Design Justice Feb 22 2021 An exploration of how design might be led by marginalized communities, dismantle structural inequality, and advance collective liberation and ecological survival. What is the relationship between design, power, and social justice? “Design justice” is an approach to design that is led by marginalized communities and that aims explicitly to challenge, rather than reproduce, structural inequalities. It has emerged from a growing community of designers in various fields who work closely with social movements and community-based organizations around the world. This book explores the theory and practice of design justice, demonstrates how universalist design principles and practices erase certain groups of people—specifically, those who are intersectionally disadvantaged or multiply burdened under the matrix of domination (white supremacist heteropatriarchy, ableism, capitalism, and settler colonialism)—and invites readers to “build a better world, a world where many worlds fit; linked worlds of collective liberation and ecological sustainability.” Along the way, the book documents a multitude of real-world community-led design practices, each grounded in a particular social movement. Design Justice goes beyond recent calls for design for good, user-centered design, and employment diversity in the technology and design professions; it connects design to larger struggles for collective liberation and ecological survival.

Youth Justice Jul 30 2021 This book provides a comprehensive, student-friendly and critical introduction to youth justice in England and Wales, offering a balanced evaluation of its development, rationale, nature and evidence base. It explores the evolution of definitions and explanations of youth offending and examines the responses to it that constitute youth justice. Bringing together theory, policy and practice, this book provides a balanced exposition of contemporary youth justice debates, including detailed discussions of governmental rationales, policy developments, practical issues and an extensive evaluation of critical academic positions. It includes a range of features designed to engage and inspire students: ‘Stop and think’: Activities challenging students to reflect on important issues. ‘Conversations’: Discussions of key themes and issues from the perspectives and experiences of relevant stakeholders, including policy makers and activists. ‘Telling it like it is’: Testimonies giving voice to the personalised, subjective and contentious viewpoints of youth justice influencers. ‘Controversies and debates’: Prompts to stimulate students to question and critique established knowledge and understanding by considering alternative angles. ‘Recurring theme alerts’: Boxes flagging recurring themes in the developing construction of youth offending and youth justice. The new edition has been fully revised and updated and includes discussion of revised National Standards in Youth Justice, the new ‘Child First’ strategic objective for youth justice, the ‘trauma informed practice’ movement, the impact of coronavirus on children in the Youth Justice System and the continued impact of austerity on policy and practice. This book is essential reading for students taking courses in youth justice, youth offending, youth crime, youth work and social policy.

Climate Justice Jul 22 2023 The link between justice and climate change is becoming increasingly prominent in public debates on climate policy. This clear and concise philosophical introduction to climate justice addresses the hot topic of climate change as a moral challenge. Using engaging everyday examples the authors address the core arguments by providing a comprehensive and balanced overview of this heated debate, enabling students and practitioners to think critically about the subject area and to promote discussion on questions such as: Why do anything in the face of climate change? How much do we owe our descendants – a better world, or nothing at all? How should we distribute the burden of climate action between industrialized and developing countries? Should I adopt a green lifestyle even if no one else makes an effort? Which means of reducing emissions are permissible? Should we put hope in technological solutions? Should we re-design democratic institutions for more effective climate policy? With chapter summaries, illustrative examples and suggestions for further reading, this book is an ideal introduction for students in political philosophy, applied ethics and environmental ethics, as well as for practitioners working on one of the most urgent issues of our time.

ADMINISTRATION OF JUSTICE Jan 16 2023

Pursuing Justice, 2nd Edition Aug 23 2023 Pursuing justice is daunting. It plays out in a variety of contexts — like the environment, employment, the criminal justice system — and raises tough issues like racism, gender discrimination and poverty. But ultimately the aim of studying justice is to achieve it. This book is about justice in Canada: its definition, its boundaries, its contradictions and its nuances. It is also about the mechanisms and practices that enable the pursuit of justice. It problematizes the notion of justice while defining and pursuing the illusive notion of justice in Canadian society. This second edition features updated content from the popular first edition as well as new content about social justice and racism, the experiences of racialized persons with police, settler colonialism and issues of justice for gender and sexual minorities — all from a Canadian perspective. Additionally, each chapter contains objectives of the chapter, case studies and discussion questions.

Introduction to Criminal Justice May 27 2021 "Very thorough text that makes great use of high-profile cases to engage students and foster a passion for criminal justice." —Patricia Ahmed, South Dakota State University Introduction to Criminal Justice, Second Edition, provides students with balanced, comprehensive, and up-to-date coverage of all aspects of the criminal justice system. Authors Brian K. Payne, Willard M. Oliver, and Nancy E. Marion cover criminal justice from a student-centered perspective by identifying the key issues confronting today’s criminal justice professionals. Students are presented with objective, research-driven material through an accessible and concise writing style that makes the content easier to comprehend. By exploring criminal justice from a broad and balanced perspective, students will understand how decision making is critical to the criminal justice process and their future careers. The fully updated Second Edition has been completely revised to include new studies and current examples that are relatable to today’s students. Two new feature boxes have been added to this edition to help students comprehend and apply the content. "You Have the Right to..." gives insight into several Constitutional amendments and their relationship with criminal justice today; and "Politics and Criminal Justice" explores current political hot topics surrounding the justice system and the debates that occur on both sides of the political aisle.

Juvenile Justice Mar 30 2024 Juvenile Justice: An Introduction is a student-friendly analysis of all aspects of the juvenile justice system. The book covers the history and development of the juvenile justice system and the unique issues related to juveniles, including police interaction, court processes, due process, movements toward diversion and deinstitutionalization, and community intervention. This book also examines particular issues within juvenile justice, such as female delinquency, gang delinquency, and the use of the death penalty and Life Without Parole with juveniles. Evidence-based suggestions for successful interventions and treatment are included, with a focus on performing cost-benefit analyses of what works versus what is ineffective with juveniles. The book concludes with a look to the future of the juvenile court, including the real possibility of abolition. Provides an engaging introduction to all aspects of the juvenile justice system in America. This seventh edition builds on a trusted and well-known textbook with new material on key issues such as sexting, bullying, social media, and the issues of non-delinquent youths. Robust offerings for students include study questions, discussion questions, "What You Need to Know" sections in each chapter, key terms identified, online case study questions, and links to relevant websites. Instructors are provided with helpful test question banks, lesson plans, sample syllabi, PowerPoint lecture slides, and links to useful websites. Glossary consolidates key terms with definitions.

Military Justice Nov 01 2021 This book presents an accessible and honest assessment of the strengths and weaknesses of military justice around the world, with particular emphasis on the US, UK, and Canada.

Law and Justice Apr 30 2024

Juvenile Justice Dec 27 2023 Juvenile Justice: An Introduction, 8th edition, presents a comprehensive picture of juvenile offending, delinquency theories, and how juvenile justice actors and agencies react to delinquency. It covers the history and development of the juvenile justice system and the unique issues related to juveniles, offering evidence-based suggestions for successful interventions and treatment and examining the new balance model of juvenile court. This new edition not only includes the latest available statistics on juvenile crime and victimization, drug use, court processing, and corrections, but provides insightful analysis of recent developments, such as those related to the use of probation supervision fees; responses to gangs and cyber bullying; implementing the deterrence model (Project Hope); the possible impact of drug legalization; the school-to-prison pipeline; the extent of victimization and mental illness in institutions; and implications of major court decisions regarding juveniles, such as Life Without Parole (LWOP) for juveniles. Each chapter enhances student understanding with Key Terms, a "What You Need to Know" section highlighting important points, and Discussion Questions. Links at key points in the text show students where they can go to get the latest information, and a comprehensive glossary aids comprehension.

An Introduction to Criminal Justice Mar 06 2022 A contemporary guide to the criminal justice process, the broad scope of this book means it will be a trusted companion throughout a Criminology and/or Criminal Justice degree. American Criminal Justice Apr 18 2023 Provides a comprehensive, readable overview of how criminal justice actually works in the United States, and what makes US procedures distinctive and important.

Introduction to Criminal Justice Apr 06 2022 Introduction to Criminal Justice is the perfect text for students who are interested in pursuing a career in criminal justice and for those who simply want to learn more about the criminal justice system. The authors' combined experience of more than 50 years in teaching introduction to criminal justice as well as working in the field -- Bohm as a correctional officer and Haley as a police officer -- come through in their accessible yet comprehensive presentation. They make it easy for readers to understand that much of what the public "knows" about criminal justice in the United States is myth, and help students learn the truth about the U.S. criminal justice system.

An Introduction to Green Criminology and Environmental Justice Oct 13 2022 A comprehensive introduction to green criminology, this book is a discussion of the relationship between mainstream criminal justice and green crimes. Focused on environmental harm within the context of criminal justice this book takes a global perspective and Introduces students to different theoretical perspectives in green criminology Looks at the victims of environmental crime throughout Covers topics such as; wildlife crimes, animal abuse, the causes of environmental crime, regulation, exploitation, environmental activism, policing, prosecution and monitoring. Designed to help readers develop a thorough understanding of the principles of environmental justice and green criminology, as well as contemporary developments, this book will be excellent support to students of green criminology and environmental crime.

An Introduction to Transitional Justice Feb 14 2023 An Introduction to Transitional Justice provides the first comprehensive overview of transitional justice judicial and non-judicial measures implemented by societies to redress legacies of massive human rights abuse. Written by some of the leading experts in the field it takes a broad, interdisciplinary approach to the subject, addressing the dominant transitional justice mechanisms as well as key themes and challenges faced by scholars and practitioners. Using a wide historic and geographic range of case studies to illustrate key concepts and debates, and featuring discussion questions and suggestions for further reading, this is an essential introduction to the subject for students.

Criminal Justice: A Very Short Introduction Sep 11 2022 The criminal justice system is wide ranging; from the crimes themselves and policing to the sentencing of offenders and prisons. In this Very Short Introduction Julian V. Roberts draws upon the latest research and current practices from a number of different countries around the world. Focusing on the adversarial model of justice found in common law countries such as the United States, United Kingdom, Canada, and Australia, he discusses topics such as the uses of imprisonment, the effects of capital punishment, and the purposes of sentencing. Considering the role of the victim throughout the criminal justice system, as well as public knowledge and attitudes towards criminal justice, Roberts critically assesses the way in which the system functions and its importance around the world. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Introduction to Criminal Justice Apr 26 2021 This book offers a new kind of introduction to criminal justice--a lively, evocative text built around and enlivened by the lived experiences of those who, by choice or not, are heavily involved in the criminal justice system. The authors have included over 30 narratives from victims, offenders, and professionals working within the system. These personal narratives provide real-life examples of how crime and the criminal justice system are experienced. The experiences of real people are often lost in discussions about criminal justice processes and the criminal justice system in general. Texts and teaching too frequently focus exclusively on criminal justice procedures or on macro-level systems. Such conversations lose sight of and de-value the impact of systems on individuals. This textbook seeks to provide the human voice to the topic of criminal justice, while also providing all of the relevant materials to introductory classes. Built around the narratives are all of the traditional materials that instructors need to cover in introduction to criminal justice courses. However, since a good portion of the text will be powerful narratives written by those who have "lived" and "performed" in the criminal justice domain, this book represents an innovative approach that simultaneously challenges instructors to think about their pedagogy in new ways, potentially making their classroom encounters more lively and compelling. In this new edition, we have added discussions about the current controversies and styles of policing, a chapter devoted to wrongful convictions, and a discussion of a public health reform approach to some of the most challenging parts of our system going forward.

Criminal Justice Jan 21 2021 This practical new text encourages students to develop a deeper understanding of the current context and workings of the criminal justice system, and is of particular use for students and for practitioners in the criminal justice arena.

Criminal Law & Criminal Justice Oct 25 2023 This accessible text enables criminology and criminal justice students to understand and critically evaluate criminal law in the context of criminal justice and wider social issues. The book explains criminal law comprehensively, covering both general principles and specific types of criminal offences. It examines criminal law in its social context, as well as considering how it is used by the criminal justice processes and agencies which enforce it in practice. Covering all the different theoretical approaches that the student of criminology and criminal justice will need to understand, the book provides learning tools such as: -chapter objectives - making the structure of the book easy to follow for students -questions for discussion and student exercises - helping students to think critically about the ideas and concepts in each chapter, and to undertake further independent and reflective study -?definition boxes? explaining key concepts - helping students who are not familiar with specialist criminal law terminology to understand what the key basic concepts in criminal law really mean in practice -a companion Website which incorporates a range of resources for lecturers and students.

American Criminal Justice Mar 25 2021 American Criminal Courts, Second Edition is unique among texts for introductory courts courses in its providing a framework for students and instructors to understand courts. The author presents three central themes in the first chapter, which are then built upon and connected in each succeeding chapters. Students do not just learn from this book by reading. A unique collection of original web-based cases (free to instructors and their students), given students an opportunity to participate as courtroom actors and to engage in court processes and procedures. Students learn, both by reading and doing from the unique print/digital package of materials. Students can complete exercises and send them digitally to their instructors to demonstrate their mastery of criminal court processes and principles.

Rawls's 'A Theory of Justice' Jan 04 2022 A Theory of Justice, by John Rawls, is widely regarded as the most important twentieth-century work of Anglo-American political philosophy. It transformed the field by offering a compelling alternative to the dominant utilitarian conception of social justice. The argument for this alternative is, however, complicated and often confusing. In this book Jon Mandle carefully reconstructs Rawls's argument, showing that the most common interpretations of it are often mistaken. For example, Rawls does not endorse welfare-state capitalism, and he is not a 'luck egalitarian' as is widely believed. Mandle also explores the relationship between A Theory of Justice and the developments in Rawls's later work, Political Liberalism, as well as discussing some of the most influential criticisms in the secondary literature. His book will be an invaluable guide for anyone seeking to engage with this ground-breaking philosophical work.

Reproductive Justice Oct 01 2021 Reproductive Justice is a first-of-its-kind primer that provides a comprehensive yet succinct description of the field. Written by two legendary scholar-activists, Reproductive Justice introduces students to an intersectional analysis of race, class, and gender politics. Loretta J. Ross and Rickie Solinger put the lives and lived experience of women of color at the center of the book and use a human rights analysis to show how the discussion around reproductive justice differs significantly from the pro-choice/anti-abortion debates that have long dominated the headlines and mainstream political conflict. Arguing that reproductive justice is a political movement of reproductive rights and social justice, the authors illuminate, for example, the complex web of structural obstacles a low-income, physically disabled woman living in West Texas faces as she contemplates her sexual and reproductive intentions. In a period in which women's reproductive lives are imperiled, Reproductive Justice provides an essential guide to understanding and mobilizing around women's human rights in the twenty-first century. Reproductive Justice: A New Vision for the Twenty-First Century publishes works that explore the contours and content of reproductive justice. The series will include primers intended for students and those new to reproductive justice as well as books of original research that will further knowledge and impact society. Learn more at www.ucpress.edu/go/reproductivejustice.

Law and Justice Mar 18 2023

Criminal (In)Justice Dec 15 2022 Criminal (In)Justice: A Critical Introduction examines the American criminal justice system and the social forces that shape it. Using a conversational voice, the book challenges readers to consider the inequalities in the criminal justice system as well as in the broader society it is designed to protect, then ask, "What can I do to make this better?" Author Aaron Fichtelberg uses a unique, critical perspective to encourage students to look closer at the intersection of race, class, gender, and inequality in the criminal justice system. Covering each of the foundational areas of the criminal justice system—policing, courts, and corrections—this book takes an in-depth look at the influence of social inequality, making it ideal for instructors who want students to critically assess the American criminal justice system in a very approachable way. This second edition comes at a time when there is a profound awareness that the criminal justice system reflects deep and systematic inequalities in American society and has been

updated to include some of these monumental changes. This title is accompanied by a complete teaching and learning package. Digital Option / Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto-graded assignments and interactive multimedia tools, all carefully designed to ignite student engagement and drive critical thinking. Built with you and your students in mind, it offers simple course set-up and enables students to better prepare for class. LMS Cartridge (formerly known as SAGE Coursepacks): Import this title's instructor resources into your school's learning management system (LMS) and save time. Don't use an LMS? You can still access all of the same online resources for this title via the password-protected Instructor Resource Site.

Restoring Justice Feb 27 2024 Restoring Justice: An Introduction to Restorative Justice offers a clear and convincing explanation of restorative justice, a movement within criminal justice with growing worldwide influence. It explores the broad appeal of this new vision and offers a brief history of its development. The book presents a theoretical foundation for the principles and values of restorative justice and develops its four cornerpost ideas of encounter, amends, inclusion and reintegration. After exploring how restorative justice ideas and values may be integrated into policy and practice, it presents a series of key issues commonly raised about restorative justice, summarizing various perspectives on each.

Criminal Justice Nov 25 2023 This book assesses the main theories concerned with the causes of crime, and provides an account and analysis of the response of the state to crime in England and Wales. It is a useful text for students taking courses in criminal justice.

Criminal Justice Jan 28 2024 Criminal Justice: An Introduction is a complete introductory text for the most basic and widely-studied course in this subject area. Each chapter begins with behavioral objectives and a list of key terms. A variety of strategies are designed into the text to hold the attention of reader: key terms in bold lettering, side margin notes (containing interesting facts and challenging questions), boxed justice events and international perspectives, and over 80 photographs, tables and figures. Each chapter ends with applications that enable the student to apply the material to real life situations. This text competes with larger books by offering a complete but succinct and less expensive introduction to criminal justice, which will be more manageable for community colleges and colleges with shorter terms. The instructor's manual will assist educators with special projects and test questions and answers. The accompanying disk challenges students with interactive exercises. An excellent entry-level textbook for undergraduate criminal justice students. Written by an instructor of criminal justice and security for over 20 years. Includes an instructor's manual and a disk with interactive exercises for students.

The Administration of Justice Jun 20 2023

An Introduction to Criminal Justice Nov 13 2022 Coverage of all the core aspects of Criminal Justice is accompanied by details of a wide range of insights and experiences of real world practitioners to really bring the subject to life, providing students with a resource they can rely on throughout their degree

Juvenile Justice Jun 08 2022 This book provides a comprehensive and thought-provoking introduction to the juvenile justice system in the United States. It begins by tracing the historical origins of the legal concept of juvenile delinquency and the institutional responses that developed, and analyzes the problem of delinquency, including its patterns, correlates, and causes. With this essential foundation, the greater part of the book examines the full range of efforts to respond to delinquency through both informal and formal mechanisms of juvenile justice. Core coverage includes: The history and transformation of juvenile justice, The nature and causes of delinquency, Policing juveniles, Juvenile court processes, Juvenile probation and community-based corrections, Residential placement and aftercare programs, Delinquency prevention, Linking systems of care. This book is designed as a core text for courses on juvenile justice. Each chapter begins with a compelling case study and learning objectives that draw attention to the topics discussed. Each chapter ends with one or two readings that introduce readers to the literature on juvenile justice. In addition, "critical thinking questions" invite analysis of the material covered in the chapter. A companion website offers an array of resources for students and instructors. For students, this includes chapter overviews, flashcards of key terms, and useful website links. The instructor site is password protected and offers a complete set of PowerPoint slides and an extensive test bank for each chapter—all prepared by the authors.

Criminal Justice Aug 11 2022 This book assesses the main theories concerned with the causes of crime, and provides an account and analysis of the response of the state to crime in England and Wales. It is a useful text for students taking courses in criminal justice.

Criminal Justice Jul 10 2022

LOOSELEAF FOR CRIMINAL JUSTICE AN INTRODUCTION May 08 2022 Criminal Justice: An Introduction offers a current, lively and thorough introduction to criminal justice. Students are easily drawn to the intriguing field with coverage of past developments, contemporary issues, and tomorrow's challenges. This edition offers new material on diversity in the Criminal Justice System to help students better understand the system from the perspective of women and minorities. Crime & Justice Sep 23 2023 The second edition of this popular introductory text presents complex ideas and information in a comprehensive and readable format. The book starts with the basic learning tools of definitions, research methods, statistics, typologies, and ideologies relating to crime and justice. Subsequent chapters cover the evolution, history, and contemporary operation of the components of the criminal justice system, namely law enforcement, courts, and corrections. Crime and Justice features expanded coverage of the research tools for analyzing crime, theories of crime causation, and jails in America. In addition, the issue of juvenile justice has been integrated into the entire text. Based on the latest research data, trends in the field, and relevant legal changes, it is the most comprehensive examination of criminal justice available.

Perspectives on Justice Feb 02 2022

Criminal Justice Jun 28 2021 "Many students are attracted to the study of criminal justice because it provides a focus for the tension that exists within our society between individual rights and freedoms, on the one hand, and the need for public safety, security, and order, on the other. Recently, twenty-first-century technology in the form of social media, smartphones, and personal online videos, has combined with perceived injustices in the day-to-day operations of the criminal justice system, culminating in an explosion of demands for justice for citizens of all races and socioeconomic status- especially those whose encounters with agents of law enforcement turn violent. A social movement that began with the shooting of an unarmed black teenager in Ferguson, Missouri, in 2014, and fueled by the killing of George Floyd in Minneapolis, Minnesota, in 2020, has developed into a widespread initiative that demands justice for all"--
