In nineteenth-century Britain, the spectacular and highly profitable theatrical form known as "pantomime" was part of a

shared cultural repertoire and a significant medium for the transmission of stories. Rowdy, comedic, and slightly risqué, pantomime productions were situated in dynamic relationship with various forms of print and material culture. Popular fairy-tale theater also informed the production and reception of folklore research in ways that are often overlooked. In *Staging Fairyland: Folklore, Children's Entertainment, and Nineteenth-Century Pantomime*, Jennifer Schacker reclaims the place of theatrical performance in this history, developing a model for the intermedial and cross-disciplinary study of narrative cultures. The case studies that punctuate each chapter move between the realms of print and performance, scholarship and popular culture. Schacker examines pantomime productions of such well-known tales as "Cinderella," "Little Red Riding Hood," and "Jack and the Beanstalk," as well as others whose popularity has waned—such as, "Daniel O'Rourke" and "The Yellow Dwarf." These productions resonate with traditions of impersonation, cross-dressing, literary imposture, masquerade, and the social practice of "fancy dress." Schacker also traces the complex histories of Mother Goose and Mother Bunch, who were often cast as the embodiments of both tale-telling and stage magic and who move through various genres of narrative and forms of print culture. These examinations push at the limits of prevailing approaches to the fairy tale across media. They also demonstrate the degree to

which perspectives on the fairy tale as children's entertainment often obscure the complex histories and ideological underpinnings of specific tales. Mapping the histories of tales requires a fundamental reconfiguration of our thinking about early folklore study and about "fairy tales": their bearing on questions of genre and ideology but also their signifying possibilities—past, present, and future. Readers interested in folklore, fairy-tale studies, children's literature, and performance studies will embrace this informative monograph. Of all the theatrical genres most prized by the Victorians, pantomime is the only one to have survived continuously into the twenty-first century. It remains as true today as it was in the 1830s, that a visit to the pantomime constitutes the first theatrical experience of most children and now, as then, a successful pantomime season is the key to the financial health of most theatres. Everyone went to the pantomime, from Queen Victoria and the royal family to the humblest of her subjects. It appealed equally to West End and East End, to London and the provinces, to both sexes and all ages. Many Victorian luminaries were devotees of the pantomime, notably among them John Ruskin, Charles Dickens, Lewis Carroll and W.E. Gladstone. In this vivid and evocative account of the Victorian pantomime, Jeffrey Richards examines the potent combination of slapstick, spectacle and subversion that ensured the enduring popularity of the form. The secret of its success,

he argues, was its continual evolution. It acted as an accurate cultural barometer of its times, directly reflecting current attitudes, beliefs and preoccupations, and it kept up a flow of instantly recognisable topical allusions to political rows, fashion fads, technological triumphs, wars and revolutions, and society scandals. Richards assesses throughout the contribution of writers, producers, designers and stars to the success of the pantomime in its golden age. This book is as rich and appetizing as turkey, mince pies and plum pudding. Based on "A Christmas Carol" by Charles Dickens, this fresh, funny new version of Scrooge, by Channel 4 comedy writer Brian Luff, takes the much-loved Christmas story and turns it into a traditional British pantomime. While staying true to the original story, and using lots of the original dialogue, the script includes plenty of snappy banter, knockabout humour, audience participation and slick, modern comedy routines. The production requires a very large cast with lots of parts for children. It features Mrs Fezziwig as the panto dame and an hilarious double act called McKinley & Maconie - a couple of out of work actors turned charity fundraisers. There's a messy slapstick "grape treading" routine with Mr & Mrs Fezziwig during Scrooge's journey with the Ghost of Christmas Present and the part of Jacob Marley's ghost is ideal for a comedian. Have a very Merry Christmas with Mr Scrooge! Looking for a panto script? This bumper collection contains full length, tried

and tested scripts for the top 5 most popular pantomimes of the last ten years. Channel 4 comedy writer Brian Luff's versions of Aladdin, Cinderella, Sleeping Beauty, Jack & the Beanstalk and Dick Whittington have been performed in venues all over the UK. The shows all have big casts, loads of great parts, and are ideal for productions by amateur and pro-am theatre groups. The scripts are packed with slick comedy routines, hilarious sketches, messy slapstick and fast, snappy banter. NODA recently described Brian's Aladdin & the Pirates as "A very clever script with many modern twists. A superb example of the panto art!" Please note that a license must be obtained before performing any of the scripts in this book. For more information visit pantoscripts.biz There are thousands of pantomimes staged throughout the world every year, most of them in Britain. Most groups, whether they be amateur drama societies, schools, Women's Institutes or Village Hall committees are constantly on the lookout for something fresh and original. This is often a matter of economics, as professional pantomimes can be costly in terms of performing rights, let alone the cost of scripts. This book is aimed at those people who take part in this increasingly popular hobby, and at the writer who wishes to write a pantomime, either for a local group, or, indeed, for mass publication. The folk tale is embellished with fresh touches as the legend of the Sword in the Stone is reflected in Jack's methods, the Dame

has a tremendous fight with the Giant's evil henchman and the original Vegetable Fairy displays her usual Power for Good (she is frequently overly optimistic and bumbles her efforts). The climatic contest between Jack and the Giant is described in detail and special interpolations include an updated version of a famous Grimaldi comedy "baby bathing" scene. The pantomime offers opportunities for elaborate staging, but can be produced quite simply. Pantomime. Helps you to deliver Assessing Pupils' Progress. There's plenty of fast banter, funny patter and ridiculous rhyme to enjoy in this traditional panto script by Channel 4 comedy writer Brian Luff. It's a script packed with great new comedy routines. Hapless palace guards Kosh & Bosh have numerous opportunities to show off their comic chemistry, including a messy gym scene, a "Standing Very Still" sketch and a pacy routine about a bunch of "Spies Behind the Pork Pies". Meanwhile, Dame Plump & her farmhand Charlie perform an hilarious sketch called "Counting Potatoes", which may turn out to be a bit of a panto classic. Charlie also hooks up with handsome hero Jack for a very funny "Eye Test" routine. Jack and the Magical Beanstalk is traditional family pantomime at its very best. This is a full length pantomime, entirely traditional with lots of humour and with its own original and delightful score by Eric Gilder which is available separately. The large number of both amateur and professional groups who present Crocker and Gilder pantomimes

regularly every year is unmistakable proof of their success. Vocal score on sale. **WHAT IT IS:** This fun musical play helps you teach the standards while bringing your classroom to life! gloriously silly, critically acclaimed pantomimes for young audiences - easily adaptable for schools and large casts. Featuring contributions by new and established nineteenth-century theatre scholars, this collection of critical essays is the first of its kind devoted solely to Victorian pantomime. It takes us through the various manifestations of British pantomime in the Victorian period and its ambivalent relationship with Victorian values. The Routledge Pantomime Reader is the first anthology to document this entertainment genre—one of the most distinctive and ubiquitous in nineteenth-century Britain. Across ten different shows, readers witness pantomime's development from a highly improvisational venue for clowning, dance, and musical parody to a complex amalgamation of physical and topical comedy, stage wizardry, scenic spectacle, satire, and magical mayhem. Combining well-known tales such as "Cinderella", "Aladdin", and "Jack and the Beanstalk" with the lesser-known plotlines of "Peter Wilkins" and "The Prince of Happy Land", the book demonstrates not only how popular narratives were adapted to the current moment, but also how this blend of high and low entertainment addressed a whole range of social and cultural anxieties. Along with carefully annotated scripts, readers will find detailed introductions to all of the collected pantomimes and supplementary materials such as reviews, reminiscences, and a host of visual materials that bring these neglected

entertainments to life. The plays collected here provide a remarkable perspective on the history of sexuality, class, and race during a period of vast imperial expansion and important social upheaval in Britain itself—essential reading for students and scholars of theatre history and popular performance.
