**Homebody** Orson Scott Card, 2013-03-05 From a beloved and bestselling master of speculative fiction comes this chilling tale of a soulful loner who must overcome demons from his past and the demons he unwittingly unleashes when he starts renovating a faded Southern mansion As *Homebody* eloquently proves no contemporary writer outshines Orson Scott Card in crafting unlikely heroes or in suffusing the everyday world with an otherworldly glow Don Lark's cheery name belies his tragic past When his alcoholic ex wife killed their daughter in a car wreck he retreated from the sort of settled sociable lifestyle one takes for granted Only the prospect of putting a roof over other people's heads seems to comfort Lark and he goes from town to town looking for dilapidated houses he can buy restore and resell at a profit In Greensboro North Carolina Lark finds his biggest challenge yet a huge sturdy gorgeous shell that's suffered almost a century of abuse at the hands of greedy landlords and transient tenants As he sinks his teeth into this new project Lark's new neighborhood starts to work its charms on him He strikes up a romance with the wry real estate agent who sold him the house His neighbors two charming chatty old ladies ply him endlessly with delicious Southern cooking Even Sylvie the squatter Lark was once desperate to evict from the old house is now growing on him But when Lark unearths an old tunnel in the cellar the house's enchantments start to turn ominous Sylvie turns cantankerous even dangerous There's still a steady supply of food from next door but it now comes laced with increasingly passionate pleas for Lark to vacate the house at once In short everybody seems to want to get rid of him Whether this is for his own good or theirs Lark digs in his heels for reasons even he's not sure of He embarks on a struggle for his life and his friends against a house with a past even more tragic than his own If Lark wins he gets the kind of home and community he's always dreamed of If he loses all is lost *The Urban Fantasy Anthology* Peter S. Beagle, 2023-10-12 **The Last Unicorn (Graphic Novel)** Peter S. Beagle, Peter B. Gillis, 2019-07-16 Peter S Beagle's beloved fantasy classic captured imaginations around the world and takes on new life in this luscious fully illustrated graphic novel adaptation The Last Unicorn is a tale for any age about the wonders of magic the power of love and the tragedy of loss The unicorn alone in her enchanted wood learns that she may be the last of her kind Reluctant at first she sets out on a journey to discover the fate of her fellow unicorns even if it means facing the terrifying anger of the Red Bull and the malignant evil of the king who wields its power Along the way she'll encounter a cast of unforgettable characters including Schmendrick the magician the bandit Molly Grue the noble Prince Lir and the occasional talking butterfly Adapted by Peter B Gillis and lushly illustrated by Renae De Liz and Ray Dillon The Last Unicorn is simultaneously current and timeless in this newest incarnation Peter S. Beagle's The Last Unicorn Timothy S. Miller, **Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle** David Stevens, 2013-08-16 In Beyond Horatio's Philosophy The Fantasy of Peter S Beagle David Stevens examines the fantasy of American writer Peter S Beagle He finds a consistent view of the world and an almost overpowering sense of humor leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living His work will be read and enjoyed for generations to come and Stevens tells you why Beagle indulges in what Stevens terms metaphysical speculations a working out of the possibilities of the world being different than it is He invites the reader to examine these speculations with him and when we do to come away from the experience as better men and women believing in the transforming power of love and laughing at ourselves in the process No writer could ask for more or succeed better Beagle would have us believe to paraphrase Shakespeare's Hamlet that there are more things in heaven and earth than are dreamt of in our philosophy Complete with bibliography and index **The Particulars of Peter** Kelly Conaboy, 2020-12-08 This might be one of the month's if not the year's sweetest books zaniest too The Washington Post A hilarious addition to the dogoir canon People Perhaps the greatest love story ever told Refinery29 The feel good book the world needs PopSugar From one of the Internet's most original voices a hilarious journey through the odd corners of obsessive dog ownership and the author's own infatuation with her perfect dog Peter The author met Peter in the spring of 2017 He calm puppy eyed with the heart of a poet and the soul of also a poet came to her first as a foster He was unable to stay with his previously assigned foster for reasons that are none of your business but which we will tell you were related to frequent urination The rescue needed someone free of the sort of responsibilities that would force her to regularly leave the house for either work or socializing and a writer was the natural choice Thus began a love story for the ages The Particulars of Peter is a funny exploration of the joy found in loving a dog so much it makes you feel like you're going to combust and the author's potentially codependent relationship with her own sweet dog Peter Readers will follow Peter and his owner to Woofstock the

largest outdoor festival for dogs in North America and accompany them to lessons in Canine Freestyle a sport where dogs perform a routine set to music creating the illusion that they're dancing with their owners From learning about Peter's DNA to seeing if dogs can sense the presence of ghosts The Particulars of Peter will give readers a smart entertaining respite from the harsh world of humans into the funny little world of dogs Readers will accompany this lovable duo through exciting trips lessons quiet moments of connection and probably a failure or two By fusing memoir and infotainment The Particulars of Peter promises to refresh the perennially popular dog lit category in a scrumptiously bighearted barnstormer of a book

*The Selected Works of T. S. Spivet* Reif Larsen, 2010-04-27 A brilliant boundary leaping debut novel tracing twelve year old genius map maker T S Spivet's attempts to understand the ways of the world When twelve year old genius cartographer T S Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award life as normal if you consider mapping family dinner table conversation normal is interrupted and a wild cross country adventure begins taking T S from his family ranch just north of Divide Montana to the museum's hallowed halls T S sets out alone leaving before dawn with a plan to hop a freight train and hobo east Once aboard his adventures step into high gear and he meticulously maps charts and illustrates his exploits documenting mythical wormholes in the Midwest the urban phenomenon of rims and the pleasures of McDonald's among other things We come to see the world through T S's eyes and in his thorough investigation of the outside world he also reveals himself As he travels away from the ranch and his family we learn how the journey also brings him closer to home A secret family history found within his luggage tells the story of T S's ancestors and their long ago passage west offering profound insight into the family he left behind and his role within it As T S reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that for all his analytical rigor the world around him is a mystery All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle For all its shine fame seems more highly valued than ideas in this new world and friends are hard to find T S's trip begins at the Copper Top Ranch and the last known place he stands is Washington D C but his journey's movement is far harder to track How do you map the delicate lessons learned about family and self How do you depict how it feels to first venture out on your own Is there a definitive way to communicate the ebbs and tides of heartbreak loss loneliness love These are the questions that strike at the core of this very special debut Now a major motion picture directed by Jean Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter [Enchantment](#) Orson Scott Card, 2005-05-31 In *Enchantment* Orson Scott Card works his magic as never before transforming the timeless story of *Sleeping Beauty* into an original fantasy brimming with romance and adventure The moment Ivan stumbled upon a clearing
