[The Voyage of the Mayflower](#) Aug 16 2022 In a graphic novel format, this book recounts the story of the passengers aboard the "Mayflower" who arrived at Plymouth, Massachusetts, in 1620. Full color.

[Making Haste from Babylon](#) May 01 2021 At the end of 1618, a blazing green star soared across the night sky over the northern hemisphere. From the Philippines to the Arctic, the comet became a sensation and a symbol, a warning of doom or a promise of salvation. Two years later, as the Pilgrims prepared to sail across the Atlantic on board the Mayflower, the atmosphere remained charged with fear and expectation. Men and women readied themselves for war, pestilence, or divine retribution. Against this background, and amid deep economic depression, the Pilgrims conceived their enterprise of exile. Within a decade, despite crisis and catastrophe, they built a thriving settlement at New Plymouth, based on beaver fur, corn, and cattle. In doing so, they laid the foundations for Massachusetts, New England, and a new nation. Using a wealth of new evidence from landscape, archaeology, and hundreds of overlooked or neglected documents, Nick Bunker gives a vivid and strikingly original account of the Mayflower project and the first decade of the Plymouth Colony. From mercantile London and the rural England of Queen Elizabeth I and King James I to the mountains and rivers of Maine, he weaves a rich narrative that combines religion, politics, money, science, and the sea. The Pilgrims were entrepreneurs as well as evangelicals, political radicals as well as Christian idealists. *Making Haste from Babylon* tells their story in unrivaled depth, from their roots in religious conflict and village strife at home to their final creation of a permanent foothold in America.

[Life on the Mayflower](#) Jan 01 2024 A description of the Pilgrim's life on the Mayflower as they sailed to America.

[On the Mayflower](#) Oct 30 2023 A twelve-year-old apprentice and a seven-year-old passenger experience the first voyage of the Mayflower.

[Life on the Mayflower](#) Mar 23 2023 A description of the Pilgrim's life on the Mayflower as they sailed to America.

[Making Haste from Babylon](#) Jan 21 2023 At the end of 1618, a blazing green star soared across the night sky over the northern hemisphere. From the Philippines to the Arctic, the comet became a sensation and a symbol, a warning of doom or a promise of salvation. Two years later, as the Pilgrims prepared to sail across the Atlantic on board the Mayflower, the atmosphere remained charged with fear and expectation. Men and women readied themselves for war, pestilence, or divine retribution. Against this background, and amid deep economic depression, the Pilgrims conceived their enterprise of exile. Within a decade, despite crisis and catastrophe, they built a thriving settlement at New Plymouth, based on beaver fur, corn, and cattle. In doing so, they laid the foundations for Massachusetts,

New England, and a new nation. Using a wealth of new evidence from landscape, archaeology, and hundreds of overlooked or neglected documents, Nick Bunker gives a vivid and strikingly original account of the Mayflower project and the first decade of the Plymouth Colony. From mercantile London and the rural England of Queen Elizabeth I and King James I to the mountains and rivers of Maine, he weaves a rich narrative that combines religion, politics, money, science, and the sea. The Pilgrims were entrepreneurs as well as evangelicals, political radicals as well as Christian idealists. *Making Haste from Babylon* tells their story in unrivaled depth, from their roots in religious conflict and village strife at home to their final creation of a permanent foothold in America.

[Mayflower Bastard](#) Feb 27 2021 David Lindsay, researching old records to learn details of the life of his ancestor, Richard More, soon found himself in the position of the Sorcerer's Apprentice-wherever he looked for one item, ten more appeared. What he found illuminated not only More's own life but painted a clear and satisfying picture of the way the First Comers, Saints and Strangers alike, set off for the new land, suffered the voyage on the Mayflower, and put down their roots to thrive on our continent's northeastern shore. From the story, Richard emerges as a man of questionable morals, much enterprise, and a good deal of old-fashioned pluck, a combination that could get him into trouble-and often did. He lived to father several children, to see, near the end of his life, a friend executed as a witch in Salem, and to be read out of the church for unseemly behavior. *Mayflower Bastard* lets readers see history in a new light by turning an important episode into a personal experience.

[Mayflower 1620](#) Oct 18 2022 Contains a photographed reenactment of the voyage and landing of the Mayflower with text covering the perspectives of both the Native Americans and the English.

[The Mayflower](#) Apr 23 2023 The historic journey of the Pilgrims aboard the "Mayflower" and their settlement at Plymouth Harbor is depicted in this beautifully illustrated picture book. A time line lists the sequence of events and elaborates on the evolution of the Thanksgiving holiday. Full color.

[The Mayflower Pilgrims](#) Jan 09 2022 16 SEPTEMBER 1620: 400 YEARS SINCE THE MAYFLOWER SET SAIL On a blustery day in September 1620 a small ship, the Mayflower, set sail from the English port of Plymouth. Known to history as the Pilgrims, the passengers on board were beginning an adventure to find religious freedom, undeterred by the daunting prospect of establishing a colony in uncharted territory thousands of miles from home. They were successful. At least 10 million US citizens are their descendants. This short edition is the essential guide to the fascinating story of the Mayflower - a project that changed history on both sides of the Atlantic. It is taken from the longer work,

[Making Haste from Babylon](#) by renowned historian Nick Bunker.

[History of Plymouth Plantation, 1620-1647](#) Jun 25 2023

[Here Shall I Die Ashore](#) Nov 06 2021 In the spring of 1621, Plymouth Colony sent STEPHEN HOPKINS to make the first visit to Wampanoag sachem Massasoit to present a red horseman's coat as a gift and sign of friendship. For most ordinary Englishmen, venturing off into the depths of unexplored America would have been a once in a lifetime adventure: but not for Stephen. By the time he turned forty, he had already survived a hurricane, been shipwrecked in the Bermuda Triangle, been written into a Shakespearean play, witnessed the famine and abandonment of Jamestown Colony, and participated in the marriage of Pocahontas. He was once even sentenced to death! He got himself and his family onto the Pilgrims' Mayflower, and helped found Plymouth Colony. He signed the Mayflower Compact, lodged the famous Squanto in his house, participated in the legendary Thanksgiving, and helped guide and govern the early colonists. Yet Stephen was just an ordinary man, with a wife, three sons, seven daughters, a small house, some farmland for his corn, and cows named Motley, Sympkins, Curled, and Red. These are the extraordinary adventures of an ordinary man.

[Life on the Mayflower](#) Aug 28 2023 Most people think that the group of people we call the Pilgrims were all hoping for religious freedom in Plymouth Colony. In fact, fewer than half of the Pilgrims were Separatists--and they didn't even settle their colony in the right place! Readers will enjoy lots of dirty details about the Mayflower's voyage, while learning the truth behind many myths about the Pilgrims.

Historical images enhance the main content and fascinating fact boxes add even more gross, fun, and baffling information to augment lessons taught in the social studies classroom.

[Sailing on the Mayflower](#) May 25 2023 In September 1620, 102 brave travelers and their crew stepped upon a ship called the Mayflower in England. Most were members of a religious group now known as the Pilgrims. They were bound for North America to start a new life. They endured many hardships and made many tough choices. Now the choices are yours. Would you rather suffer from seasickness or from skin sores caused by scurvy? Would you rather have been a crew member navigating the ship in stormy seas or cramped into the living quarters just along for the tumultuous ride? It's your turn to pick this or that!

[Life As a Passenger on the Mayflower](#) Jul 15 2022 Present-day America owes its diversity to the men, women, and children who endured hardships to make America what it is today. Among these were the first immigrants. Many people traveled by boat, and perhaps the most famous immigrant-carrying boat was the Mayflower. This is the story of the Mayflower and what the voyage was like for the men, women, and children who traveled on it.

Mayflower Lives Jul 03 2021 Leading into the 400th anniversary of the voyage of the Mayflower, Martyn Whittock examines the lives of the “saints” (members of the Separatist puritan congregations) and “strangers” (economic migrants) on the original ship who collectively became known to history as “the Pilgrims.” The story of the Pilgrims has taken on a life of its own as one of our founding national myths—their escape from religious persecution, the dangerous transatlantic journey, that brutal first winter. Throughout the narrative, we meet characters already familiar to us through Thanksgiving folklore—Captain Jones, Myles Standish, and Tisquantum (Squanto)—as well as new ones. There is Mary Chilton, the first woman to set foot on shore, and asylum seeker William Bradford. We meet fur trapper John Howland and little Mary More, who was brought as an indentured servant. Then there is Stephen Hopkins, who had already survived one shipwreck and was the only Mayflower passenger with any prior American experience. Decidedly un-puritanical, he kept a tavern and was frequently chastised for allowing drinking on Sundays. Epic and intimate, *Mayflower Lives* is a rich and rewarding book that promises to enthral readers of early American history.

The Mayflower May 13 2022 The ship itself was obscure and small, valued at a mere 128 pounds, eight shillings, and fourpence. Each passenger had a total area the size of a single mattress under a five-foot ceiling in which to cook, eat, sleep, dress and all the rest of living. During the months-long journey, one Pilgrim died. Another, washed overboard, was miraculously washed back on deck. A crew member, not so fortunate, perished. The landing at Plymouth was on the morning of Monday, December 11, 1620. Ahead of this brave band lay a harsh winter, which robbed more than half the settlers of their lives. When spring came at last, 54 people were left, 21 of them under sixteen. But when the Mayflower sailed back to England, not one survivor asked to return. The men and women of the Mayflower did not come seeking fame or profit. They sought—and found—peace. The agreement they drew up before landing was described by John Quincy Adams as “the first example in modern times of a social compact or system of government instituted by voluntary agreement conformable to the laws of nature, by men of equal rights and about to establish their community in a new country.” This book reconstructs the voyage that linked European civilization and America, the facts behind what was to become the first legend of the American people, a pioneering journey that took nearly four centuries to come to life as it does in these pages.

The Mayflower Mar 11 2022 Discover the real history behind the Mayflower in this illustrated nonfiction storybook for kids ages 7 to 9, timed to coincide with the 400th anniversary of the Pilgrims' famous voyage to the Americas. Step on board the Mayflower and meet the amazing crew and passengers, from burly sailors to pilgrims, servants, orphaned children, and animals. Discover who the pilgrims were and why they chose to risk their lives to make the treacherous journey across the Atlantic, relive the ferocious storms as the Mayflower crested gigantic waves, find out what life was really like

on board for the 102 passengers, and discover the secret history of the second ship, the Speedwell. Learn the real story of the Pilgrims' fateful landing on the shores of what is now Massachusetts. What happened when they met the tribes native to the area and how much truth is there in the Thanksgiving legend? Discover the hardships faced by the Pilgrims on their quest for a new life, and appreciate the sad reality of what happened in the devastating winter that followed their long and dangerous voyage. Beautifully illustrated with incredible cutaway diagrams of the ship, comprehensive maps, storylike narrative, and detailed timelines, this ebook brings the history of the Mayflower to life for a whole new generation. This stunning ebook makes the perfect gift to commemorate one of the most famous adventures in history in what will be an important year of remembrance.

The Boy Who Fell Off the Mayflower, or John Howland's Good Fortune Feb 02 2024 In the first book he has both written and illustrated, master artist P.J. Lynch brings a Mayflower voyager's story to vivid life. At a young age, John Howland learned what it meant to take advantage of an opportunity. Leaving the docks of London on the Mayflower as an indentured servant to Pilgrim John Carver, John Howland little knew that he was embarking on the adventure of a lifetime. By his great good fortune, John survived falling overboard on the crossing of the Atlantic Ocean, and he earned his keep ashore by helping to scout a safe harbor and landing site for his bedraggled and ill shipmates. Would his luck continue to hold amid the dangers and adversity of the Pilgrims' lives in New England? John Howland's tale is masterfully told in his own voice, bringing an immediacy and young perspective to the oft-told Pilgrims' story. P.J. Lynch captures this pivotal moment in American history in precise and exquisite detail, from the light on the froth of a breaking wave to the questioning voice of a teen in a new world.

The Mayflower Compact Oct 06 2021 The Pilgrims who sailed to what is now the United States on the Mayflower laid the foundation for democracy in the United States with the Mayflower Compact. It created a new set of laws for their community and gave them stability in the New World. Vivid historical and contemporary images and intriguing sidebars enhance the accessible text to show readers how crucial this frequently-overlooked document was to the future of America. In addition, critical-thinking questions challenge readers to take what they've learned and apply it to the world around them today.

If You Sailed on the Mayflower in 1620 Mar 03 2024 If You... series.

Pilgrim Children on the Mayflower Sep 28 2023 The voyage of the Mayflower is recounted through the eyes of the children on board.

The Mayflower Ship's Log (Complete 6 Volume Edition) Aug 04 2021 To civilized humanity world-wide, and especially to the descendants of the Pilgrims who, in 1620, laid the foundations of that civil and religious freedom upon which has been built a refuge for the oppressed of every land, the story of the Pilgrim "Exodus" has an ever-increasing value and zest. It describes the inception, development, and vicissitudes of the bold scheme of colonization in the American

wilderness. It covers every detail and circumstance which relates to the immortal MAYFLOWER; the preparations, the voyage, the personnel on the ship and the first colonists' hopes and dreams. Contents: The Name— "Mayflower" The Mayflower's Consort the Speedwell The Mayflower's Charter and the Adventurers The Mayflower—the Ship Herself The Officers and Crew of the Mayflower The Mayflower's Passengers Quarters, Cooking, Provisions The Mayflower's Lading The Journal of the Ship Mayflower

The Mayflower and Her Passengers Nov 30 2023 When the Mayflower embarked on her famous voyage to America in 1620, she was carrying 102 passengers. To most, they are simply known as the Pilgrims. Perhaps the name of Governor William Bradford, Elder William Brewster, or Captain Myles Standish are vaguely familiar; but the vast majority of the Mayflower passengers have remained anonymous and nameless. In *The Mayflower and Her Passengers*, I have attempted to resurrect the unique individuality of each passenger by providing short biographies for each person or family group. Also included is a groundbreaking new biography of the Mayflower ship itself.

Imagine You Were There... Sailing on the Mayflower Feb 19 2023 The Imagine You Were There... series celebrates events that changed the world and the people who made them happen. In November 1619 the Mayflower, with its cargo of pilgrim families, reached the shores of Massachusetts. *Sailing on the Mayflower* celebrates this milestone by helping readers imagine what it was like to actually be there. Fully illustrated, the book charts the voyage of the pilgrims from England via Holland, and chronicles their arrival in America and the founding of the Plymouth Colony. The book includes first-hand accounts of the voyage and early settler life, with the difficulties it brought. It also looks at the experiences of settlers in other parts of the world, and at some of the same issues that are relevant to modern-day immigrants.

The Mayflower Sep 04 2021 Here is the story of the one hundred and two passengers who crossed the Atlantic aboard the Mayflower. The trip was crowded and dangerous. Trouble continued when the passengers settled in Plymouth for a bitter, cold winter. However, their determination was ultimately rewarded; the Pilgrims adjusted to New England thanks to help from local Native Americans and soon celebrated their first harvest in the New World. A time line lists the sequence of events and elaborates on the evolution of the Thanksgiving holiday.

--If You Sailed on the Mayflower in 1620 Apr 11 2022 A fact-filled history of the Pilgrims and the early Plymouth Colony told in question-and-answer style with illustrations.

If you sailed on the Mayflower Nov 18 2022 Questions and answers describe the voyage of the Mayflower and the Pilgrim's first year in the New World.

The Mayflower Apr 04 2024 From acclaimed historian and biographer Rebecca Fraser comes a vivid narrative history of the Mayflower and of the Winslow family, who traveled to America in search of a new world. “There is nothing sleep-inducing about the chronicle crafted by Ms. Fraser . . . There is more to the Pilgrims’

story—more to American identity and character—than our Thanksgiving rituals and reveries.” —Wall Street Journal The voyage of the Mayflower and the founding of Plymouth Colony is one of the seminal events in world history. But the poorly-equipped group of English Puritans who ventured across the Atlantic in the early autumn of 1620 had no sense they would pass into legend. They had eighty casks of butter and two dogs but no cattle for milk, meat, or ploughing. They were ill-prepared for the brutal journey and the new land that few of them could comprehend. But the Mayflower story did not end with these Pilgrims’ arrival on the coast of New England or their first uncertain years as settlers. Rebecca Fraser traces two generations of one ordinary family and their extraordinary response to the challenges of life in America. Edward Winslow, an apprentice printer, fled England and then Holland for a life of religious freedom and opportunity. Despite the intense physical trials of settlement, he found America exotic, enticing, and endlessly interesting. He built a home and a family, and his remarkable friendship with King Massasoit, Chief of the Wampanoags, is part of the legend of Thanksgiving. Yet, fifty years later, Edward’s son Josiah was commanding the New England militias against Massasoit’s son in King Philip’s War. The Mayflower is an intensely human portrait of the Winslow family written with the pace of an epic. Rebecca Fraser details domestic life in the seventeenth century, the histories of brave and vocal Puritan women and the contradictions between generations as fathers and sons made the painful decisions which determined their future in America.

[Science on the Mayflower](#) Jun 01 2021 You may have heard of the Mayflower. The ship set sail in 1620, carrying English pilgrims across the sea to Plymouth. But did you know that science played a big role in this voyage? Learn how the Mayflower was constructed. Find out how science helped sail the ship across the ocean. And discover how modern technology is being used to understand the journey and the people aboard.

Who Journeyed on the Mayflower? Jun 06 2024 How do we know about the people who journeyed on the Mayflower? Why did they cross the Atlantic, and what happened to them? This book shows how we know about the travelers and their ship from primary and other sources. It includes information on some historical detective work that has taken place, using documentary and archaeological evidence, that has enabled historians to piece together the fascinating story of the Mayflower.

[The Mayflower Pilgrims](#) Mar 30 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text

in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Mayflower Feb 07 2022 Join the Pilgrims on their perilous journey across the ocean, as they start a new life in North America. This stunning book marks the 400th anniversary of the Mayflower's voyage, with edge-to-edge illustrated scenes, interspersed with detailed maps, inventories and cutaways, along with engaging, narrative text to make this a history book to treasure and pour over time and again. Learn about the perilous journey, the crew and passengers, the cargo on board and what happened when they finally dropped anchor in Cape Cod. Meet the Wampanoag people and learn about how the Pilgrims' arrival changed their way of life. Atmospheric artwork and detailed scenes will spark your imagination as you discover the amazing true story behind the birth of a nation. Find out as if you were there: Who were the Pilgrims? Why did they want to leave England? Why was the journey so perilous? What was the Mayflower Compact? Who are the Wampanoag? How did the Pilgrims interact with the Wampanoag? What happened at the first Thanksgiving? What became of the Mayflower? This fact-packed children’s book includes a comprehensive timeline of events, an author's note, plus a glossary and ideas for further learning.

Mayflower May 05 2024 "Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--The New York Times Book Review Finalist for the Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th anniversary of the landing of the Mayflower. How did America begin? That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth: the voyage of the Mayflower and the settlement of Plymouth Colony. As Philbrick reveals in this electrifying history of the Pilgrims, the story of Plymouth Colony was a fifty-five year epic that began in peril and ended in war. New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike. These events shaped the existing communities and the country that would grow from them.

The Mayflower Jun 13 2022 Did you know that not every passenger aboard the Mayflower was a Pilgrim? In fact, of the 102 passengers on the Mayflower, only about 40 were fleeing England for religious reasons. And if you want to learn more fascinating facts about this cultural icon, keep reading... The Reformation brought sweeping changes across Europe. In England, that led to the formation of a small congregation of radicals known as the Separatists. These were ordinary farmers and craftsmen who simply didn't believe in the Anglican Church, and they found themselves hounded out of their own country like criminals. So began their quest to find a new home—a home where they could be safe and free. A home where they could raise their children in peace. A home where they could practice their beliefs without fear of persecution. But in order to make that happen, the Pilgrims had to face many insurmountable obstacles. The story of the Pilgrims is one of

unimaginable odds. Somehow, they had to finance their voyage and then survive it. Finally, they would have to establish a colony in uncharted territory and find a way to make peace with its inhabitants, who were by no means happy to have their homes invaded. There are so many things to learn about the Mayflower's voyage, and just a few of them include: The personalities of the fascinating individuals who crossed the Atlantic aboard the Mayflower The changes in Europe that led to the Pilgrims' voyage Where the Pilgrims fled to before boarding the Mayflower How the Pilgrims financed their voyage Why the Pilgrims set sail with only one ship instead of two How conflict grew between the Saints and Strangers aboard the Mayflower Why the Pilgrims didn't land at the mouth of the Hudson River as they had planned How the Mayflower Compact became the world's first attempt at democracy How one Native American made it possible for peace to exist between the Wampanoag and the colonists And much, much more! Scroll up and click the "add to cart" button to learn more about the Mayflower

The Journey to the Mayflower Sep 16 2022 An authoritative and immersive history of the far-reaching events in England that led to the sailing of the Mayflower. 2020 brought readers the 400th anniversary of the sailing of the Mayflower—the ship that took the Pilgrim Fathers to the New World. It is a foundational event in American history, but it began as an English story, which pioneered the idea of religious freedom. The illegal underground movement of Protestant separatists from Elizabeth I’s Church of England is a story of subterfuge and danger, arrests and interrogations, prison and executions. It starts with Queen Mary’s attempts to burn Protestantism out of England, which created a Protestant underground. Later, when Elizabeth’s Protestant reformation didn’t go far enough, radicals recreated that underground, meeting illegally throughout England, facing prison and death for their crimes. They went into exile in the Netherlands, where they lived in poverty—and finally to the New World. Historian Stephen Tomkins tells this fascinating story—one that is rarely told as an important piece of English, as well as American, history—that is full of contemporary relevance: religious violence, the threat to national security, freedom of religion, and tolerance of dangerous opinions. This is a must-read book for anyone interested in the untold story of how the Mayflower came to be launched.

[Before the Mayflower: A History of the Negro in America, 1619-1962](#) Dec 20 2022 The black experience in America--starting from its origins in western Africa up to 1961--is examined in this seminal study from a prominent African American figure. The entire historical timeline of African Americans is addressed, from the Colonial period through the civil rights upheavals of the late 1950s to 1961, the time of publication. "Before the Mayflower" grew out of a series of articles Bennett published in *Ebony* magazine regarding "the trials and triumphs of a group of Americans whose roots in the American soil are deeper than the roots of the Puritans who arrived on the celebrated Mayflower a year after a 'Dutch man of war' deposited twenty Negroes at Jamestown." Bennett's history is infused with a desire to set

the record straight about black contributions to the Americas and about the powerful Africans of antiquity. While not a fresh history, it provides a solid synthesis of current historical research and a lively writing style that makes it accessible and engaging reading. After discussing the contributions of Africans to the ancient world, "Before the Mayflower" tells the history of "the other Americans," how they came to America, and what happened to them when they got here. The book is comprehensive and detailed, providing little-known and often overlooked facts about the lives of black folks through slavery, Reconstruction, America's wars, the Great Depression, and the civil rights movement. This is a classic in examining the history of African Americans from their African past through the Revolutionary and Civil Wars to contemporary problems and accomplishments.

Christmas on the Mayflower Dec 08 2021
Holiday stories.

If You Were a Kid on the Mayflower (If You Were a Kid) (Library Edition) Jan 26 2021
"In 1620, a group of Pilgrims left Europe aboard a ship called the Mayflower. They sailed toward North America, hoping to make a new home where they could practice their religion freely. Readers will join Hope and Theodore as their set sail on a 66-day journey across the Atlantic Ocean. They will learn what living conditions were like aboard the ship, what dangers the Pilgrims faced at sea, and much more"--Amazon.com.

The Mayflower and the Pilgrims' New World Jul 27 2023 Adapted from the New York Times bestseller Mayflower! After a dangerous journey across the Atlantic, the Mayflower's passengers were saved from certain destruction with the help of the Natives of the Plymouth region. For fifty years a fragile peace was maintained as Pilgrims and Native Americans learned to work together. But when that trust was broken by the next generation of leaders, a conflict erupted that nearly wiped out Pilgrims

and Natives alike. Adapted from the New York Times bestseller Mayflower specifically for younger readers, this edition includes additional maps, artwork, and archival photos.
