Healing through Deliverance Jun 11 2022 Jesus's ministry included not only preaching and teaching, points out British Bible teacher Peter J. Horrobin, but fully one-third of Christ's recorded healings involved deliverance. In this groundbreaking work, Horrobin urges believers to exercise the authority of Jesus in this often-ignored dimension. Through in-depth Scripture teaching, he demonstrates persuasively that the charge Jesus gave his disciples to heal the sick and cast out demons was a vital part of the Great Commission for the whole church for all time. Formerly two volumes, Healing through Deliverance is now available in a single hardcover edition. It lays out the

biblical foundation for the ministry of healing and deliverance. It also shows how people can become affected by demonic powers and offers keys for bringing about healing through deliverance. Readers will find practical guidelines for building and conducting a healing and deliverance ministry through the local church and in ministry and counseling centers. With this complete work, believers will be equipped to respond to all of God's call--to preach the gospel, heal the sick, and cast out demons.

Harp and Bowl Handbook Jan 07 2022 This practical guide from the International House of Prayer of Kansas City is based on over twenty years' experience in corporate 24/7 prayer. Harp & Bowl Handbook provides direction for prayer rooms and the musicians, singers, and intercessors who staff them. It includes the mechanics and principles of our application of the harp and bowl model, key apostolic prayers from the New Testament, a brief history of night-and-day prayer, a biblical overview of the end-time prayer movement, and a look at intercessory missionaries in the biblical timeline. The Bible calls us to a lifestyle of prayer, and the longing to be faithful to this mission is sweeping the global church. Prayer rooms are springing up everywhere, from large missions organizations to small local churches and school campuses. Believers need practical tools to help us sustain joyful, corporate prayer meetings. We have been inspired by the example of prayer with worship found in Revelation 5:8, where the elders around God's throne hold two things: harps and bowls full of the saints' prayers. What we refer to as the harp and bowl model is a scriptural, God-focused, dynamic structure that facilitates the flow of sustained, enjoyable prayer.

Holy Women, Holy Men Feb 05 2022 Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas.

These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.
