefs and practices of many different religions from the ancient Egyptians to Zoroastrianism the oldest living religion and the great faiths practiced today Each of the major faiths Christianity Judaism Hinduism Buddhism Jainism Sikhism and Islam is examined in detail through its sacred texts epic imagery key beliefs and religious artifacts The distinctive identities of different faiths are explored in World Religions by studying the main principles and thinking of each religion The book s superb reproduction allows the symbolism and meaning in religious imagery and iconography to be revealed in great detail Accessible and far reaching World Religions will engage the whole family as much as the serious student Book jacket
